HIGDON HOOKED ON FRENCHMAN'S BAY:

Pickering councillor Eileen Higdon has been recognized for her environmental work and efforts to preserve Frenchman's Bay. Mrs. Higdon was presented a plaque in council chambers Monday from the Metro Toronto and Region Conservation Authority in recognition of her "enthusiastic support" of the environment. Increasing public awareness of Frenchman's Bay through an annual festival and a storm-sewer marking program to protect the ecology are among her achievements.

3 hurt by fireworks

By JUDI BOBBITT
Staff Reporter

PICKERING - Canada Day celebrations here turned frightening when fireworks being enjoyed by thousands suddenly exploded in the crowd, sending three people to hospital.

The accident occurred near the conclusion of a giant pyro-musical fireworks display at Kinsmen Park on Sandy Beach Rd., during an annual

SUPPLIES LOW

Summer food drive launched

AJAX-PICKERING - A summer food drive is being launched by the Ajax-Pickering Community Food Bank due to dwindling supplies.

Both donations and volunteers are needed to make the drive a success and help local families put dinner on the table. The campaign will run from Thursday, July 15 to Thursday, July 22.

"The whole reason for it is to help us through the summer months until the next larger-scale drive at Thanksgiving," explains food bank coordinator Ginny Butler. "We really figured we'd make it through but there's no way."

Every week, between 80 and 90 families use the food bank, which operates out of St. Paul's on-the-Hill Anglican Church, Hwy. 2 west of Fairport Rd. in Pickering.

As well, a number of students who live on their own also turn to the food bank for help during the summer. The food bank has run out of some items altogether, and overall supplies are low.

Needed are non-perishable food items of all kinds, such as tinned pasta, tinned fruit and

vegetables, baby formula, soups, stews, pasta sauce, juice, sugar, flour, rice, powdered milk, peanut butter, desserts, coffee, tea, and cold cereal.

Volunteers are needed to help pick up and sort donations, and to hand out bags in local grocery stores to shoppers who will be asked to fill them. Those picking up and sorting food should be at least 18 years old. But younger children could help handing out bags in stores if a family wanted to work together, suggests Ms. Butler.

Participating grocery stores, where bags will be handed out, are also acting as drop-off centres for donations. They are, in Ajax, Food City at Harwood Ave. and Westney Rd.; and LOEB in the Baywood Plaza on Bayly St. In Pickering, participating stores are LOEB Glendale at Dixie Rd. and Finch Ave.; IGA, Bay Ridges Plaza at Bayly St. and St. Martins Dr.; and the Supercentre on Liverpool Rd. south of Hwy. 2.

Donations can also be taken directly to St. Paul's church.

To volunteer for the food drive, or for more information, call the church at 839-7909 or Ms. Butler at 831-1614.

Airport committee takes off

PICKERING - A committee to study the impact of the sale of airport lands was given clearance for takeoff by council Monday.

The nine-person committee is to report back to council within six

months, after looking at Ottawa's plans to sell surplus airport lands in north Pickering and how those plans will affect citizens, area businesses, infrastructure, planning and land use.

But the committee is a waste of time,

said Ontario Riding MP Rene Soeters in an earlier interview. The federal government has already approved the selling process of about 5,000 acres of property, he explained.

Appointed to the committee are resi-

dents Dennis Mann, Don Drake, Fred Beer, Bryan Hurtle, Al Graham and Joe Pacione. Other committee members are councillor Enrico Pistrutto, deputy director of planning Tom Melymuk and outgoing Town manager Noel Marshall.

GO fares rise as service falls

AJAX-PICKERING - GO Transit service cut-backs came into effect Saturday, while fares increased at the same time.

The only good news for commuters is that those who'd like to tote bicycles on trains are now allowed to do so during off-peak hours.

Pickering is now the end of the line for east-bound train passengers travelling outside of rush hours; buses carry commuters on to Ajax, Whitby and Oshawa.

During weekdays, trains run from Whitby to Union Station between 5:44 a.m. and 8:47 a.m. Anyone travelling to Toronto later in the morning will have to drive or take a bus to catch a GO train in Pickering.

In the afternoon, trains run from Toronto through to Whitby between 3:13 p.m. and 7:13 p.m., after which they terminate in Pickering.

While service levels were reduced, fares across the GO system were raised an average two per cent Saturday. A one-way adult fare to Union Station rose from \$3.85 to \$3.95 for Pickering residents; from \$4.40 to \$4.50 in Ajax; from \$5.05 to \$5.20 in Whitby; and from \$5.70 to \$5.85 in Oshawa.

