Students tripped up

By LINDA WHITE
Staff Reporter

DURHAM - Out-of-country school trips and thrill-seeking adventures could come under stricter guidelines as the separate board here addresses parental and staff concerns.

"Under present economic conditions, there's pressure on everyone to survive, let alone get into such

niceties as vacations," explains Durham Region Roman Catholic Separate School Board trustee Joe Bugelli.

"It's difficult to deny your child a trip because you don't want them to stand out (from peers). How do you deal with that extra pressure?" asks the Whitby trustee.

He also wonders "what trips are considered educational and what

are fun?"

At present, any trip approved by a school principal must be authorized by a superintendent before it's given the green light.

But principals are looking for tighter excursion policy regulations, pointing to such recent requests as white-water rafting, bungee jumping and hot air ballooning — all of which they turned down, notes superintendent Fred Sweeney.

While thrill-seeking trips "might be downright outlawed" because of the threat of liability, banning school trips altogether "could deprive some kids of a once-in-a-lifetime opportunity," warns Mr. Sweeney.

He points to reduced group rates and fund-raising efforts students usually begin at least one year before a trip takes place.

At Father Leo J. Austin Catholic Secondary School in Whitby, for instance, 50 French-immersion students have been planning since last year for a trip to Paris in June.

"If people think it's just for

Joe Bugelli

rich people, that's just not true," says student council president Jennifer Shannon, 16, who "worked all summer" saving for the trip and is involved in at least three fund-raisers to offset costs.

The Ajax resident believes the trip will be "very educational" and applauds the teamwork required in fund-raisers.

At St. Mary Catholic Secondary School in Pickering, student council president Mike Hills, 18, has "received a lot of complaints from people who want to go on trips but don't have enough money" to take part in a band trek to Vancouver and basketball trip to Texas.

"Price is a big problem, especially with a school club or team, as opposed to pleasure trips," he explains.

Still, students should have the chance to decide whether they want to take part in trips, suggests Mr. Hill, who hopes the board will talk to students before making any decision.

Mr. Sweeney will meet with principals next month and report his findings to trustees in November.

Oh yeah!

Armed bandits strike Pickering restaurant

PICKERING - A restaurant manager was forced to open a safe at gunpoint while 16 employees were ordered to lie on the floor here late Thursday night.

At approximately 11:45 p.m., two armed men entered The Olive Garden on Kingston Rd. through the back door while employees were putting out garbage.

The manager, who was struck with a gun, opened the

safe. The bandits grabbed cash and fled on foot with a third man Durham Regional Police believe was waiting outside.

The suspects are black males. The two who entered the restaurant are slightly over 6' tall, while the one outside is somewhat shorter.

Two hand guns were seen during the robbery.

Police investigation is continuing.

TEAM PLAYERS: The Steelers Slo-Pitch team of Ajax scored a home run with the Ajax-Pickering General Hospital when it raised \$3,000 for the sick bay's Lifelong Friends bed campaign. The funds were raised during the squad's third annual Canada Day tournament, which attracted ball teams from as far away as Rochester, New York. Over the three years, the squad has raised almost \$6,000 for the hospital. The Steelers send their thanks to the tournament's many sponsors and to Ajax parks and recreation department staff.

Gas stations' sales of other goodies fuel Pickering fight

PICKERING - What gasoline stations can and cannot sell without operating as convenience stores has become an issue in Pickering.

Town staff will investigate how much floor space local gas stations are using to sell "accessory items" at the direction of council. The investigation follows complaints by Family Food Fair that its neighbor, Ultramar Canada Inc., is operating a virtual convenience store out of a gas station at Brock Rd. and Pickering Parkway.

Ultramar, fined last July for sale of goods contrary to a Town bylaw, recently requested permission to continue selling cold drinks, packaged food, cigarettes and other goods.

Town planners are agreeable and say council could endorse service station definitions to allow the sale of those items, or it could amend bylaws to specifically recognize the sale of a wider variety of goods from service stations.

The Ultramar property is currently zoned only for the sale of fuel and automotive-related products, planning director Neil Carroll told council Monday. The proposed change would allow the sale of chips, cookies and more as long as it wasn't the primary function of the station, he said. "You wouldn't be able to have a mini-Becker's or a mini-Mac's."

(There are gas stations in Town on properties zoned for both fuel and retail sales, and therefore are not in violation by selling non-automotive items. Mr. Carroll explained in an interview later. Other gas stations may be in the same situation as Ultramar).

Police services board member re-appointed

DURHAM - Sarah McDonald has been re-appointed by the provincial government to serve an additional two years as a member of the Durham Police Services Board. This will be her second two-year term.

Mrs. McDonald is a resident of Ajax and has lived in Durham Region for 18 years. She works as a multicultural and race relations consultant for the Durham Board of Education, and is a founding member of the Pickering Caribbean Canadian Cultural Association.

"I enjoy being a part of this board," said Mrs. McDonald. "We work together as a team for the benefit of the community. I want to put a lot of my energy into the police service."

