DANCERS BUMP TO FIGHT DUMP:

A 'Dump the Dumps' dance held in Pickering Saturday was a roaring success, with an estimated \$3,000 to \$4,000 raised to fight the threat of another landfill here. About 500 people gathered at the recreation complex to prance in protest after the provincial government chose four candidate dump sites in Pickering in its search for a Durham-only landfill. In addition to having a good time and raising money for a dump battle, residents managed to limit their production of garbage to just a half bag during the evening.

Hydro's 'major shakeup' means huge job losses

By JUDI BOBBITT
Staff Reporter

AJAX-PICKERING - About 3,300 Ontario Hydro employees here face an uncertain future as the company prepares for major restructuring.

The utility will cut its staff by 4,500 people this year as part of a plan to reduce its \$34-billion debt and freeze its rates, chairman Maurice Strong said Tuesday. Several months ago, 1,500 employees were let go.

The restructuring plan, which includes bud-

get slashes and cancellation of projects, will mean cost reductions ranging from \$875 million in 1994 to \$1.4 billion in 1996.

Staff reductions are expected to affect management as well as unionized employees, said Hydro information officer Jack Muir. Early retirement packages and voluntary severance programs may be offered.

The company will be reorganized into three main divisions, with some existing departments being discontinued as separate branches. Hydro will seek no rate increase in 1994

and will aim to freeze rates for the remainder of the decade.

"We want to send a signal that we mean business," commented Mr. Strong. Over the next 10 years, the plan will reduce the company's debt by \$13 billion, he said.

"There's going to be a major shakeup," predicted Mr. Muir after the announcement. "You can't say there's anybody in Ontario Hydro who doesn't face the possibility of

Teenage students may lose busing

By LINDA WHITE
Staff Reporter

DURHAM - Many public high school students may have to dig into their own pockets or their parents' if they want to take the bus to school next year.

That issue will be debated by Durham Board of Education trustees March 22 when they consider whether to eliminate bus passes in municipalities where public transit exists — Ajax, Oshawa and Whitby.

If approved, trustees struggling to curb a tax increase for board supporters would trim about \$170,000 from the 1993 draft budget and would see an annual savings of more than \$425,000.

(The yearly savings is higher because the board's fiscal year runs from January to December, while the school year runs from September to

COP CAR WRECKED IN CHASE

Escaped con nabbed

AJAX-PICKERING - An escaped convict was arrested here early Monday morning following a short pursuit in which a police cruiser was written off.

The arrest came after Durham Regional Police spotted a Ford Taurus reported stolen from Pickering Feb. 9 travelling east-bound on Bayly St. near Brock Rd. in Pickering around 5:30 a.m.

A second officer joined the pursuit on Westney Rd. in Ajax and drove in front of the vehicle in an attempt to slow it down, though it wasn't travelling at excessively high speeds, according to Inspector Tony Turner.

The accused rammed into the cruiser in front and smacked into the one behind. He gave a fictitious name when arrested and

was taken into custody, where police learned of a Canada-wide warrant for his arrest.

The 21-year-old escaped from Frontenac Institute in Kingston Feb. 5, where he was serving a two-year sentence for property-related offences. Officials there say he walked away from the institute while carrying out farming duties.

He has been charged with possession of stolen property, dan-

gerous driving, failing to stop for police, obstructing police, threatening death two times, and failing to remain at the scene of an accident.

The Ajax cruiser was written off and its driver taken to hospital and released with minor injuries. The second cruiser's front fender was damaged. Police don't have estimates on damage to the stolen vehicle, which will be returned to its owner.

WILL THIS TAX CHANGE BENEFIT YOU?

A NEW TAX CREDIT PROGRAM WILL OFFSET THE PROPERTY AND SALES TAX YOU PAY.

The Ontario Tax Grants for Seniors program has been replaced by a new tax credit program. If you are a low income senior, the new Ontario Tax Credits for Seniors program will provide you with more property and sales tax support.

TAX CREDIT TIED TO INCOME LEVEL

For example, if you're a senior with less than \$23,000 in annual income, you'll receive an average of \$135 more, delivered through the personal income tax system.

NO MORE ONTARIO TAX GRANTS FOR SENIORS

The final Property Tax Grant was mailed in October 1992. The Property and Sales Tax Grant will not be paid to seniors in 1993.

YOU MUST FILE A RETURN TO RECEIVE THIS TAX CREDIT

Beginning with the 1992 tax return, you must file an income tax return to obtain the new property and sales tax credits. The credit will be based on your 1992 property tax or rent.

Your H&R Block Income Tax Specialist would be happy to help you find out what the new tax credit program means to you. Call the nearest H&R Block Office at:

Pickering told to ease up on firefighters' qualifications

PICKERING - The Town's "rigid entrance qualifications" for volunteer firefighters should be reviewed, the Fire Underwriters' Survey has recommended.

The Underwriters' Survey evaluated the Town's fire services at the request of council last June. Its report, presented to Pickering politicians Monday, is used by the insurance industry to help determine premium rates for homeowners' fire insurance.

Currently, people applying to become full-time or volunteer firefighters in Pickering must pass a tough physical test at York University before being accepted into the department. To address the shortage of volunteer firefighters in Brougham and Claremont, Pickering should review those "rigid entrance qualifications", the Underwriters' Survey says.

It's suggested that volunteer firefighters, who are paid per call, should only be required to possess a medical certificate indicating their health is suitable for firefighting duties.

In a report, fire chief Steve Stew-

art says he agrees "with the principle" and suggests discussions on the subject begin immediately with council.

Other comments made in the report, expected to be addressed in future annual budgets, include:

- A 1968 pumper should be replaced;
- The Town should have a training facility where smoke and water can be used to simulate actual fire-fighting conditions;
- Fire prevention staff should be increased;
- Various pieces of equipment should be purchased for pumpers and tankers;
- An additional full-time dispatcher should be hired so that firefighters aren't required to do that job.

There was no mention in the report of insurance rates. Town manager Noel Marshall says that can be interpreted to mean the Underwriters' Survey has no serious concerns about the Town's level of service. "In my view, the report means they're satisfied the existing level of service has not deteriorated."

Pickering's on the map

PICKERING - If you need help finding your way around town, you might want to pick up Pickering's 1993 street and facility guide.

The guide is a full-color, coded map with a complete overview of streets, shopping centres, schools, churches, recreation centres, parks, and industrial and commercial areas. On the flip side, the map contains a colorful cartoon rendering of the Pickering lake-front, designed as a vehicle for advertisers.

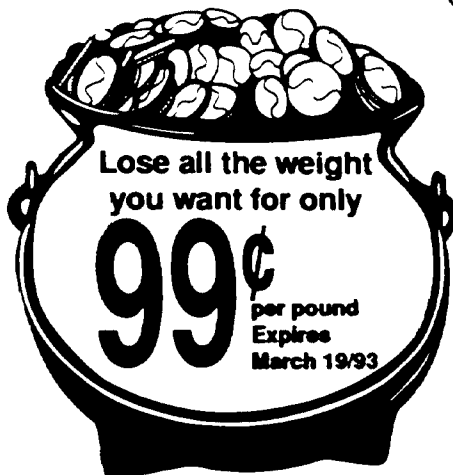

Updates and improvements to the map are proposed on a yearly basis, which will give advertisers an opportunity for further exposure.

Copies of the street guide are available from the Economic Development Office in the town's Civic Complex, One The Esplanade. The cost is \$2.50 plus tax per map; a special price is offered for non-profit groups or for organizations that need more than 25 copies. Call 420-2222, ext. 2007.

Editorial

Crosswalk confusion

The safety of Ontario's crosswalks has come into question and Durham politicians are looking for answers.