Seniors, children and students will also pay more to ride GO Transit, although prices are still less than adult fares.

Bicycles are now accepted on trains anytime on weekends or holidays, and, on weekdays, between 9:30 a.m. and 3 p.m., and after 6:30 p.m. Four bikes will be allowed per car, says GO Transit information officer Tom Henry.

While GO's operating budget has been reduced, its capital funding has not been affected and construction is under way to extend railway tracks to Oshawa to provide train service to the Motor City.

Region gets funds to help keep ill, old at home

DURHAM - The Region has received close to \$1 million to set up a homemaker program designed to keep the frail, the elderly and the handicapped at home.

Ontario health minister Ruth Grier has announced her ministry has earmarked \$931,000 for the Durham District Health Council to put the program in place.

The health council would buy existing homemaker services offered through such non-profit agencies as the Saint Elizabeth Visiting Nurses Association, the Victorian Order of Nurses or the Canadian Red Cross.

People using the service need help with personal care such as dressing and bathing and they require assistance preparing meals, doing the laundry or shopping.

Durham is one of 18 communities to receive funding for the establishment of the homemaker program.

In making the announcement, Mrs. Grier said, "Extension of the integrated homemaker program to new sites means more Ontarians will now have access to services that enable people to stay in their homes and communities."

Jim Wiseman

Durham West MPP Jim Wiseman said he's pleased to see "our government ensuring integrated homemaker programs will be available to those who need them."

The \$19.5 million is part of the previously-announced \$133.5 million for expansion of integrated homemaker programs.

A total of \$647 million is being invested to create a more efficient, progressive, community-based system that will offer appropriate care everywhere in the Province, stressed Durham Centre MPP Drummond White.

Oshawa MPP Allan Pilkey said the health reforms "will result in a coordinated and integrated system built on the strength of our existing pro-

grams and services."

Durham East MPP Gord Mills said homemaking ser-

vices "sustain and expand" a family's capacity to care for its members in their own homes.

SELF-HELP GROUP TO THE RESCUE

When men are victims of abusive partners

'They reach out for a multitude of reasons. But it is hard for them because of the macho thing.'

By JOAN RANSBERRY
Durham Staff

DURHAM - Interest in a self-help group for men has skyrocketed since it was first introduced here last April.

Jeff Lunney, founder of The Curby Club of Durham Region, has been swamped with messages left on his telephone answering machine. Men call him from every municipality in Durham and from as far away as Bobcaygeon and Peterborough.

Men calling are from all walks of life. And, they include the very young and the not-so-young. "Our oldest member is 78 years old. The youngest is 20," says Mr. Lunney.

The purpose of The Curby Club is to "offer support for men who are suffering" from emotional distress and abusive relationships, explains Mr. Lunney.

Men seeking help are single parents, physically and emotionally abused, recently separated or divorced, singles dealing with problems linked to child custody and access, the judicial system or financial problems tied to marital break-up.

"They reach out for a multitude of reasons. But it is hard for them because of the macho thing."

Curby Club meetings are held at Christ Memorial Church at the corner of Mary and Hillcroft Streets in Oshawa on Tuesdays from 7 to 9 p.m.

The club's guest speakers deal with such issues as the emotional impact of marital break-ups and legal matters.

Durham Distress Centre gives out the club telephone number to men reaching out for help such as that offered by The Curby Club. And, doctors are encouraging men to call.

"This is one of a kind. To my knowledge, there's not another like it anywhere," says Mr. Lunney.

The Curby Club is not a place where men visit just to whine. "While it's set up to let men get

whatever off their chest, it's also geared to problem solving."

The name of the group stems from "men being left on the curbside".

"Men feel alone and frightened. It's such a lonely experience. Look at how society views men. There are six women's shelters in this area. But there are none for men."

Mr. Lunney's long-term goal is to open what he believes to be North America's first shelter for men. "We certainly need the shelters for women. As well, we need places of refuge for men."

Mr. Lunney has been divorced for three years. He is childless. "The problems men have with access to the children is astronomical. I had no idea. Sure there are some no-good fathers. But let's not forget there are some very good dads out there

too."

Club meetings are open to all men and only first names are used. "Our club is discreet. Your privacy is a right."

Many men are reluctant to come out to the meetings at first. "Once they come, they realize they are not alone with their feelings. They find out that others feel the same. That in itself is helpful. We are a self-help group. When a man listens to another man explain his situation, he can learn how to better deal with his own life," says Mr. Lunney.