But a bylaw change accommodating Ultramar would permit every service station to become a

convenience store and would "virtually finish off the convenience industry," maintained Bev Rosner,

whose company is landlord to Family Fair. "Convenience operators may as well shut down."

Council deferred a decision for two months pending the staff report.

Pickering firefighter hiring rules could be changed

PICKERING - A suggestion the Town revise its hiring policy regarding part-time firefighters is expected to be debated in two weeks.

Councillor Maurice Brenner says non-Pickering residents who live within a 10-kilometre radius of a fire hall should be eligible to

apply for a job as a part-time firefighter.

Currently, a Town policy says only Pickering residents or municipal taxpayers can be hired as part-time firefighters, and full-time firefighters are usually hired from the experienced pool of part-timers. The same hiring policy is in effect in Ajax and Whitby.

Mr. Brenner's suggestion follows a complaint against the Town made to the Human Rights Commission. Marlene Lambert of Ajax appealed to the commission after she learned Pickering wouldn't consider her application to become a firefighter.

Two residents asked council Monday to leave the current hiring policy in place.

"Let's give the people of Pickering a shot first," urged Randy Vaine. "Let's leave our bylaw alone for now."

Elizabeth Quinn added, "I really don't think changing the policy is good for Pickering. There are so many good people in Pickering, taxpayers, that are qualified to be firefighters."

Residents invited to Take Back the Night

DURHAM - Durham residents are being invited to take back the night.

The Region's first Take Back the Night walk is being organized by the Oshawa Durham Rape Crisis Centre in Oshawa Thursday, Sept. 30.

The evening kicks off at City Hall at 6 p.m. with face painting and balloons for the kids. Oshawa Mayor Nancy Diamond will preside over the opening ceremonies at 7 p.m. and the women and children will take back the night with a walk through downtown streets beginning at 7:30 p.m.

At 8:30 p.m., the post-walk festivities at Memorial Park will include a live band — Julia Propeller — which recently opened for Blue Rodeo.

Men are encouraged to show their support by participating in both the pre-walk and post-walk activities, said organizer Noelle Bickle.

The actual walk, however, is just for women and children.

She explained that while a woman might feel safe with a brother, father or male friend, she might feel afraid to walk the streets by herself or with her daughter or son. And that's the point of the walk.

For more information or to be become involved, phone the Oshawa Durham Rape Crisis Centre at 725-2241.

Truck braves fire

A Pickering firefighter works to extinguish a blaze on a tractor trailer cab that caught fire on Hwy. 401 east of Brock Rd. early this week. Overheated brakes resulted in a failed axle seal and an oil fire. Damage was minimal and there were no injuries.

Durham College gets passing grade

DURHAM - Over 94 per cent of first-year students who attended Durham College last year were satisfied with the education and services they were receiving, according to a survey conducted by the college last December.

The study also found that more than 93 per cent believed they made the right decision in attending the college. Over 94 per cent felt the college provides the skills and knowledge required for success. Around 90 per cent said they would recommend Durham to their friends.

The study was based on a sampling of questionnaires completed by 390 students. It showed an increase of almost eight percentage points over the overall student satisfaction rate of the previous year.

Students were asked to state whether they were very satisfied, satisfied, dissatisfied or very dissatisfied with, or had no opinion about, a range of college services. The percentages cited for student satisfaction combine the "very satisfied" and "satisfied" ratings. Study results issued by the college did not include the precise figures for the other ratings received.

College student council president Shari Lovelock was not surprised by the survey findings.

"It is an excellent, excellent place," she said. "It's very open, very friendly. The administration seems to be very progressive."

"It's all coming from the top and it's all due to (college president) Gary Polonsky," added Ms. Lovelock. She praised Mr. Polonsky for his interest in students and receptiveness to their concerns.

The topics students were somewhat less happy about included the help they received in choosing or planning a program (79.8 per cent satisfaction); the sensitivity of administration to students' needs (75.1 per cent satisfaction); the student loan application process (50.9 per cent satisfaction); the price of textbooks (24.5 per cent satisfaction); the availability of parking (55.6 per cent satisfaction); and parking fees (42.6 per cent satisfaction).

Though 98.2 per cent of students were satisfied that a college diploma would increase their chances of getting a good job, as

many as 14.5 per cent said they were uncertain why they were attending college.

Fifty-six per cent believed college graduates were likely to have an easier time finding jobs than university graduates. But 50.5 per cent said a university degree

would be of more use than a college diploma, and 33.3 per cent said they intended to go to university after completing their college diploma. Six per cent already had university degrees.

Judging by the survey results, most of the students aren't killing

themselves with homework. Only 7.3 per cent said they did course work every night of the week, while 13.4 per cent said they did some five or six nights a week, 31.7 per cent did some three or four nights a week, 28 per cent did some one or two nights a

week, and 19.6 per cent only "rarely" did any. Over 36 per cent admitted to being "rather lazy".

On the other hand 38.3 per cent said they found tests and exams an enjoyable experience, and 32.6 per cent enjoyed writing essays and reports.