According to some officials, pedestrians could literally be putting their lives at risk every time they use the crosswalks.

The crosswalks in question were legislated by the Provincial ministry of transportation in 1988 and are marked by yellow, overhead crosswalk signs. Pedestrians are supposed to push a button which activates flashing lights on the overhead sign, then point as they begin to cross the road. Motorists are supposed to stop.

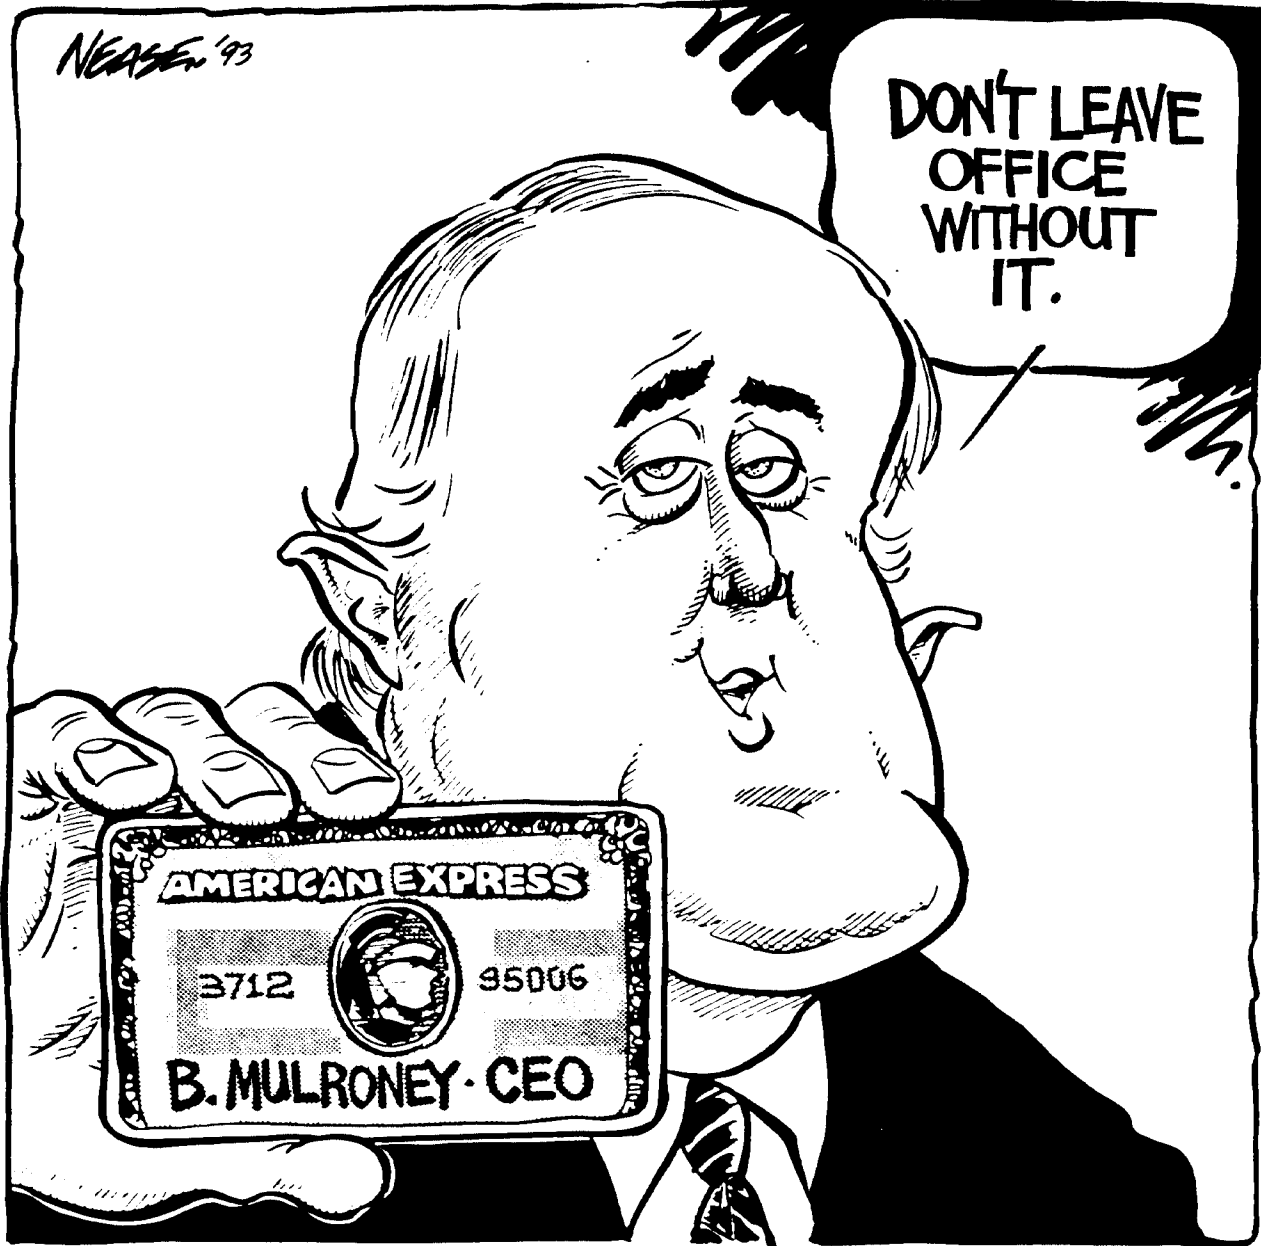

But, according to Dave McMullen, Durham's manager of transportation, both motorists and pedestrians are confused by the crosswalks. In Oshawa recently, one man was killed while using one of the crosswalks; and others have been injured.

Pedestrians aren't pointing and the flashers -- the same yellow color as the sign itself -- aren't readily visible. There's also concern that motorists who are meant to keep an eye out for pedestrians are instead paying more attention to the overhead sign and not stopping.

Oshawa councillor Mike Armstrong, in whose ward the fatality occurred, calls the crosswalks "a safety trap for children." John Aker, chairman of Durham's works committee, says the crosswalks "were supposed to be the 'be all' and 'end all', but it has not worked out. On sunny days you can't see a thing."

Durham Region is considering a move to postpone installing any more of the crosswalks on Regional roads until the Provincial government reviews their design.

So far, the Province has balked at any major changes. But if enough municipalities band together and fight the issue, the safety of pedestrians should win out. Better designed crosswalks could save lives and eliminate unnecessary accidents.

Letters

Take time to talk to your children

Balanced view needed to make informed decisions

To the editor,

As a parent of five children aged 9 to 17 and a teacher in the Durham Public School Board, I have been reading the letters to the editor re: the video, "Head Full of Questions" with growing concern.

Parents and teachers alike seem very upset about the messages that they feel the video is sending to students. I am just as concerned about the message they

are sending by their reactions to the video.

Whether or not the video is used in a classroom, students will be asking questions, none of which can be predicted beforehand, about sex-related issues. So a question such as the one raised in the video ("If two men made love, or two women, would it be bad, normal or what?") may very well be asked in the classroom, by any student, or even by your own child. How, then, would you have that question answered without

inviting further intolerance for yet another minority in society?

There may actually be students with homosexual tendencies in the classroom. Your response may very well send a message of disapproval or even hate to such a student at a time when self-concept is already shaky. Your child may even be one of these students, unbeknownst to you.

We are living in a time of social turmoil. We can no longer bury our heads in the sand and pretend that what we don't like

doesn't exist. Once our children leave the protection of the home environment for the world of school and peers, we have already lost a measure of control over what enters their minds. Indeed, even the television within our homes presents ideas we may not wish our children to have. I wonder just how carefully parents screen the programming to which their children are exposed.