While the club is growing in leaps and bounds, there's room for more.

Anyone interested in more information should call Mr. Lunney at 434-7056 (Oshawa), Steve at 723-4025 (Oshawa) or Neil at 839-2520 (Pickering).

Public transit: one step forward, two steps back

If you're feeling a little lost these days, it's little wonder. The provincial agencies which run our highways and railways, the very people who want us to get out of our cars and onto public transit are making it less attractive to do so.

For every step forward they take, they move two steps back. Take the past few days, for example.

The Province recently announced it's going ahead with plans to extend GO train service east to Oshawa. In fact, construction is under way on railway tracks to the Motor City.

Then, on Saturday, GO Transit's service cutbacks came into effect as its fares increased. Yep, as of yesterday, GO riders were hit with an average fare hike of two per cent. And, Pickering became the end of the line for eastbound train passengers travelling outside of rush hours; buses now carry commuters on to Ajax, Whitby and Oshawa.

During weekdays, trains run from Whitby to Union Station between 5:43 a.m. and 8:47 a.m. Anyone travelling to Toronto later in the morning will have to drive or take a bus to catch a GO train in Pickering.

All this comes at a time when the Province has just established a task force to look into better transit connections and fairer prices for commuters travelling between Metro and outlying communities. Commuters taking transit across municipal boundaries have never had it easy - often having to pay two fares, walk long distances and wait a long time for connections.

Better links between Metro and all outlying communities are a must if we are to get people out of their cars and using transit. The task force will work with commuters, municipalities and labor groups in an attempt to coordinate 17 transit services in the Greater Toronto Area.

How can the Ontario government expect a task force to coordinate 17 transit services when the Province can't seem to properly run one - GO Transit?

Is it any wonder that the ministry of transportation reports population in the GTA has grown 16 per cent since 1986, but transit use has declined 18 per cent in the same period?

That trend's going to continue until the people in charge of public transit get their act on track and give commuters reason to get out of our cars.

LETTERS TO THE EDITOR

It's just 'not fair'

Teacher voices concern over social contract framework

To the editor,
The following is a copy of a letter sent to MP Rene Soetens.

Dear Mr. Soetens,
As a member of the teaching profession in Durham, I am writing to voice my concerns regarding the Social Contract Framework Agreement Proposal presented by the Provincial government.

I am concerned about an increased pupil/teacher ratio in an already stressful environment, where much of a day is spent attending to behavioral concerns at the expense of curriculum, especially at a time when there is a public outcry about the quality of education. Students often arrive at school with a completely different agenda from that of the teacher's as a result of a) conditions at home e.g. physical, emotional, sexual abuse; lack of sleep; lack of good role models of social skills; parental conflict; poor economic situation; ill health; and b) exposure to violence in movies, television programs and video games. The addition of more students will only cause the "pot to boil over". Classrooms, particularly in the intermediate division,

are already over-crowded due to the size of the furniture and the sheer size of the young, growing bodies. The reality is a lack of physical space for greater number of students.

I am concerned about teacher burn-out given the current and proposed working conditions. Support services are being reduced yet the student population per teacher is increasing. It doesn't make sense. In the future, we can expect to pay for this lack of support in the form of criminal activity, and a drain on both the welfare system and other social services.

Teachers who are close to retiring will not only be penalized for the next three years; as pensions are determined by the last five years of service, these people (I, personally, am not one) will be affected for the rest of their lives. Some have worked for 35 years expecting a full pension upon retirement only to have it snatched away from them at the last minute. That's just not fair.

I have a family of five children to feed, clothe, and shelter. I have worked hard in the last four years,

taking courses to improve my professional and financial position in hard economic times only to be told, as I am ready to receive a change in classification, that the time and money spent will net me nothing. I could even live with that given the assurance that taxes and the cost for the goods and services I need to support my family would not rise either. Such is not the case. That's just not fair.

Today I received in the mail a bill for an additional \$150 to be added to the cost of the summer course I was planning to take and thought I had paid in full. It was difficult enough to come up with the \$500 plus in the first place; I can't think where I can scrounge up the extra money. That's not fair either.

Teachers do not get paid vacations; how, then, can they possibly take unpaid leaves of absence? Who will supervise the classrooms during the time they are absent - someone who will need to be paid? That just doesn't make sense.