Lawn bowling facility fails to strike council fancy

AJAX - Lawn bowlers here will have to continue travelling out of town to enjoy their sport.

An estimated \$250,000 price tag for an eight-lane bowling green put the item on a 'wish list' of recreation facilities that may be built in Ajax in the future.

Harland Cres. resident Tina

Thompson wrote two letters in the summer to parks and recreation director Tom Flood requesting the facility.

"There are many people in this Town who would support this, and it seems to me that ever since I have been in Ajax (I came in 1952), nothing much in the

recreational line has been done for old people," she wrote.

She included a petition with 94 signatures supporting a facility.

Ward 4 councillor Jim McMaster told council colleagues Monday the \$250,000 figure doesn't include the cost of

buying land or the yearly maintenance charges. Installing lights would increase the cost to \$400,000, he added.

There are lawn bowling greens in Whitby and Oshawa.

In an interview, Mr. Flood says he's only had three calls in 22

years with the Ajax parks and recreation department requesting a lawn bowling green.

Recreation studies done in 1982 and 1991 indicated a lawn bowling facility "certainly wasn't a high priority. It was way down on the list," Mr. Flood says.

Keep on tripping

Obtaining a well-rounded education is an ongoing process that can't be confined to a classroom. Many aspects of school life, such as participating in team sports and socializing at the prom, help mold the characters of young people and teach them lessons in life.

School trips, now under scrutiny by the Durham Region Roman Catholic Separate School Board, can also be valuable educational tools.

Many of us have been fortunate enough to take an out-of-country school trip with our peers. Many have travelled with sports teams to participate in tournaments. It would be a shame if students in the Region's separate schools today are denied that opportunity.

It's true that, in these economic times, many parents may not be able to afford the cost of trips, and that can make it hard on the child who's forced to stay behind. But that's where group fund-raising activities come in.

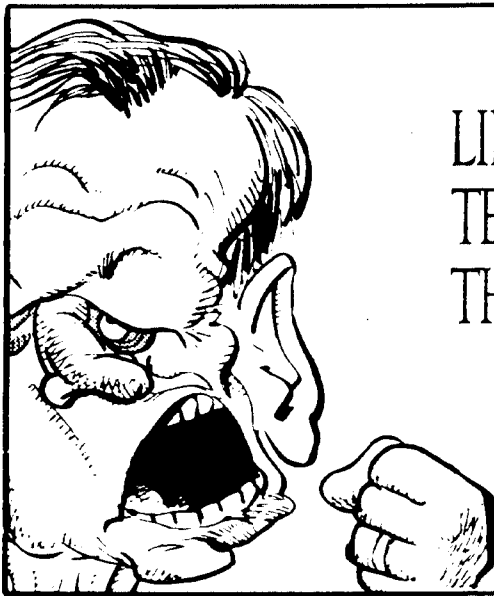

The so-called "thrill-seeking adventure" trips are a different story. Recently, requests by students that they go white-water rafting, bungee jumping and hot-air ballooning have been denied by board superintendents. Those kinds of activities can, and should, be done by the kids on their own time. There's a big difference between taking a trip for the sole purpose of having fun and taking a trip that will include competitive sports or touring historical sites.

If the board imposes tighter excursion policy regulations -- which principals want -- then trustees will presumably have to define which trips are educational and which are merely "fun". It will be to trustees' credit if they come up with those guidelines and don't outlaw trips altogether.

Board superintendent Fred Sweeney says banning all trips "could deprive some kids of a once-in-a-lifetime opportunity." Reduced group travelling rates and fund-raising efforts can make all the difference to a youth who might not otherwise have the chance to see a bit of the world.

In Whitby, 50 French-immersion students have been planning a trip to Paris since last year. Should the kids really be denied the chance to see The City of Lights, which is steeped in history and is considered a dream destination by many? It's one thing to study the French Revolution, read about the Sun King's magnificent palace and practice your French in class. It's quite another to see what it's all about first hand.

The Board should let the kids keep on tripping.

LETTERS TO THE EDITOR

Dump plan blindly marches ahead

To the editor,

Does Queen's Park's left hand know what its right hand is doing?

The Province's Interim Waste Authority (IWA) garbage dump site search in Durham Region has resulted in a short list of five sites. All four sites in Pickering conflict with other major provincial developments.

One is located in the planned

path of Hwy. 407. Is Queen's Park planning a four-lane tunnel under the garbage dump, a bridge over it, or will it expropriate extra land for a costly detour around the megadump?

That same site and two others are within the Planning Area for the proposed Seaton community. Is Queen's Park actually proposing to build this "model community" of

more than 75,000 people around the largest garbage dump in Canada? Surely this is a new departure in community planning.

The fourth is located in the Agricultural Preserve announced by the Rae government as part of the Rouge Park. Preserving good farmland by dumping garbage on it is one of the strangest notions I've ever heard come out of Queen's Park.

These blunders raise troubling

questions about the viability of a process which seems to have marched forward for two years with its eyes clamped closed. It's past time for the Rae government to let its right hand -- the IWA -- know what its left hand -- the rest of the government -- is doing.