We can do something, however. We can provide models for our children through our own behavior

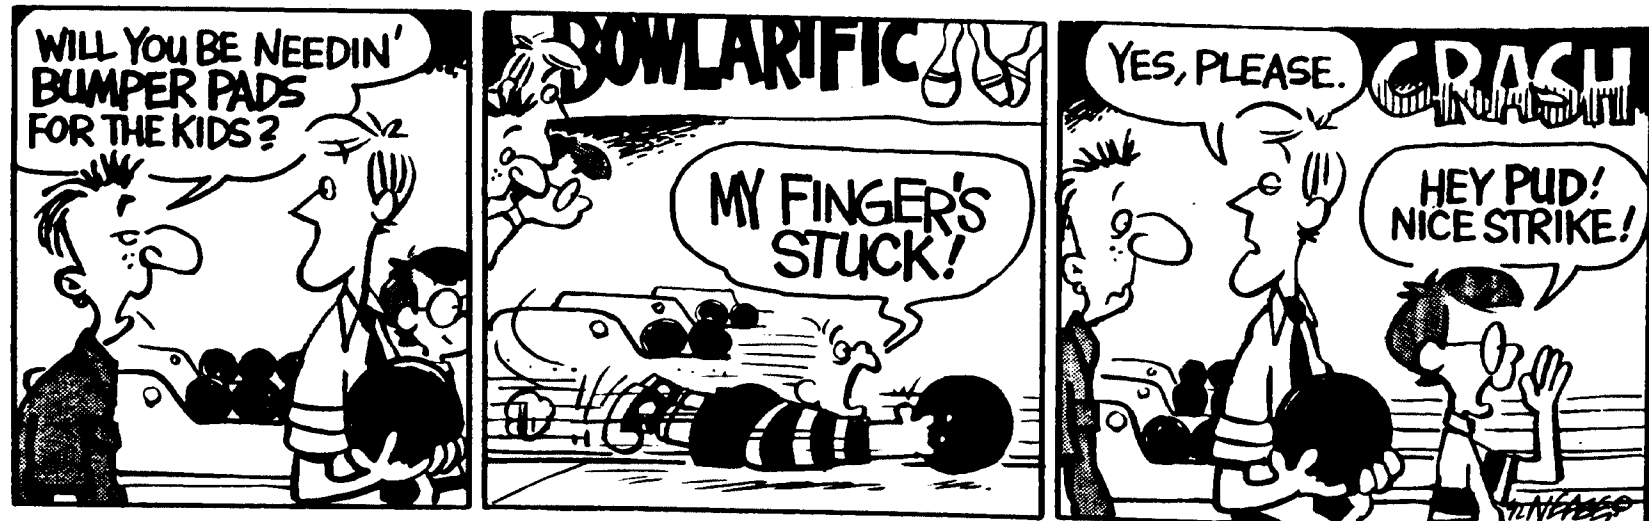

and keep the lines of communication open so that our children feel comfortable discussing their concerns. We can take the time to discuss with our children the programs they watch on television, the movies they attend and the material that they are exposed to in the school setting. In this way we can at least give them the balanced view we want them to have so that they will make informed choices and decisions.

Ernestine Vallee,
Pickering

Play ball! Sorry, not this season

To the editor,

The first baseball registration for the 1993 season in the Town of Ajax was held Feb. 6, 1993.

Due to a previous commitment that morning, I was unable to arrive at the Ajax Community Centre, the site of the registration, until approximately 9 a.m., well within the advertised guidelines of the 8 a.m. until 12 noon.

Upon arrival, I was informed that my youngest son's age group (10) was full and that there was a long waiting list.

Now, for the past 19 years I have lived in and paid property taxes in the Town of Ajax. Also, for the past 14 years I have willingly volunteered my time and money for various organizations within Ajax. This includes years of being convener for baseball and hockey, working with other com-

munity groups and, for the past few years been in charge of assigning referees for all O.M.H.A. games in Ajax.

Also for the past 14 years, my sons have been registered every year and have played baseball and hockey at both the house league and Rep level.

It is my feeling that every young child in this country should be able to play organized baseball in the summer if they are as keen and interested as my 10-year-old son is. When we told him that it was very unlikely that he would be playing baseball this summer he was very upset and could not understand why he would not be able to play his favorite sport, one that he has been involved in since he was five years old.

Surely, the Ajax Minor Baseball Association could come up

with a different method of registration where families that have been actively involved in previous year's baseball, and who wish to, have the opportunity to pre-register at the end of the baseball season in the fall or at an advanced registration in the early spring.

I realize that I have failed miserably as a parent, by not being in the lineup at 5 a.m. to register my son for baseball, and now my son won't be able to play this year.

I also realize that 30 to 40 hours a week that I now spend on minor hockey and other community projects could be better spent as quality time at home.

As a result of this, it is my decision, regrettably, to no longer volunteer my services in any future Ajax sporting activities once my term as referee allocator is complete for this year.

Ron Sharpe,
Ajax

Hydro employees have 'grave concerns'

FROM PAGE A1

being affected one way or another."

Locally, 3,000 Hydro employees work at the Pickering Nuclear Generating Station, which is cutting its budget by \$10 million per year for the next five years. Another 300 people work at Hydro's eastern nuclear services

office in Ajax. It will likely be summer before employees know their job status, when details and the full impacts of the restructuring are expected to be known.

The employees' union has "grave concerns" with the impending overhaul. "The cuts are simply too much too soon," said Peter

Kelly of CUPE Local 1000. "Less drastic budget cuts combined with realistic staff reductions" could ensure stable electricity rates.

Ontario Hydro is Pickering's largest employer and pays the Town \$3 million annually in taxes.

Other highlights of Tuesday's announce-

ment include:

- A 25 per cent reduction in operations, maintenance and administrative costs;
- Stringent restrictions on hiring and an \$80-million reduction in non-salary payroll costs, such as health and dental benefits, leaves of absence and overtime pay.

Public school budget meeting set for tonight

FROM PAGE A1

June. Because the cut wouldn't be introduced until September, the board would save money over just four months in 1993.)

At Monday's regular board meeting, finance committee chair and Pickering trustee Ruth Ann Schedlich noted the board doesn't have to pay for transportation to and from school, though it has chosen to do so in the past. Transportation will still be provided to students in Pickering because that town doesn't yet have a full transit system.

Trustees narrowly upheld the finance committee's proposal to cut in half a family studies and design technology course for Grades 7 and 8 students.

Though the move will see a savings of almost \$188,000 this year and an annual savings of almost \$470,000, eight of 19 trustees opposed the cut.

"Why on earth are we cutting it?" argued vice-chair and Whitby trustee Patricia Bowman, who suggested the course wouldn't have been offered in both Grades 7 and 8 if it wasn't needed and criticized not using valuable equipment to its fullest.

Trustee Tanya Koch, also from Whitby, criticized cutting the course in half because it would mean a savings of just \$3 to each taxpayer.

Meanwhile, trustees agreed to

cut class sizes for Grades 1 and 2 classes from ministry of education guidelines of 24 students per teacher to 20 in order to collect a special provincial grant for doing so. The board now averages 21 students per teacher and reducing class sizes further would add almost \$493,000 to its coffers in 1993 and \$1.2 million annually.

But some fear that move will add undue strain to a system which will already be stretched to the limits because of a proposed cut of about 27 elementary and secondary teachers and 25 special education teachers.

Reducing class sizes means teachers at some schools may be pulled from higher grades to lower grades, resulting in larger classes from Grades 3 to 8.