Why bother with collective bargaining during the term of this Social Contract Agreement? There's nothing left to bargain for

that the government hasn't, with the stroke of a pen, already overturned. That, also, is not fair.

There are times when I am tempted to simply send what little is left of my pay cheque straight to the government with the provision that it feed, clothe, house and pay for the education of my children.

I do have a couple of suggestions as to how to increase the coins in the government's coffers and increase the credibility of politicians who repeatedly tell us to tighten our belts:

1) Insist that politicians pay 100 per cent income and all other taxes just like the rest of us have to do; and

2) Adjust the pensions of politicians, from a lifetime pension after only six years to one related to the time of service only, just like the rest of us.

Politicians, by setting up different rules for themselves, have alienated the very people who put them in government positions. Once again, that just doesn't make sense.

Ernestine Vallée,
Pickering

Richard Leary joins the 40 club

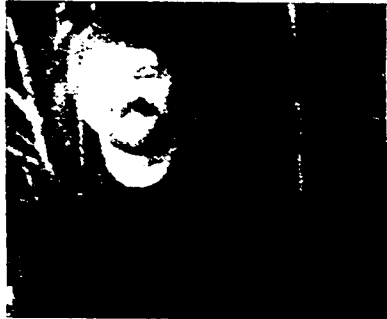

Name Dropping

KEITH GILLIGAN

Hello and welcome back to Name Dropping, the column that wants to wish a happy birthday today to the U.S. of A. and all our American friends. As a present, we're going to sign another trade deal and ship more jobs south of the border. Now, on to other matters...

There aren't 40 flamingos on the lawn, but Richard Leary is turning the big four-oh today, July 4. Wishing him a happy 40th birthday, with lots of love, are wife Jayne and daughters Amanda and Jodi. Also, best wishes from all his Banner Cres. friends...

Richard Leary

The little beauty in the White home turned one on June 26. Jessica Lillian White's Mommy and Daddy held a party at the cottage, with aunts, uncles, cousins and friends there to help celebrate the special occasion. Jessica says it was a great day and fun was had by all. She especially loved using her eight sweet teeth to dig into her first ever piece of cake. "We love you, sweetie pie," Mommy and Daddy say...

Jessica White

Elizabeth Pankow has two reasons to celebrate. Today, July 4, is her 90th birthday and her family wishes Elizabeth all the best and hopes for many more. Secondly, Elizabeth, a Pickering resident, is a great-great-grandmother and the head of a five-generation run in the family. Following Elizabeth on the family tree are daughter Evelyn Lemky, granddaughter Gloria Ertel, great-grandson Peter Ertel and great-great-grandson Blake Ertel. Blake, his Dad Peter and mother Laura live in Fort Lauderdale, Florida and are visiting Pickering. Congratulations all the way round...

July 7 is going to be a big day for Jesse Benjamin Buchowski, because he'll turn four years old. Happy birthday wishes from his Mom, Dad, brother Joshua, Babie and Didie, auntie Mary Ann, uncle Al, uncle Steven, cousin Laurie Ann, aunt Florence and uncle Fred...

Jesse Buchowski

"Our angel baby" is 13. On July 2, Kelly Lawrence officially became a teenager and that means she's begun to dream of getting a driver's licence. Much love and birthday wishes from Mom, Dad, Mandy, Shannon, Grandma and Grandpa, aunt Shelly, uncle Pat, aunts, uncles and cousins, especially Ryan. "We hope your day is great. Love you," the family says...

Kelly Lawrence

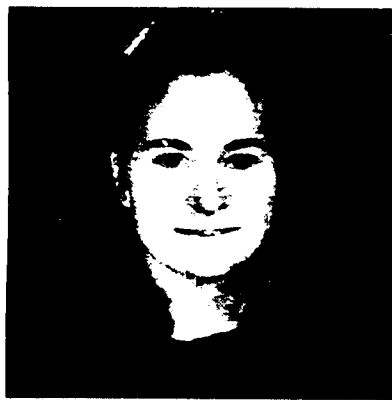

June 23 was a milestone day for Nikki Wilson, as she turned the sweet 16. Love and birthday wishes from Mom Rosaleen, Dad Garry, brother Garry Jr. and Grandma and Grandpa Kane. Nikki celebrated with a pool party with all her friends...

Not only did Pickering resident Jean Middleton graduate recently from Centennial College, she

was also awarded the school's Citizenship Award. It's given to the student who takes a lead role in student activities. Jean won a gold medal at the Ontario Skills Competition for hydraulics and pneumatics and has spoken to secondary school students about jobs in the robotics field...