Maybe Mr. Rae should just follow the Environmental Assessment Act like everyone else.

Wayne Arthurs,
Mayor of Pickering

Childbirth choices limited

To the editor,

I am writing this letter to bring to light a disturbing situation which was addressed in this section of the paper three years ago, but which has failed to be resolved.

That is the failure of our local hospital (Ajax-Pickering) to recognize the importance of choices in childbirth to birthing women.

I have recently given birth. It was probably the best experience in my whole life. I had my midwife, Carol Cameron, my husband and children in attendance with me and my hospital birth (which was necessary because of health risks in my particular pregnancy) was made as close as was humanly possible to the home birth which in my heart I desired.

All of this was possible only because I was willing to go the extra distance to another com-

munity's hospital. You see, midwives are not welcome at Ajax-Pickering Hospital. Even though they are in the process of being licensed in this province and even though they provide as much support to the new father as to the birthing woman. Carol helped us to achieve the natural birth we had desired so much, this considering this was our largest baby by far.

Children are also not welcome in the labour unit of Ajax-Pickering. It was important to us that our children be there. Choices are very important to many birthing women and can be the difference between a natural birth and a caesarean.

Why must Durham women get their desired choices at hospitals that are not in Durham? I find that to be a very sad situation. It's time for change.

Michele Wilson,
Ajax

Ball tournament a hit

To the editor,

The Steelers Slo-Pitch Club of the Ajax Men's Slo-Pitch League would like to publicly thank the following merchants of the Ajax-Pickering area for helping make our 3rd Annual Slo-Pitch tournament in support of the Ajax-Pickering General Hospital a success:

Michael Boyer Pontiac Buick, Bayview Mazda, Wildwood Ford, O'Toole's Roadhouse Restaurant, Kelsey's Restaurant, Red Lobster Restaurant, Annandale Golf & Country Club, Annandale Dodge, Bourbon Bayly's Restaurant, Belamy's Restaurant, The Olive Garden Italian Restaurant, The Keg Steak & Seafood Restaurant, Witty Insurance, Dickson Printing, Appropack Ltd., Can/Am Express, Transwestern Express, Timmenco Ltd., Tremco Ltd., The Toronto Star, The Toronto Sun, The Toronto Blue Jays, Pillsbury Ltd., The Sapphire Bar & Grill,

Andres Wines, Cody's Restaurant, Whitevale Golf & Country Club, National Sports Center, Roberts Ltd, Clare Brothers Ltd., Vulcan Ltd., Pickering Toyota, Bob Myers Chevrolet Oldsmobile, Loeb Baywood Centre, Molson Breweries, CKGE/CKDO Radio, and CHOO Country Radio.

Without the help of all 56 teams that participated as well as these fine organizations we would not have been able to raise over \$3,000 for the hospital this year. This brings our three-year total to over \$7,000. We have already applied previous donations towards the purchase of a physiotherapy bed and have committed to purchasing another with the funds raised this year. Again, thank you for your support in this worthwhile cause.

Tom Cloutier,
Steelers Slo-Pitch Club,
Pickering

Colds, coughs common

Back to class, back to runny noses

DURHAM - If back-to-school means back-to-coughs-and-runny-noses in your household, you're not alone. That's because kids acquire more than an education when they return to classes, they also pick up all kinds of viruses from each other, which they seem to pass around between them for the rest of the school year.

"Yes, kids tend to become sicker when they're in school," says Durham Medical Officer of Health Dr. Robert Kyle, "particularly in the winter months when it's more difficult to get out to recess."

The most common illness by far is the common cold, he says, because there are several hundred different types of viruses that can cause it, and they all tend to be very contagious. While kids and adults of all ages can catch them, it's the younger elementary school kids who seem to be hit the worst.

"They tend to have poor hygiene," says Dr. Kyle. "They cough without covering their mouths, they're more interactive with other kids, they tend to share food."

The symptoms are familiar to all parents — sore throat, a

cough, a runny nose, fever. The difficulty is figuring out when it's serious enough to keep kids home, especially when working parents have to stay at home to take care of them.

According to Dr. Kyle, a "good indicator" is whether a child says he or she is too sick to go to school. But if you've got the kind of kid who wants to stay home after one sneeze, you might consider whether he or she is coughing heavily, has a high fever (above 38.3 degrees centigrade), or simply appears unwell.

"When in doubt, better to be

on the safe side," says Dr. Kyle. "Obviously if it appears to be more serious not only would you keep the child from school, you would probably have the child see his or her own doctor."

There's not much point in keeping a child home simply to avoid infecting others, according to the doctor.

That's because viruses are often spread before any symptoms of illness appear in children.

"There's so many kids carrying these viruses, there's very little one parent can do," he explains.

The average cold is contagious for one day before symptoms occur and up to five days into the illness.

As for the other traditional childhood illnesses, Dr. Kyle says they are not that common any more since all school children must be immunized against diphtheria, tetanus, polio, measles, mumps and rubella.