Instrumental music, outdoor education, broad-based technology, and the remainder of the family studies and design technology course could be on the chopping block when budget talks resume tonight at 7 p.m.

The public is welcome to attend the meeting which will be held at board headquarters, 555 Rossland Rd. W., Oshawa.

Last year, the board passed on the lowest tax hike since 1974 when it approved a budget of \$358.1 million. The average increase to all taxpayers was 3.67 per cent.

Important safety notice from Inglis and Sears Canada

Inglis has announced a refrigerator manufacturing problem which may affect some of our Kenmore models, produced between 1978-1986. The problem involves an electrical connection to the butter conditioner and switch that may deteriorate over a period of years, causing overheating and possible ignition.

Inglis has set up a toll-free number and will be servicing all affected refrigerators, including the Kenmore models. At Sears, we are doing everything we can to support Inglis and ensure that this problem is corrected quickly. Although the chance of an accident is minimal, we want to make our customers aware of the potential hazard, and urge you to call Inglis and arrange to have the necessary service work done, at no cost to you.

You need only call Inglis if your Kenmore refrigerator meets all of the following criteria and matches one of the model or type numbers listed below.

The affected models are:

- 13 and 15-cu. ft. in size
- 2-door models (freezer on top)
- Equipped with an electric butter conditioner with a switch on its door
- 7 to 15 years old (manufactured between 1978-1986)

If your refrigerator meets all of the above criteria, you should check its model and type numbers to see if they match the model and type numbers listed below. These numbers can be found on the data plate in one of two places: below the refrigerator door, behind the front grill (you will have to remove it), OR inside the fresh food compartment (crisper) on the interior wall. If the model or type number of your refrigerator is not listed below, then your refrigerator does not have this potential problem.

TYPE NUMBERS: FIP1, FIP2, MODEL NUMBERS LISTED BELOW:

Women honored for achievement

PICKERING - Three Pickering women were honored with awards Monday in recognition of their contributions to the community.

The awards, presented in council chambers to mark International Women's Day, went to Marie Rabson, Anne Bridge and Katherine Murray.

Ms. Rabson, the first female president of The Royal Canadian Legion, Bay Ridges Branch, is described in a Town press release as a "role model" for the branch's female members. For the past 25 years, she's worked with the Canadian Red Cross Society; she also sits on the Town's Canada Day committee; and has lent her organizational skills to Big Brothers, Big Sisters, various seniors' clubs, and children's programs. She is also involved in working with the disabled.

Ms. Bridge was honored for athletic achievement, having competed in Masters Synchro Swimming since 1983. She has won gold, silver and bronze medals in national and provincial swim meets and has volunteered in judging and coaching young swimmers. Called "a role model and motivator" for young girls in

water sports, she was recently acknowledged by the Ontario Secondary School Teachers Federation at an International Women's Day celebration.

Outstanding achievement in the area of environmental issues prompted the award to Ms. Murray, a "motivating force" in the Rougemount Community Association. She has been an advocate for the preservation of natural and cultural heritage; represents Pickering on the Rouge Park Advisory Committee; and has been at the forefront of a battle to save the Altona Forest from development. She is said to work "tirelessly" on behalf of the community, earning the gratitude of neighbors and the respect of politicians and Town staff.

Going one step beyond blue box

In Halton Hills, a unique Community Resource Centre called Wastewise provides opportunities distinctly different from traditional waste management methods.

I visited this reuse/recycling/educational warehouse and it was well worth the effort. Basically, all kinds of clean unwanted articles are donated, sorted into categories, then either sold by the pound or recycled. There are sections for fabrics, wallpaper rolls, books, household articles, toys and games, sports equipment, clothes and many more.

Another component of Wastewise is its repair area. With the help of seniors and other community members, items are tested and repaired, if possible. Parts are salvaged for other use or stripped for recycling.

Its community perspective of the waste issue creates local opportunities which make perfect sense, such as providing broken appliances for a high school repair course or using shredded paper

from one business as packaging material for another.

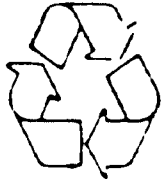

Finally, Wastewise is a depot for many recyclable materials that the blue box program does not accept. These include: eight grades of paper, five grades of plastics, scrap metal and textiles.

It accepts small quantities from all waste generators. For the dedicated recycler, Wastewise will collect paper, boxboard, film canisters, scrap metal, prescription bottles, corks, elastics

and bread tabs, to name just a few. Cleanliness is emphasized as they need to separate materials accurately which is the key to maximizing revenue and gaining the confidence of the end users.

Wastewise is a step beyond the blue box that can be incorporated into any community. If you wish to investigate setting up this type of service in your area, Wastewise will supply you a detailed description of how its plant operates. Just call (416) 873-8122 or write 36 Armstrong Ave., Georgetown, Ont., L7G 4R9.

Recycler's Report

LARRAINE ROULSTON

□□□

Mobile Vacuum has just relocated to the plaza on the southeast corner of Kingston Rd. and Rougemount Dr. Owner Michael LeBlanc says, "We are pleased to have a greater area to display our selection of good quality used vacuums." The store also accepts parts to rebuild vacuums and for recycling.

The plaza also includes John-vince bulk store and a tailor. Reid's Dairy will accept poly film from its milk bags for recycling. And, you can get 10 cents off a beverage at the cafe section of Bakery Plus if you take your own coffee mug. When shopping, reuse your own bags.

Cops hunting Boxing Day butt pinchers

By SGT. GRANT ARNOLD

Durham Regional Police
DURHAM - Crime Stoppers and Durham Regional Police are asking for the public's help in solving a break, enter and theft in Oshawa on Saturday, Dec. 26.

Just after 1 a.m., burglars entered the Shoppers Drug Mart at 199 Wentworth St. W. by smashing a four-foot by six-foot east window. Once inside the store, the bandits removed a large quantity of cigarettes and loaded them into a newer black sports car with tinted windows. The suspects then drove west through the parking lot and then southbound on Cedar St.

Crime Stoppers is asking anyone with information on this crime or any other serious offence to call. Durham Region businesses have had cigarettes swiped on several recent occasions and police welcome any information regarding these break-ins. As a caller, you will not be asked to identify yourself or have to go to court.

A cash reward of up to \$1,000 is being offered if your information leads to an arrest.

The Crime Stoppers phone number is 436-8477. That's 436-TIPS.

The reward money is raised through tax-deductible donations which may be sent to Durham Regional Crime Stoppers, P.O. Box 54, Oshawa, Ontario, L1H 7K8.

□ □ □

Sgt. Grant Arnold is the coordinator of Durham Regional Crime Stoppers.

Kidney disease fight needs helpers

AJAX-PICKERING - Kidney Foundation of Canada volunteers will canvass door to door in Ajax and Pickering during March.

The money raised will be used for kidney disease research,

patient services and public education programs.

Foundation volunteers will solicit donations at the Pickering Town Centre Saturday, March 27.

The foundation hopes to raise

\$4,000 in Ajax and \$4,500 in Pickering.

More volunteers are sought to help the foundation reach its goals. If you'd like to volunteer some time, call 445-0373.

Kmart celebrates birthday

PICKERING - Kmart Canada Ltd. will celebrate 30 years of retailing with a birthday bash at all of its 124 stores, including the Pickering Town Centre outlet, on Sunday.

Everyone's invited to take their families and enjoy the free festivities March 14. Goodies include birthday cake and commemorative gifts such as baseball caps, balloons, buttons and T-shirts.

Children will be entertained with a coloring contest and a clown. In-store savings will also be featured, with "Blue Light Specials" every 30 minutes. Coffee will cost just 30 cents at the Kmart restaurant and, if March 14 is also your birthday, Kmart will give you a \$5 gift certificate.