Two members of the Ajax-Pickering branch of the St. John Ambulance were honored recently. Beryl Filer of the Pickering 653 division and Dale Haché of the Ajax and Pickering 835 cadet division were presented with Officer Sister and Officer Brother medals respectively. The awards were presented by Lieutenant-Governor Henry Jackman. Congrats to both...

A new driver is just around the

Kelly O'Sullivan

Nikki Wilson

corner. On July 8, Kelly O'Sullivan turns 16 and a big birthday bash with family and friends was held in her honor. "Hope it was memorable, Kelly," her family says. Love and best wishes from Mom Kathy, Dad Terry, Sean, Kodie and Cuddles. Also, there's another birthday in the O'Sullivan home that's not to be forgotten. Terry celebrates his birthday today, July 4 and the family want to wish him a great day and lots of love...

Nine young ladies have a good reason to smile. All are now members of the 8th Ajax Pathfinders, but while they were members of the 10th Ajax Girl Guides, they received the all-round cord. Recipients were Christina Stronge, Shany

Godward, Valerie Field, Jennifer Saunders, Laura Markovic, Meghan Batho, Casey Bolton, Karli Emmett and Kristen Eriksson. Congratulations come from their Guide leaders and family...

That brings us to the end of another edition of Name Dropping. If you have an item you want mentioned, call us at 683-5110 or write to 130 Commercial Ave., Ajax, Ont. L1S 2H5. The deadline for submissions is 11 a.m. the Tuesday before publication. We're not responsible for lost or damaged photographs. Name Dropping is no longer running birth announcements. If you have a birth to announce, call the classified department at 683-5110.

Beryl Filer and Dale Haché

10th Ajax Girl Guide all-round cord recipients

Fireworks accident 'very scary': Brenner

FROM PAGE 1

says eyewitness and Town councillor Maurice Brenner.

One man was hit in the face, he says. "I didn't want to look very close. I could see he was hit in the head."

The incident was "very scary".

Durham Regional Police report a 38-year-old Liverpool Rd. man suffered an eye injury, while a 32-year-old woman of the same address received minor burns to her leg. A 12-year-old Denmar Rd. boy was treated for shock. Mr. Brenner says it appeared the child panicked at the commotion.

All three victims were taken by ambulance to the Ajax-Pickering General Hospital.

Town officials have not yet determined exactly what went wrong with the fireworks show, says Mr. Brenner. Police say the fireworks were timed to explode in the air, but came down into the crowd and exploded there at about 11:22 p.m.

The rest of the fireworks display continued as planned while on-site emergency personnel gave first-aid treatment to the victims, and most people in the park were probably unaware of the mishap, says Mr. Brenner.

Police officers were already at the park, having been there throughout the day for security reasons, and Pickering firefighters were on the scene as well as they were manning donation boxes. St. John ambulance personnel were also at the park as a precaution and aided victims until hospital ambulances arrived.

"There's no question the response was just about instant," says Mr. Brenner. The response was "excellent by Durham police and excellent by our staff. Even the crowd that was around was excellent. People were genuinely concerned."

"The accident was not one that could have been predicted. It was scary."

Council will expect a full, detailed report of the mishap from staff, he adds.

The Town may have to look for a bigger area to hold future Canada Day festivities, says councillor Rick Johnson. "We need a bigger venue. Safety is a concern."

Mayor Wayne Arthurs was unavailable for comment at press time, as was Tom Quinn, Town director of community services and facilities. Department deputy director Steve Reynolds said the incident is under investigation by staff but refused further comment.

The accident is at least the second unpleasant event to mar Pickering Canada Day festivities. Two years ago, a fight broke out in the park between two gangs of youths. Council "learned from that", says Mr. Brenner, and tightened police security in subsequent years.

He was unable to estimate how

many thousands of spectators were in Thursday night's crowd at the park, but Mr. Johnson says he heard there were as many as 25,000 people attending the celebrations.

Building to begin as casitas get green light

Construction will start immediately on Tridel's exciting Casitas at Discovery Place in Pickering.

"We have already applied for the foundation permits, and barring any unforeseen circumstances we should see the first homes occupied in a year," says Jim Ritchie, Tridel's vice-president of sales and marketing.

The low-rise casitas — Tridel's unique style of housing that combines the best of low-rise townhouse living with the advantages of high-rise condominium security — have proved popular with buyers.