Chicken pox still gets around a bit among the younger ones, and there is an occasional outbreak of measles because a small number of children fail to respond adequately to the vaccine.

New book lists area services

AJAX-PICKERING - Not sure where to turn when looking for help? The Ajax-Pickering Community Resource Handbook may have the answers you're looking for, as it lists almost 650 social, government and community services available to area residents.

The 1993 edition costs \$25, plus postage and handling if mailed. It's available now at Information Ajax-Pickering at 134 Commercial Ave., Ajax.

To order your copy, or for more information, call 686-2661.

Information Ajax-Pickering is a project of the Social Development Council, a United Way member agency.

Winnie and Don Gibson wed 60 years late

Name Dropping

KEITH GILLIGAN

Hello and welcome back to Name Dropping, the column picking the Toronto Blue Jays to win the American League East. We're going out on a limb with this prediction, but that's our nature — throwing caution to the wind. Anyway, now it's on to more important matters...

It's a fairy tale come true. Winnifred 'Winnie' and Don Gibson married on Aug. 28, 1993, 60 years after they first planned to. The pair were high school sweethearts in 1933 and were going to marry after they graduated. However, their families felt Winnie (nee Burningham) and

Don were too young to marry. Also, Don was needed on the family farm, so the pair went their separate ways. Winnie met and married Jack Boyes and the couple spent 40 years together. Don married Marian and they had 47 years together. In June of this year, while visiting their respective spouses' graves at Erskine Cemetery, Winnie and Don ran into each other and it was love at second sight — 60 years removed. They wed in a small ceremony at St. Thomas Anglican Church in Brooklin. Attending was Winnie's daughter Carol Bowman and Don's son Ross and his wife Marilyn and daughter Pam and her husband John Banks. The Gibsons now live in Brooklin. Wishing aunt Winnie and hubby Don all the best are Bill Boyes and his family, Mary Murdoch and Ray and Martha...

Don and Winnie Gibson

Today, Sept. 26, is a big day in the Aiello home, because both Lisa and Peter Aiello celebrate birthdays. Wishing the pair, whose ages are top secret, all the best are family, friends and their sons Frankie and Joseph...

Peter and Lisa Aiello

Sept. 27 is going to be a milestone day for John Broomhead. He'll celebrate his 98th birthday and wishing him all the best and hopes for many

more are wife Eleanor and family, including his nine grandchildren and 13 great-grandchildren...

John Broomhead

Lina DeLio has written a poem for her niece Rita DeMuzio, who turned seven years old on Sept. 17:

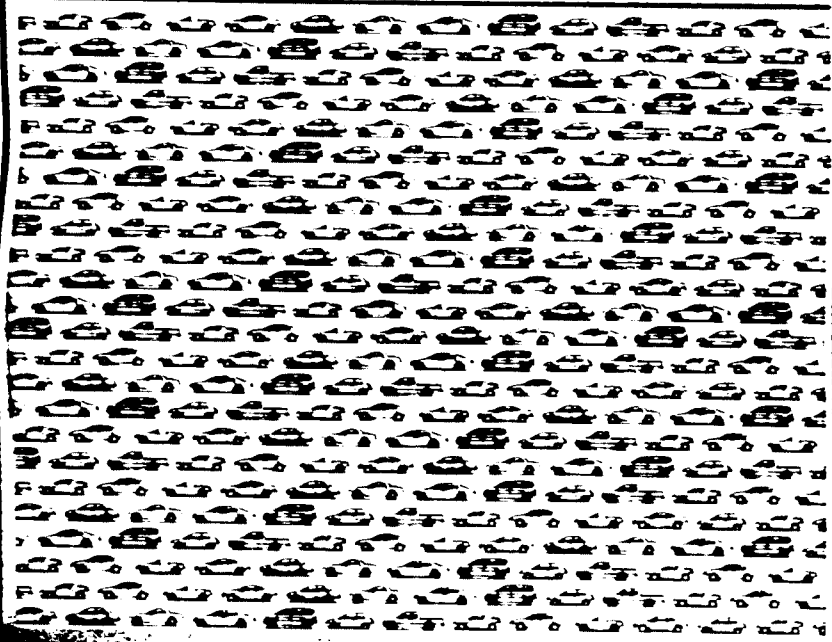

'Hurray, hurray, hurray!
It's Rita's birthday today
We can't believe it's here
Let's celebrate with Rita dear.
We'll show how she's sweet
By kissing her on the cheek.'
Love from aunt Lina, uncle

Daniela, left, and Rita DeMuzio

At the movies...

True Romance is razor-sharp

By **BRUCE FROUDE**
Durham Staff

Boy, that Quentin Tarantino knows how to write a love story.

He did just that with True Romance. The only trouble is it seems to get lost in the violence which dominates the film. Not that there is anything wrong with that.

The violence, which there is an inordinate amount of, works for Tarantino again. He made a successful major film debut with Reservoir Dogs and follows it up with this powerfully written romance.

Tarantino won't sit still despite the success of these two movies. He is currently working on Natural Born Killers and Past Midnight, and both should hit the theaters in the next year.