"It's our way of saying thanks," says Kmart president and CEO Donald Beaumont, who will cut a birthday cake at the Pickering Town Centre store at 2 p.m. "We want to show our appreciation to all the people who've supported us for the past 30 years."

Kmart Canada opened its first store in London, Ont., in 1963. Now in the second year of a five-year, multi-million-dollar renewal plan, Kmart sales have increased more than 15 per cent in the last quarter of 1992 in its "renewed" locations, and more than six per cent nationwide.

PICKERING 2020

? Have you ever wondered what the Town of Pickering will be like in the year 2020?

? What planning issues and priorities should the Town address over the next few decades?

Help shape your Town's future.

Find out about the Town's review of its official plan.

At the Planning Committee meeting of Thursday, March 25, 1993, in the Council Chambers of the Pickering Civic Complex, One The Esplanade, Pickering, at 7:30 p.m. or soon thereafter, Planning staff will present an overview of a Report to Council on the Status of the Pickering District Plan Review and "Backgrounder Number One". The Backgrounder will be a comprehensive document outlining the emerging planning issues and priorities identified to date through the official plan review.

You are invited to attend this public meeting and provide comments on the Review.

Copies of the Planning Report and the Backgrounder will be available from the Planning Department on or after March 22, 1993 and at the meeting.

If you know of someone who may be interested in attending this meeting, please share this information with them. For further information, please contact Miss Catherine Rose, Manager, Policy Division of the Town Planning Department at 420-4617 or 683-2760.

Dunbarton wrestler province's best

By AL RIVETT
Sports Reporter

AJAX-PICKERING - A Dunbarton High School wrestler is number one in the province.

Chad Pearson, 18, of Pickering earned that distinction by winning the gold medal at the Ontario Federation of Schools Athletic Association (OFSAA) Wrestling Championships at the University of Windsor last Thursday and Friday.

Competing in the 61-kilogram (134-pound) weight class, Pearson made it to the gold-medal final after a tough tussle in three preliminary matches and a semi-final contest.

Contacted at Dunbarton Monday morning, the Grade 13 student was still in awe after winning the gold medal.

"It's something I've never felt before, but it felt great," says Pearson. "But, I've worked hard for it; it's something I've really wanted."

In the final match, Pearson romped to an 11-2 win over Anthony Santaguida of Bishop Ryan school of Hamilton to capture the gold medal.

Pearson says his OFSAA gold-medal match was his finest of the season. He credits his coach

Stan Tsogas for getting him mentally prepared for the encounter.

"I was really psyched up for that match. In the other matches, I felt I was slow and nervous, but my coach calmed me down," says Pearson. "It was my best match I've wrestled all year. Everything went smoothly and I was thinking really well. My coach told me to stay on him constantly and once I got a three-point lead on him he would break."

Pearson wrestled three times in the first day of the OFSAA competition. He won easily in his first match 13-1 over a Hamilton-area grappler. He then met Andy Lalonde of Sudbury and in a close match, emerging with a 7-5 win. Pearson ended the day by beating John Richard of Guelph 6-4 to advance to the semi-final on Friday.

In the semi-final Friday, Pearson faced Sean Fitzgerald from northern Ontario. Pearson led 3-1 late in the match, but Fitzgerald scored two points

in the last two minutes to tie the match and sent it into overtime. However, Pearson threw Fitzgerald for three points to win and advance to the final.

Incidentally, Pearson never surrendered a point in wrestling to titles in his weight class at two subsequent OFSAA qualifying meets — the LOSSA championships and the Durham-York championships. He also won titles in his weight class at the Matmen Invitational in Brampton, the Chinguacousy Invitational, the Durham Classic and at an NCAA-style meet at Thompson, Ohio.

Dunbarton sent three other wrestlers to OFSAA. Sean Pierson (141 kilos) was knocked out of contention early in the competition. Bruno Azevedo (wrestling in place of his injured brother Richard) finished in the top eight in the 127-kilo weight class, a big accomplishment for a first-year wrestler. Zach Ledoux (134 kilos) wrestled and lost two matches in the double-knockout event.

Meanwhile, Ajax High School's Peter Thompson (209 kilos) was one win away from finishing in the top six in his weight class. Matt McLean (119 kilos) and Brandon Northrup (159.5 kilos) finished in the top 12 in their respective divisions.

Chad Pearson

Lockett locks up swim title

PICKERING - A Pickering swimmer ruled the pool at the provincial championships in Brantford on the weekend.

Mike Lockett, 12, a member of the Pickering Swim Club, finished in top spot in the 200-metre backstroke at the Provincial Age Group Championships March 4 to 7.

The Pickering swimmer dominated the race from start to finish, hitting the wall in a time of two minutes 22 seconds — just off the national record for the 12-and-under boys' division.

More than 70 swim clubs and approximately 700 swimmers from across the province competed in the four-day high-level competition.

Lockett also garnered a silver medal at the provincial championship after finishing second in the 100-metre back-

stroke. He was also fourth in the 50-metre freestyle, fifth in the 200-metre individual medley and seventh in the 100-metre breaststroke.

Courtney Mitchell, 14, posted provincial standard times in two events at the championships. She swam the 100-metre backstroke in 1:12 and the 200-metre backstroke in 2:33. Her times qualified her to compete in the upcoming Eastern Canadian championships this summer.

Also competing in the championships for Pickering were Suzanne Pietschmann, 14, who dropped her time in the 100-metre breaststroke; Chris Mendes, 12, (100m breast); Holly Miller, 10 (50m back); Devon Ackroyd, 9, (50m back, 50m breast); and Jordan Bell, 9, who swam in the 50m free in a personal best time.

Mike Lockett

Pickering High cagers advance to provincials

AJAX - The Pickering High School Trojans senior basketball team is set to begin its quest for the holy grail of hoops — the provincial title.

The Trojans start action at the Ontario Federation of Schools Athletic Association (OFSAA) senior boys' 'AAA' basketball championships at McMaster University in Hamilton on Thursday afternoon.

Pickering plays Brantford St. John — the number-14 ranked team in Ontario — in its opening game at OFSAA.

To move on to OFSAA, the Trojans won the Durham York Secondary Schools Athletic Association (DYSAA) championship over Vaughan 64-50 at Durham College Saturday night.

Trojans' coach Ron Parfitt notes his squad had a relatively easy time against the York Region representative in the DYSSAA final.

"We played very well. We controlled the game the whole time," says Parfitt. Stuart Hart came off the bench and

contributed in a big way, scoring 20 points to lead the Trojans.

In the DYSSAA semi-finals, played Thursday at Durham College, Pickering High got by Bayview High School 52-43, sparked by Ryan Sanders' 24 points. Meanwhile, Vaughan beat Ajax High School 76-65. Jeremy Wall and Paul Weekes each scored 20 points for Ajax.

Parfitt says the Trojans will need an all-out effort from the starters to do well at OFSAA. He singled out point guard Jason Baker as a pivotal player against Brantford St. John, which is fond of using a press. "He's got to move the ball up court quickly."

Glen Bancroft and Kirk Salesman, the top player in the LOSSA loop this year, will be counted on for their rebounding abilities in the offensive zone. Vince McDonald will be expected to neutralize the opponents' top guard, while the scoring prowess of Ryan Sanders, the second leading scorer on the team, will also be needed by the Trojans.

Up for the shot

Ajax High School's Jeremy Wall goes up to shoot during Durham-York senior semi-final action at Durham College Thursday. Ajax lost to Vaughan 76-65.