The casita concept was introduced by Tridel about a year ago at the Casitas of Plaza del Sol at Steeles and Bathurst. The 124 casitas sold out in a month.

The Pickering project is just as popular.

The Ontario Municipal Board

has now approved Tridel's request for a minor variance to the zoning bylaws, giving the go-ahead to the Pickering project.

Now it's full steam ahead.

The casitas come in a variety of sizes and shapes — bungalow and three-storey styles. All have two bedrooms and some have a den and/or patio and balcony.

Sizes range from approximately 1,160 sq. ft. for a bungalow

low to 1,902 sq. ft. for a three-storey with two bedrooms, den and patio.

Prices of the casitas — from \$139,900 to \$169,900 — make them even more popular. Five appliances are included.

The casitas are in an attractive four-storey building with a variety of rooflines and facades, creating a pleasant streetscape. There are no street-level garages.

All parking for casita owners is in an underground garage. Entry to the casitas from the garage is via an elevator to a corridor that runs along the back of the homes.

Maintenance fees are extraordinarily low. One factor is that each casita is individually metered for energy control and comfort. This means you aren't paying for those who waste energy.

Each home comes with air conditioning and a high-efficiency gas heating system.

The project will be access controlled with a 24-hour staffed gatehouse and security cameras in the parking garage — all the security features that are part of

Tridel's standard of excellence.

To visit the project, exit Highway 401 at Whites Rd., go north to Highway 2, and then east a few kilometres just past the Pickering Town Centre. To ensure good service, it's best to call 420-1890 for an appointment.

Varied rooflines and staggered facade create attractive exterior

FRONT DOORS WILL SOON BE OPENING!

Construction is starting on TRIDEL's Casitas at Discovery Place, the most unique new home community in Pickering. Ideally located by the Pickering Town Centre this condominium community features gatehouse security, private courtyards or balconies and the convenience of underground parking - all without giving up your own street level front door. It's the way you want to live:

- IDEAL LOCATION
- SINGLE AND MULTIPLE LEVEL HOMES

- 24 HOUR STAFFED GATEHOUSE ENTRY
- IN-HOME SECURITY SYSTEM
- SECURED UNDERGROUND PARKING
- PRIVATE STREET LEVEL ENTRIES
- MANY HOMES WITH SKYLIGHTS
- INDEPENDENTLY CONTROLLED AIR CONDITIONING
- INDEPENDENTLY CONTROLLED HI-EFFICIENCY GAS FURNACE
- INDIVIDUALLY METERED UTILITIES
- 5 APPLIANCES
- TRIDEL STANDARDS OF EXCELLENCE

Sunday Sports

Ajax Aquatic swimmers solid at Youth Cup II

AJAX - Ajax Aquatic Club swimmers posted terrific results at the recent Youth Cup II meet at the University of Toronto pool.

Hosted by Ajax, North York and Scarborough swim clubs, the meet attracted 38 clubs from across Ontario, Quebec and New York. A total of 627 swimmers participated.

Ajax was led by Ellen Grams who swam to two gold medals in the girls' 15-and-over category. Grams was a winner in the 200-metre breaststroke and in the 100-metre breaststroke. She also placed eighth in the finals of the 50-metre freestyle.

Alina Toma also turned in a strong performance in the 13-and-14 girls' division. She earned top spot in the 200-metre breaststroke and was second in the finals of the 100-metre breast, the 50m free and the 100m free.

Another strong performer for Ajax was William Sutherland in the boys' 13-and-14 age group. He swam to three silver medals in the finals of the 200m breast, the 50m backstroke and the 100m butterfly. He also posted third-place efforts in the 100m breast, the 400m individual medley and the 200m individual medley.

Results of other Ajax Aquatic Club swimmers were as follows: 15-AND-UNDER GIRLS/BOYS Jessica Kostka, eighth 200m back; Michael Singer, third 200m breast, eighth 400m free. Other Ajax competitors were Andrew Grams, John Monaghan and Gavin Regan.

13-AND-12 GIRLS/BOYS Danielle Singer, eighth (consols) 200m back; Jon Henderson, eighth (consols) 100m breast, eighth (consols) 200m breast. Other Ajax competitors were Abbey Crooks and Mike Lucette.