If they are anything like the incomparable True Romance, moviegoers will be blessed again.

This mix of razor-sharp humor and fearless and peerless action, makes for an entertaining two-hour diversion. Toss in the unconventional courting session that Clarence Worley (Christian Slater) and Alabama Whitman (Patricia Arquette) treat us to, and you have a wildly wicked movie.

Clarence and Alabama inadvertently swipe a briefcase full of drugs and head on a high speed cross-country chase with cops and robbers in persistent pursuit.

The pair decide selling the booty to a Hollywood big wig is the safest and simplest way to set themselves up for life.

Boy, were they wrong. It turns into a run for their lives.

While Slater and Arquette make an odd couple, they are lovable and you end up pulling for them as they outrun cars, guns and the bad guys.

The bad dudes, and not so bad dudes, are the best aspects of the

Christian Slater and Patricia Arquette play two unlikely lovers in True Romance movie. They are all strong, interesting characters on their own, and are engaging when they interact with the two lovebirds.

There are a lot of memorable cameos in this movie. Dennis Hopper is Clifford Worley, Clarence's dad, and has to deal with a sudden re-emergence of his troubled son.

Elvis, who keeps showing up in the bathroom mirror, is played by Val Kilmer and eggs Clarence into his life of crime.

Brad Pitt plays a zonked-out druggie and Gray Oldman is a pimp. Both are flat-out funny.

Christopher Walken is the loving couple's worst nightmare as Vincenzo Coccotti, a dapper and ultimately dangerous Detroit hitman.

These are just some of the outstanding efforts. Bronson Pinchot, Michael Rappaport, Saul Rubinek, Conchata Ferrell, Chris Penn and Tom Sizemore all deserve credit for their excellent characterizations.

While this movie will appeal to the action lovers, it's definitely not for the faint of heart.

True Romance's violent side may be too much for some.

Stay in tune, read the **News Advertiser**

Help environment by taking a walk

By LARRAINE ROULSTON
Recycler's Report

DURHAM - Support the Durham Environmental Network (DEN) and its member groups on its 3rd annual Walk-a-thon for the Environment in Uxbridge on Sunday, Oct. 3. This is a great opportunity for walkers to receive 70 per cent of the funds they raise for their own environmental group or to donate to any environmental organization of their choice with 30 per cent going towards DEN's overall projects.

From 11 a.m. to 4 p.m., at the Walker property, located south of

Uxbridge on the 7th Concession, just south of Regional Rd. #21, between Brock Rd. in Pickering and Lakeridge Rd., you can enjoy exploring a part of the unique Oak Ridges Moraine ecosystem. Inappropriate land use is threatening this beautiful and environmentally significant landform. Learn why the Oak Ridges Moraine is so vital to all of south-central Ontario.

Refreshments will be available (lug-a-mug), but you should bring your own snacks or a picnic lunch. Anyone wishing to join in the fun can simply make a small donation at this event. For a pledge form or

further location details, call 509-3156.

Windfall Clothing Service, a non-profit organization that redistributes new surplus clothing from manufacturers and retailers to social agencies in Toronto, will be having its 2nd annual 'Rolling the Rack' underground city event on Thursday, Sept. 30.

Volunteers will travel from store

TTC, picking up the pre-arranged donations of clothing accessories from all the underground mall retailers from Yonge and Bloor Sts. to Union Station and then to the Canada Trust tower for a fund-raising luncheon. Members of the clothing industry without retail outlets in the underground malls can support the event by donating items for an auction and sale that will take place at the luncheon following the 'run'.

awareness of Windfall within the clothing and footwear industries, attract 5,000 items of clothing, footwear and accessories through donations from major retailers and to raise \$20,000 towards Windfall's cost of opening a storefront.

Any Durham clothing retailer wishing to make a donation and/or attend this event can contact 440-9740 for luncheon tickets and details. The public can also attend

Dunbarton still perfect in LOSSA senior soccer

PICKERING - The Dunbarton High School Spartans senior boys' soccer team is still sitting on a perfect record in LOSSA league play.

The Spartans recorded their third consecutive league win by blanking the St. Mary Monarchs 4-0 in a LOSSA league game at St. Mary Thursday.

The Spartans broke the game wide open in the first half, scoring three goals to put the Monarchs in a big hole.

Barry Williams, Colin Kaye and Julian Olden scored for Dunbarton in the opening half.

Paul Hutcheson scored an insurance marker for Dunbarton in the second half to end the scoring.

As in its other two wins, it was the Dunbarton defence which shined against St. Mary, especially goalkeeper Grant Rodgers who posted his third consecutive shutout.

The Spartans have yet to give up a goal this season.

According to Spartans' coach Mario Iozzi, it was Dunbarton's strong defensive play which paved the way to victory.

"(The game) wasn't as tough a game as we played against DO'C (Denis O'Connor of Ajax). DO'C was more aggressive and

more skilful. But, we played a strong defensive game. As long as we're strong defensively, we'll be successful," says Iozzi.