Sports Digest

Ajax Warriors capture indoor soccer crown

AJAX - The Ajax Warriors Lennox Drum under-11 boys' indoor soccer team captured the title of the Scarborough Indoor Soccer League.

The Ajacians pinned down top spot after a come-from-behind 3-3 tie with Agincourt on Feb.

27. The draw stakes the Warriors to an insurmountable five-point lead over second-place Wexford with two games remaining in regular-season play.

Scoring for Ajax were John Reid with a pair and Tayo Akinbiyi with a single.

The Warriors currently have three players in the top four in the league's top scorer standings. Akinbiyi is in second place, John Reid holds down third, while J-D Murphy is in fourth spot. Jamaar McLeggan has been a stand-out in goal for the Warriors.

Following the final two league and playoff games, the Warriors will hold tryouts for the outdoor rep team. Any interested players born after Aug. 1, 1982 can contact Dave Murphy at 428-1066.

Novices dominate

PICKERING - The Pickering Donut World novice 'B' ringette team captured the title at the recent 15th annual Pickering Ringette Tournament.

Facing Ajax in the final, Pickering claimed the division crown with a 10-1 win.

Lyndsay Civello scored three goals. Christine Axe, Stacey Armstrong and Karen D'Alimonte all scored a pair of goals, while Melanie Curran had one. Assisting were Axe and Jenna Clements with three apiece, Civello and Amy Edwards each with two, and Courtney Puddister and Stacey Armstrong each with one.

Pickering swept to first place in round-robin play, winning all four games. Pickering defeated Ajax 5-2, Whitby 10-2, Markham 6-0 and Cambridge 12-1.

Super goaltending was provided by Melissa Meikle with the help of defencemen Tiffany Thompson, Chelsey Emslie, Wendy Taylor, Puddister and Clements. The forwards are Civello, Axe, Armstrong, Curran, Edwards and D'Alimonte.

Players sought

AJAX - A squirt boys' rep softball team is being formed for this summer, and players are welcome to try out for the upstart squad.

Boys born in 1981 and 1982 interested in trying out for the Ajax rep team which will compete in the York-Durham Softball League can call Terry at 686-8140 or Susan at 686-4374.

Cost to register is approximately \$50.

Dunbarton junior girls down DO'C for volleyball crown

By AL RIVETT
Sports Reporter

AJAX-PICKERING - The Dunbarton High School Spartans junior girls' volleyball team was at the top of its game at the Durham-York championships in Aurora last Thursday.

The Spartans turned the tables on their old nemesis from Denis O'Connor High School in the Durham York Secondary Schools Athletic Association (DYSSAA) championships.

After dropping the first game of the DYSSAA final to DO'C 15-11, Dunbarton rebounded to win the next two games 15-5, 15-8 to win the title at Dr. D.W. Williams High School in Aurora.

DO'C had previously upset Dunbarton in the Lake Ontario Secondary School Athletics (LOSSA) championships at Pine Ridge Secondary School in Pick-

ering in late February.

Since that February show-down, the Spartans were eager to get another crack at DO'C, says Dunbarton coach Janice Wingrove.

"We had beaten them in a tournament before, so we knew we could beat them if we played well," says Wingrove. "They played as well as they could play. The fact that everyone on the team contributed made it even more gratifying."

To advance to the final, Dunbarton defeated the host Dr. D.W. Williams school 15-10, 15-0. DO'C downed the other York Region representative in the other semi-final.

Meanwhile, the Spartans senior girls' volleyball team didn't have the same kind of luck at DYSSAA against its old nemesis — the Anderson Collegiate

Raiders from Whitby.

As was expected, both Dunbarton and Anderson advanced to the DYSSAA championship — a repeat of the LOSSA championship title match. Once again, Anderson emerged victorious 15-12, 15-9.

"It was close, but we just didn't hit well," says Spartans coach Jim Higgs. "We defended well, but unforced errors killed us."

Unfortunately, only Anderson will advance to the Ontario Federation of Schools Athletic Association (OFSAA) championships this week. Both Dunbarton and Anderson are ranked in the top three in the province.

Dunbarton defeated St. Roberts of York Region 15-11, 15-10 in one semi-final, while Anderson downed Markham District Secondary School in the other semi-final match.

Members of the Dunbarton junior girls' volleyball team are Michelle Brace, Erin Latimer, Angela Lafosse, Jennifer Taylor, Amanda White, Jacqueline

Mitchell, Kris Schwartz, Michelle Carpenter, Lindsay Wells, Miwa Aoki, Trish O'Brien, manager Tracy Chung and coach Janice Wingrove.

The Dunbarton senior girls'

volleyball team is made up of Sarah Farmer, Julie Cunningham, Jen Law, Kathy Hurren, Tina Armstrong, Sarah Ambler, Jen Ellis, Julie Marvin and coach Jim Higgs.

Ajax ringette novices drop final

AJAX - The Ajax Lions Club novice 'B' ringette team ended up as runners-up at the recent Gloucester Ringette Tournament.

The prestigious tourney attracted teams from as far away as Alberta and Nova Scotia to Gloucester, near Ottawa.

Ajax won its way to the championship final of the six-team novice 'B' division. In the title contest, Ajax met Green's Creek, near Ottawa, and were defeated by a 6-3 score.

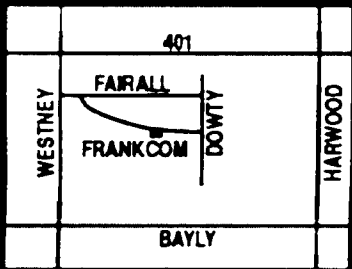

Cheryl Noonan led the team in scoring during the tournament. Kelly Hart had a fine effort on defence and Lindsay Jewel had a solid tourney in goal.

Team members are Kristina Carroll, Alison Fair, Leighann Genuis, Kelly Hart, Erin Hartley, Lisa Howard, Lindsay Jewel, Cheryl Noonan, Virginia Ogilvie and Katie Watts.

PLANT A TREE - GROW A FUTURE!

Did you know that in Ontario there are 300,000 landowners who own five hectares or more, for a total of more than 20 million acres? About 3.3 million acres are wooded and at least two million are idle and could be put to work growing trees.

There are so many reasons to plant trees.

BEAUTY

Individual trees and forests add beauty to the landscape. Different colours, shapes, ages and sizes add variety to our neighbourhoods.

ANIMALS

Trees provide food and shelter for many species of wildlife. Different animals have different needs when it comes to trees and forests. You can choose species of trees with a view to helping wildlife.

SOIL

Plant trees for protection from soil erosion. A wind barrier of trees can protect soil for a distance of 10 times the trees' height. Tree roots help hold soil in place, while the leaves and twigs mix with the soil to add to its nutrient levels.

AIR

Trees use carbon dioxide from the air to produce oxygen. One hectare (2.5 acres) of trees will take up 4,000 kilograms of carbon

dioxide per year. It is said that one family can offset their carbon dioxide production by planting eight trees a year.

NOISE

Trees help reduce noise by breaking up the sound waves. A 100-foot (30-metre) strip of trees reduces sound by 6 to 12 decibels, a definite help for a property adjoining a 72-decibel highway.

WOOD

Wood is used for making more than 5,000 things, from apple boxes to zoo fences. It can be made into paper, cellophane and rayon. Wood can be carved, sawed, nailed, painted, stained, repainted and restained.

PROPERTY VALUE

Many homes look barren until a tree or two is added to the garden. An idle, empty field will be more useful and productive if it supports a crop of trees.

Let's plant trees! For us, our children, our future.

For more information concerning tree planting, please contact one of the following organizations: your local Ministry of Natural Resources Office, your local Member of Landscape Ontario or the Conservation Authority Office nearest you.