13-AND-14 GIRLS/BOYS Kara Brooks, fifth (consols) 200m free; fifth 50m free; seventh (consols) 100m free; eighth (consols) 100m back; Michelle Bricknell, second 200m breast, third 200m fly, sixth 100m breast; Alyscia Crooks, third 100m breast, second (consols) 200m breast; Andrea Grams, seventh 100m back, eighth 200m I.M., eighth 200m back; Shannon McWaters, seventh (consols) 100m breast; Sandy Henderson, fifth (consols) 200m free; seventh 400m free, second (consols) 100m free. Other Ajax competitors were Lindsay Mascherin, Brock Regan and Heather Thom.

15-AND-OVER BOYS/GIRLS Nicole Sweet, eighth (consols) 50m free; Chris Hall, fifth (consols) 200m I.M., fifth (consols) 200m back; Mischa Sommerville, second 50m free, fourth 100m back, eighth 200m I.M. Camil Toma also swam for Ajax in this age category.

Race for the ball

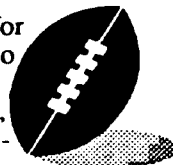

An unidentified Ajax Warriors player keeps one step ahead of Peterborough's Dheerau Shah during an under-13 select soccer game at Ajax's Miller's Creek field Tuesday. Ajax won 5-4. The victory moves the Warriors into a first-place tie with Cobourg in the league standings. photo by Ron Pietroniro

Players needed for new touch football league

AJAX - The Ajax Men's Touch Football League is recruiting new players for the upcoming season.

The league is looking for men 35 years and over to begin play in August.

For more information, call Gary Grant at 266-3934.

Ball midgets Barrie tourney champs

AJAX - The Ajax Spartans Station Street Esso juvenile baseball reps came home with the hardware from a Barrie tournament this past weekend.

After losing to Rexdale in preliminary play, Ajax turned the tables in the championship final to defeat Rexdale 11-1. The victory came behind a stellar pitching performance from Mike McKenzie who went the distance on the mound to record the win.

In the semi-final contest, Ajax advanced to the championship game after handing the Barrie midgets a 10-8 loss.

To get to the final, Ajax beat Newmarket 8-3 in the first game, then lost to Rexdale 14-7 in the second contest. In the last game of preliminary play, the Spartans whipped the Barrie minors 14-3.

In an Eastern Ontario Baseball Association (EOBA) contest in Ajax last Monday, Ajax rebounded from a large deficit to nip Whitby 9-8.

Trailing 8-4 entering the bottom of the last inning, the Spartans reeled off five runs in their last at bats to record the victory. Jeff Sharpe started on the mound for Ajax, with Andy Rennick coming on in relief to record the win.

The Ajax juveniles next home game is against Belleville at the Ajax Community Centre baseball diamond on Monday, July 5 at 7:30 p.m.

The Station Street Esso ball reps possess an overall record of 16 wins and four losses; their EOBA league record stands at 11-2.

Under-nine soccer girls give 100% at tourney

AJAX - The Ajax Eastern Eavestrouthing under-nine girls' select soccer team battled valiantly, despite being at a slight disadvantage at the Darlington tournament June 12 and 13.

Although the event was touted as a mixed tournament with boys and girls on each team, the Ajax girls went up against mostly tier I boys' teams. The squad went winless, but played inspired soccer nonetheless.

Goalkeepers Krystal Brown, Laura Watt and Rachel Spurs

sparkled as they faced many shots during the tourney. Turning in strong defensive efforts were Lindsay Blakey, Lindsay Murphy, Kristina Carroll, Alison Fair, Andrea Park and Malinda Denbok.

Kelly Hart, Erica Stevens, Britany Link and Melissa Phillips all contributed with solid efforts on offense.

Scoring for the Eastern Eavestrouthing soccer squad in the tourney were Krystal Brown and Malinda Denbok.

Wanderers' men beat Brampton in rugby

AJAX - The Ajax Wanderers Rugby Club's men's first team bested Brampton 22-15 in a match at the Wanderers club Tuesday night.

The Wanderers were led by Nigel Francis, Pete DeVille and Don Pettitt who all scored tries for Ajax. Stewart Dobbs booted a penalty and two converts in the winning cause.

The Wanderers under-19 boys' rugby team defeated Oshawa 25-0 in a game played at the Ajax club Thursday night.

Glenn Miller, Chris Duffy, Adam Marshall and Ian Neblett had tries for Ajax; Miller added a penalty kick and a convert.

Aliénation des terrains excédentaires de l'aéroport de Pickering Évaluation initiale Processus fédéral d'évaluation et d'examen en matière d'environnement

Une séance de consultation du public au sujet de l'aliénation des terrains excédentaires de l'aéroport de Pickering se tiendra le:
Mercredi 14 Juillet
de 13 h à 20:30 h

au Bureau de gestion de l'emplacement de Pickering
Vole secondaire 22
Au nord de la 5 Rue Regionales
(à 2 km à l'ouest de Clarendon)

Nous avons besoin de votre avis...