Meanwhile, in the junior contest between Dunbarton and St. Mary, the Monarch juniors upended the Spartans 6-0.

Iozzi says the big test for the senior Spartans will come against the Ajax High School Rams Monday. Ajax is also undefeated in the regular season.

"It'll be a big game for us Monday," says Iozzi.

Three teams remain undefeated in the early stages of the LOSSA west division schedule. Dunbarton and Anderson Collegiate from Whitby sport perfect records of

three wins and no losses, while Ajax has a record of two wins and a tie.

Dunbarton is also preparing to host the annual Dunbarton Soccer Classic Tournament at Kinsmen Park in Pickering, starting Wednesday.

The senior Spartans play Scarborough Woburn and Toronto teams from Don Mills and Northern Wednesday.

Meanwhile, the Dunbarton junior soccer team begins play on Friday with games against St. Charles of Sudbury, Scarborough Woburn and Oshawa Dwyer.

Playoffs in the senior and junior divisions are slated for Saturday. The top team in each of the eight senior pools and four junior pools advances to the playoffs.

Football Spartans blank O'Neill in season opener

PICKERING - The Dunbarton High School Spartans senior football team put it all together to record its first win of the regular season over the Oshawa O'Neill Redmen.

The Spartans blanked O'Neill 13-0 to open the LOSSA senior football regular season at O'Neill Thursday afternoon.

Spartans' running back Shane Rosati scored two touchdowns to lead the Dunbarton attack, with

both scoring plays coming from inside the 10-yard line. Rosati opened the scoring in the first quarter and sealed the win for the Spartans with a fourth-quarter major. Chris McKee booted the

convert on Rosati's second touchdown. Spartans' head coach

Peter Kaiser was satisfied with his club's fine start to the season.

"I was quite pleased. Defensively we played well and offensively we moved the ball well at times. I thought Sean Perry (running back/linebacker) played a phenomenal game.

Perry set up the first Dunbarton score, stripping the ball from the O'Neill running back and returning it to the Redmen five-yard line.

Perry was named the star of the game for Dunbarton.

A week ago, the Spartans earned the best team performance trophy at the annual East/West exhibition football games in Oshawa. Dunbarton defeated Whitby Henry Street 6-0 in that contest.

The senior Spartans' play their first home game against the Oshawa Donevan Blue Devils on Friday, Sept. 30 at 1 p.m.

Y not bid for art at auction

AJAX - You can help children take part in YMCA programs and decorate your walls at the same time.

The Durham Region YMCA is holding its 13th annual art auction on Friday, Nov. 12, featuring the work of Walter Campbell. Proceeds from the event are used to pay for children attending Y programs.

Mr. Campbell is from Durham and is known for his dry brush

watercolor paintings featuring Victorian homes, accented with family scenes or special occasion themes that bring buildings to life.

He'll be at the auction and will sign works sold.

The auction is being held in cooperation with Beaux Arts Internationale and there will be 130 pieces of art available. Bids will start at 30 to 50 per cent below gallery prices.

The event will be held at the Whitby Yacht Club, 701 Gordon St., with previewing beginning at 6:30 p.m. and the auction starting at 8 p.m.

Tickets are \$12 in advance and \$15 at the door.

Patron tickets are \$30 and give the person a chance to win a Campbell print in a draw.

To buy tickets or for more information, call the Durham Y at 668-6868.

DURHAM REGION ACT - FUNDED AND SPONSORED COURSES

FULL-TIME COURSES:

All full-time course candidates must be in receipt of UIC benefits at the start date of the program.

COOK PRE-APPRENTICESHIP BASIC (610 Hours, Oct 18 - March 25, Oshawa Campus)

This full-time food preparation program prepares students to undertake employment as cooking personnel. The course consists of 12 subjects plus a placement component.

FIRE ALARM PROTECTION SYSTEMS (135 Hours, Nov 1 - Dec 7, Whitby Campus)

Level I: To provide the student with a thorough understanding of the functions, applicable codes and field wiring of all external devices related to a Fire Alarm System.

Level II: Installation, verification, basic troubleshooting and repair methods for the fire alarm and protective equipment. On successful completion of this course, the student will be able to install and commission a complete fire alarm system to the applicable Underwriters' Laboratories of Canada Standards.

PART-TIME COURSES:

Please call the College for eligibility to these courses.

EARLY CHILDHOOD FOOD SERVICES (120 Hours, Oct 18 - May 25, Mon, 6-9 & Sat. mornings, Oshawa Campus)

This course is designed to improve the knowledge and build the skills among daycare personnel in the provision of sufficient and nutritious food and the application of food safety principles. Participants will be expected to be currently employed as cooks in a child care setting.

FUNDAMENTALS OF UNIX SYSTEM V (36 Hours, Oct 18 - Nov 24, Mon/Wed, 6-9, Whitby Campus)

This course will provide the student with a solid understanding of UNIX commands, tools and philosophy. The student will understand UNIX file systems and data, manipulation tools, edit files and be able to prepare documents. The environment used will be a multi-user multi-system which will allow the student to use full electronic mail and interprocessor communication capabilities of UNIX.