Ajax hosts massive ringette tournament on weekend

AJAX - Ajax teams won their share of the hardware at a tournament here this past weekend.

More than 40 teams competed in nine divisions at the 21st annual Silver Ring Tournament in Ajax March 2 to 7.

The event attracted teams from across Ontario, including squads from as far away as Lambeth, Stratford, London, Almonte, Kingston, Ottawa and Kirkland Lake.

Ajax had four teams advance

to their respective division finals, with the Ajax belles recording the lone gold-medal victory, by defeating Whitby 4-1. The Ajax bunnies, petite 'B' and petite 'C' squads had to settle for the silver medal.

An Ajax bunny ringette player battles for the ring with a London player during action at the Ajax Silver Ring Tournament. More than 40 teams participated in the five-day event.

Brenda McBride and Lisa Surcon scored two goals each for Ajax belles. Assisting were Kim McIntosh, Sarah McIlveen and Laura Hampton, all with one each.

The Ajax petite 'B' squad lost to Scarborough 7-3 in the final on Sunday.

Christina Arnold, Heather Smith and Shannon Comeau connected for the Ajax goals, with assists to Tracy Stubbs, Kelly Forsythe and Heather Smith.

Meanwhile, the Ajax II bunny 'C' team was defeated by Pickering 12-7 for the gold medal.

Katie Watts scored four goals for Ajax, with Lindsay Blakey adding three goals. Earning assists were Melissa Ogilvie and Amanda Spanger.

Melissa Gibson scored five goals to lead Pickering to victory. Bobbie Axe, S. Assenza and Rachel Spurs each counted two goals, while Nicole LaRochelle notched a single.

The Ajax petite 'C' team were edged by Guelph 5-4 in the final.

In other division final results, Whitby defeated Forest 8-0 in the novice 'C' division; Ottawa nipped Pickering 5-3 in the tween 'A' division final; Forest defeated Almonte 7-4 to win the tween 'B' title and Warkworth doubled Forest 8-4 to capture the tween 'C' division crown.

All games were played at the Ajax Community Centre and at the Pickering Village Arena.

Ajax axed from playoffs by Markham Waxers

AJAX - The Ajax Axemen were eliminated from post-season play after losing to the Markham Waxers in Ajax Sunday.

The Axemen dropped game four of the series 7-4 to the Waxers at the Ajax Community Centre as Markham captured the best-of-five Central Ontario Junior 'A' Hockey League Eastern Division quarter-final series three games to one.

The contest was closer than the

score indicated as the Axemen closed to within one goal of the Waxers who led 5-4 early in the third period.

However, penalties played a role in the outcome as more than 60 minutes of infractions were called against the home team.

Axemen head coach Larry LaBelle says the officiating destroyed what could have been a more exciting game. Sunday's

contest was "one of the most poorly refereed games I have ever seen. There was no opening for us to get back into the game with all the penalties."

Markham opened up a 6-4 lead at the 5:51 mark of the third period and added an empty-net mark-

er with 50 seconds remaining.

The Axemen forced game four in the series after pulling out an exciting 7-6 victory over the Waxers in Markham Friday night.

Scoring for the Axemen in Sunday night's game were Don Curran with two goals and singles to J.P. Latreille and Aaron Saul.

LaBelle calls Axemen's second year at the junior 'A' level a success. The club made the playoffs despite a constant rash of injuries through much of the season.

While it may be too early to tell, LaBelle expects 10 to 12 players back for next season.

All eyes on the Brier this week

By JIM EASSON

Special to the News Advertiser
AJAX - Local curling enthusiasts are currently taking in the top curling event in all of Canada this week in Ottawa.

The 64th edition of the Canadian Men's Curling Championship got under way in Ottawa March 8. The competition should be awesome as 10 of the 12 participating rinks have members which have competed in the Labatt Brier before.

Russ Howard of Penetanguishene is carrying the colors for Ontario — his seventh trip to the Brier. The winner will be decided Sunday, March 14. The Canadian champ will then represent the country at the World Curling Championship in Geneva.

Switzerland March 28 to April 4.

Some local people have travelled to Ottawa to view the event. Perennials Tish and Jack Rauch, Eleanor Payment and Paul Bourque — all from the Annandale Curling Club — will be in the stands during the week.

Annandale has the Wayne Warren bantam mixed team competing for the Ontario Curling Championship at the Ontario Winter Games in Cornwall March

11 to 14.

There are seven teams competing in the round-robin match at the championships.

The Warren rink has Kim Bourque playing vice, Mathew Broga at second and Michelle Klepadlo at lead. Missy Durand, an alternate in their regional victory, has to watch from the sidelines as no fifth players are allowed.

The bantam division is for players under 16 years of age at the start of the year.

Ajax tykes tops at tournament

AJAX - The Ajax/Village Belamy's tyke 'A' house league hockey team blasted a squad from Keane, Ontario to capture the 'B' championship at the recent Hastings tournament.

The Ajacians had their offence in high gear in the final, overpowering Keane 13-0 to take the championship trophy. Leading the way were Ryan Robar with five goals and three assists and Colin Brunet with a hattrick and three assists. Alex Parker and Joey McColm each had a goal and two assists, Sean Cunningham a goal and an assist and Danny Park, Daniel Dempsey and Shane Stapleton with single markers. Brandon Hutton had three assists while Tory Guarrasi, Derek Kelloway, Mike Serio and Chris McClatchey had one helper apiece. The Ajax MVP was Alex Parker.

In the first game, Ajax lost to Frankford 6-3. Robar scored twice, while McClatchey notched the other marker. Assisting were Parker with two, Guarrasi, Brunet, Cunningham and Michael Eagles all with one apiece. Robar was the MVP for Ajax.

To get to the final, Ajax crushed St. Anne's of Peterborough 13-1. Robar led the way with an 11-point game, netting six goals and adding five assists. Stapleton and McColm each connected for two markers. Parker scored once and added an assist. Serio added the other goal. Cunningham contributed two assists with singles to McClatchey, Kelloway, Guarrasi, Park and Brandon Hutton. Daniel Dempsey was the MVP.

Other team members are John Hassell and Teren Conboy, who were absent for the tourney.

Dunbarton off to Eastern Region Drama Festival

DURHAM - Dunbarton High School is off to the show.

The local high school's theatre group won one of the three Durham Region Sears Drama Festival Outstanding Production Awards for its play *A Song For My Mother*.

The other winning entries were Port Perry High School's *Haiku* and Eastdale Theatre Company's *Timestep*. The trio of plays are off to the Sears Eastern Region Drama Festival in Cornwall on March 23.

The week-long Durham event featured 12 one-act high school productions, adjudicated in turn by educator, actor and director Herschel Rosen.

Here are the other results of the Sears Drama Festival held March 2-5 at Dunbarton High School in Pickering:

- Outstanding Productions (in order of presentation):
1. *Haiku*, Port Perry High School.
 2. *Timestep*, Eastdale Collegiate.

3. *A Song For My Mother*, Dunbarton High School.

Stage Management Award:
1. Dayna Coppins for Eastdale Collegiate's *Timestep*.
Awards of Excellence for performances:

1. Katie Talbot as Louise in Port Perry's production of *Haiku*.

2. Todd Mason, Jason Rumley, Phil Booker, Claire Loudon, Tara Haynes and Tiphani French of Eastdale in *Timestep*.

3. Sam Espie as Nancy in Dunbarton's *A Song For My Mother*.

Awards of Excellence for technical or artistic achievement:

1. Director Dana Broadway for Port Perry's *Haiku*.

2. Director Monika Reezniczek of Donevan for *The Women Of Troy*.

3. The Dunbarton theatre group for overall design excellence including sets, props, costumes with a special mention of the four masks.