Le 28 août 1992, le ministre des Transports a annoncé qu'il avait l'intention d'aliéner certains terrains considérés comme excédentaires aux besoins d'un futur aéroport qui serait peut-être construit à Pickering. L'aliénation de ces terrains doit se faire sous réserve des dispositions du Processus d'évaluation et d'examen en matière d'environnement (PEEE).

Transports Canada, de concert avec Travaux publics Canada, a retenu les services du cabinet Proctor et Redfern pour mener à bien l'évaluation initiale qu'exige le PEE. On pourra consulter la version préliminaire du rapport d'évaluation initiale aux bureaux des secrétaires municipaux de Pickering, Markham et d'Uxbridge ainsi qu'à la Bibliothèque de référence de la communauté urbaine de Toronto, et dans les bibliothèques locales, à partir du 5 Juillet 1993.

La consultation du public est une partie importante du PEE. Une opération portes ouvertes aura lieu le 14 Juillet 1993. Des représentants de Travaux publics Canada, de Transports Canada ainsi que les consultants seront sur place pour fournir des renseignements et répondre à toute question relative au rapport. Ils feront bon accueil aux préoccupations environnementales et recueilleront tout renseignement concernant les propriétés appartenant à des particuliers.

Pour un supplément d'information, prière de téléphoner à Gail Bornstein, (416) 445-3598.

Pickering Airport Surplus Lands Disposal Initial Assessment Federal Environmental Assessment and Review Process

A Public Consultation Session regarding the Pickering Airport Surplus Lands Disposal will be held on:

Wednesday, July 14, 1993
1:00 p.m. - 8:30 p.m.

at Pickering Site Management Office
Sideline 22
North of Regional Road 5
(2 km west of Clarendon)

We need your input...

The Minister of Transport announced on August 28, 1992, the intent to dispose of certain lands deemed surplus to the requirements of a future possible airport at Pickering. Disposal of these lands is subject to the Federal Environmental Assessment and Review Process (EARP).

Transport Canada, in conjunction with Public Works Canada, has retained the firm of Proctor and Redfern to undertake the Initial Assessment Report will be available for viewing in the Town Clerks' Offices of Pickering, Markham and Uxbridge, as well as the local libraries and the Metropolitan Toronto Resource Library on and after, July 5, 1993.

An important part of the EARP is public input. A public open house will be held on July 14, 1993, where representatives from Public Works Canada, Transport Canada, and the consultants, Proctor and Redfern Limited, will be present to provide information and answer any question you may have on the initial Assessment Report. Input on any potential environmental concerns or information you might have on individual properties, is welcome.

For more information, please call: Gail Bornstein Tel.: (416) 445-3598.

DENTAL OFFICE ANNOUNCEMENT

We at 927 Liverpool Rd. in Pickering, are thrilled to give our clientele a warm cozy atmosphere to experience the finest and most up to date dental techniques as well as the most modern sterilization techniques.

However for those who still require even more special care.

Dr. Marv Kay M.D. joins our staff to help you sleep like a baby, while you have your dentistry done.

Also joining our staff is Dr. Steve Goldman, (periodontist, a gum specialist) and Dr. David Eller (an oral surgeon).

We also offer evening hours
and Saturdays.

927 Liverpool Rd. S.
Pickering, Ontario

BLOW, JAMES

In loving memory of our dear father and husband who passed away July 4, 1990.

It is sad to walk the road alone,
instead of side by side.
But to all there comes a moment,
when the ways of life divide.
You gave us years of happiness
then came sorrow and tears.
But you left us with beautiful memories.
We will treasure through the years.

Missed dearly by your
Loving Wife, Daughters,
Sons-in-Law,
and Grandchildren.

To place your
personalized
In Memoriam,
call 576-9335 and let
one of our
professional advisors
help you.

INGRAM - Brandon and Roberta are happy to announce the arrival of their baby sister Sarah Elizabeth Ann. Born June 10th, 1993 at 1:08 a.m., weighing 8 lbs. 11 ozs. Proud Mommy and Daddy are Sue and Keith. Pleased grandparents are Jack and Joyce Ingram & Emily and Dougall MacDonald. Extra special thanks to the emergency staff at the Scarborough Grace General Hospital.