4. Director Mark Hickox of Eastdale for *Timestep*.

5. Kevin McKague for sound

design and production in Eastdale's *Timestep*.

6. Author, director, actor Shawn Thompson for his versatility in Henry Street High School's *In Retrospect Of Thorns*.

Awards of Merit (in order of performance):

1. Jenny Dick as Petrone in Pickering High School's *Suicide In Bb*.

2. Clé Bennett as Robert in Ajax High School's *Advice To The Players*.

3. Michelle Flieler as Nell in Port Perry's *Haiku*.

4. Mike Fox as Pa in O'Neill Collegiate's *Limbo*.

5. Director Brent Wragg in O'Neill's *Limbo*.

6. The production staff in Donevan Collegiate's *The Women Of Troy* for the visual presentation of sets, costumes hair and makeup.

7. Shiraz Sheikh as French teacher in Dunbarton High School's *Colour/Color*.

8. Carissa Ball as the older Rose in Henry Street's *In Retrospect Of Thorns*.

9. Dave Weir, the author and director of Donevan's *A Friend, Esteem*.

10. Doug Jin as Harry Nash in O'Neill Collegiate's *Who Am I This Time?*

11. Karen Helm as Helene Snow in O'Neill's *Who Am I This Time?*

12. Bryan Stiles as Jack in Dunbarton's *A Song For My Mother*.

13. Adam Bennett for makeup in *A Song For My Mother*.

Wood carver Dorsey James will be among artists participating in the Pickering Arts Council's Spring Show and Sale March 20.

Art show, sale March 20

PICKERING - The Pickering Arts Council will host its Spring Art Show and Sale at the Pickering Town Centre Saturday, March 20.

Local artists will offer for sale original paintings, pho-

tographs and sculpture and will share tips with the public. The sale will be held from 9:30 a.m. to 6 p.m. on the lower level of the mall, near the food court.

For more information, call Maureen Killam at 509-2224.

At the movies...

Robert De Niro shines in Mad Dog and Glory

MAD DOG AND GLORY (AA): Robert De Niro stars as a gentle cop (nicknamed Mad Dog) who receives a strange thank you gift after saving the life of a tough gangster played by Bill Murray. The gift — one week with a woman named Glory (Uma Thurman). De Niro falls for Glory, despite knowing that he will have to fight for her. Interesting love story.

FALLING DOWN (AA): The day in the life of a laid-off defense worker (Michael Douglas), estranged from his wife and daughter, and driven beyond frus-

tration in an endless traffic jam. After leaving his car in the middle of the freeway, he crosses the city on foot leaving behind him a trail of destruction as his sanity begins to crumble.

GROUNDHOG DAY (PG): Bill Murray and Andie MacDowell star in this romantic comedy about a self-centred television weatherman, Phil Connors, who has only one day to live — over and over and over again. Sent once more to Punxsutawney, Pennsylvania, to cover the annual Groundhog Day festival, Phil finds himself stuck in time, endlessly repeating February 2. With no tomorrow to worry about, Phil becomes both master and victim of his predicament.

SOMMERSBY (AA): Set after the Civil War, Sommersby follows a man as he returns home several years after he was presumed dead. He arrives armed with ideas and vigor, and soon brings his town back to prosperity and turns his once-bitter marriage into a passionate romance. Despite his many accomplishments, suspicions arise that Jack Sommersby (played by Richard Gere) may not be the man he says he is. Stars Jodie Foster.

MATINEE (PG): It's flashback time as John Goodman plays a movie mogul trying to sell his B film, *Mant*. It also happens to be 1962 — the year of the Bay of Pigs Cuban missile crisis in Key West, Florida. Scary stuff.

SNIPER (R): Tom Berenger and Billy Zane find the jungles of Central America a landscape of action, adventure and suspense. The two men — a veteran marine sniper and his untried new partner — are not a match made in heaven and fight with each other more than the enemy.

AJAX HYDRO

Customer Services Supervisor

As part of our objective to achieve excellence in our relationship with our customers, we have created a new Customer Services Department. We are now seeking a motivated person to bring leadership and direction to this function.

The Department will be directly responsible for many aspects of customer liaison, including technical consumer information, energy usage and management, power quality, revenue metering, marketing and promotional functions, and community electrical safety. The Department will also oversee the customer related aspects of other departments, such as Billing and Construction.

The Supervisor we now hope to find will be an individual who has obtained an electrical degree through 2-5 years of post-secondary study, and who has already demonstrated exceptional interpersonal skills and an ability to communicate orally and in writing with peers and with customers, through Supervisory experience and direct customer contact.

A self-driven person, they will need only limited direction from the General Manager to achieve their goals.

If you feel you are this person, and would like to "show your stuff" in a bright, new and harmonious environment, please write in confidence to:

DENTAL OFFICE ANNOUNCEMENT

We at 927 Liverpool Rd. in Pickering, are thrilled to give our clientele a warm cozy atmosphere to experience the finest and most up to date dental techniques as well as the most modern sterilization techniques.

However for those who still require even more special care.

Dr. Marv Kay M.D. joins our staff to help you sleep like a baby, while you have your dentistry done.

Also joining our staff is Dr. Steve Goldman, (periodontist, a gum specialist) and Dr. David Eller (an oral surgeon.)

We also offer evening hours and Saturdays.
New Patients accepted
Emergencies seen immediately

REALTORS are keeping busy

The month of February was bush for Durham REALTORS as 317 homebuyers entered the market, reports the Oshawa & District Real Estate Board (ODREB).

"We are expecting a busy spring market, and February's statistics are showing a good increase, as opposed to January," says ODREB President Christine Kendall. "A government survey shows that over 2,000 homes were bought in Oshawa and the surrounding area by first-time homebuyers who took advantage of the five per cent downpayment policy since it came into effect last year, and I am sure this amount will rise once Spring has sprung", adds Kendall.

In February, 317 homes were sold, compared to January's 210. The average price has increased by three per cent to \$144,327. Statistics show that an average of 55 days was needed to sell these homes.

"The month also showed a considerable increase in the amount of listings available to interested homebuyers", says Kendall. "Close to 2600 homes are on the market throughout the Durham Region, with the median price being between \$120,000 to \$140,000. As you can see, the selection and the affordability is showing very positive signs", she adds.

The Oshawa & District Real Estate Board is a professional trade association which represents over 1,000 REALTORS in Newcastle, Port Perr, Oshawa, Whitby and Ajax-Pickering. REALTOR is a registered certification mark which identifies real estate licensees who are members of ODREB and as such abide by a strict Code of Ethics and Standards of Business Practice.

For more information contact Christine Kendall, President, 666-1333.

NOTE:

A component of ODREB's monthly surveys includes average MLS® "Residential" and "Other" prices. The Board cautions that only over a period of time are these averages useful for establishing trends and making comparisons. Average prices do not indicate actual prices in centres comprised of widely divergent neighborhoods.

Also, beginning January, 1993, the Oshawa & District Real Estate Board has developed a new process for statistical analysis. This includes the removal of sales of rental residential establishments from the statistics. Therefore, there will be a decrease in Residential Sales for each month, and a slight increase in Average Residential Price.

Anne & Dick Briscoe Congratulate Their 1992 Award Winners

CENTURION & GOLD CLUB AWARD 1992

FLORA WATERS*

The most prestigious award in the CENTURY 21 system is the coveted CENTURION Office and Sales Associate award. Only a very small percentage of all full time Sales Associates and Offices in the system reach CENTURION award status. All CENTURION award winners are recognized on-stage in an awards ceremony during the annual International Convention in front of 10,000 of their peers.