LAN MANAGEMENT BASICS (18 Hours, Nov 8 - 24, Mon/Wed, 6-9, Whitby Campus)

This subject covers planning and implementing a Local Area Network. Topics include LAN terminology, topologies, physical considerations, cabling systems, Network standards and LAN operating systems, as well as corporate and user's view of owning a LAN. Learn to integrate available software and hardware elements, determine user needs, understand the limits, predict traffic loads, cable layouts, hardware components and understand the management concepts of a LAN configuration. This course will be taught in the Computer Lab using Novell Netware, Version 3.11. This training will take place on a high-level, student-dedicated "instructional" file server so the students can participate to the fullest extent without restrictions.

PROFITABLE BUSINESS CONTRACTING SERVICES (40 Hours, Oct 12 - Dec 14, Tuesday, 6-10, Whitby Campus)

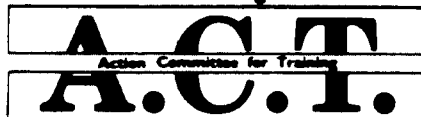

The students for this course should be experienced construction trades personnel from any of the major construction trades. The course will include construction specifications, documents and procedures, sub contractors, contract law practices, inspections & approvals, scheduling & financial controls.

Additional Eligibility Criteria:

- Pre-qualification evaluation will be done at the College.
- Some courses may require more specific pre-requisites.

Training for the above Durham Region ACT courses is offered by:

ARTS & ENTERTAINMENT

At the movies...

Jason Priestley hits the big screen in Calendar Girl

CALENDAR GIRL (AA): Jason Priestley hits the big screen in this comedy set in 1962 about three best friends driven by their childhood dream to meet Marilyn Monroe. They travel from their small Nevada town to Hollywood to concoct an accidental meeting with the silver screen goddess.

THE MAN WITHOUT A FACE (PG): The heartwarming story of an exceptional friendship between a boy and a mysterious recluse played by Mel Gibson. Nick Stahl stars as Chuck Norstadt, a young boy struggling to pass the entrance exam to his late father's alma mater and virtually ignored by his mother and two sisters, asks Justin McLeod (Gibson), an ex-teacher with a tragic past, to tutor him.

THE SECRET GARDEN (F): Kate Maberly, Heydon Prowse and Andrew Knott star as three lonely English children who discover a locked and abandoned garden and, through their friendship and support of one another, bring the hidden glade back to beautiful, luxuriant life.

THE FUGITIVE (AA): Harrison Ford stars as Dr. Richard Kimble, a prominent surgeon wrongly convicted of his wife's murder. When an accident enables him to escape en route to prison, he begins a desperate search to find his wife's true killer and to evade the relentless team of U.S. Marshals who are determined to bring him in. Also stars Tommy Lee Jones. Based on the television series of the 1960s.

SO I MARRIED AN AXE MURDERER (AA): Charlie Mackenzie (played by Mike Myers of Saturday Night Live fame) has had his share of bad luck with women. But now he's met Harriet Michaels (Nancy Travis from Three Men and a Cradle), who runs her own butcher shop in San Francisco. She's smart, sexy and crazy about Charlie. And this time he's ready for commitment. Sure, she might have some shortcomings, but what's the worst she could be? An axe murderer?

ROBIN HOOD: MEN IN TIGHTS (PG): The men in tights have arrived in the theatre. Mel Brooks' parody of Robin Hood and his merry men promises silly

fun for all. Carey Elwes stars as Robin Hood and television actor Richard Lewis is the tyrannical and hysterically nervous Prince John.

ANOTHER STAKEOUT (PG): Richard Dreyfuss and Emilio Estevez are back and they are still spying on people. This time the two undercover cops are teamed up with Rosie O'Donnell and are trying to locate a key witness in a mob trial.

THE CONEHEDS (PG): The classic Saturday Night Live skit has been lengthened into a feature film. Dan Aykroyd and Jane Curtin recreate their roles and are joined by a host of former SNL comics to consume mass quantities.

HOCUS POCUS (PG): It's a little early for Halloween but Bette Midler, Sarah Jessica Parker and Kathy Najimy have donned their broomsticks already. The trio of hags have risen from the dead and are out to terrorize Salem all over again.

IN THE LINE OF FIRE (AA): Clint Eastwood stars as a maverick Secret Service agent who is pitted against an assassin (John Malkovich) who has sworn to kill the president. Cat-and-mouse thriller with plenty of action. Directed by Wolfgang Petersen.

WEEKEND AT BERNIE'S II (PG): Bernie's back, and he's still dead. Bernie II picks up the story on the day after the original film ended. Having survived an outrageous weekend escapade on Hampton Island with the late Bernie Lomax (Terry Kiser), junior insurance executives Larry Wilson (Andrew McCarthy) and Richard Parker (Jonathon Silverman) return to New York City where they find out they've been fired, and have the mob chasing them.

FREE WILLY (F): A heartwarming family drama about a troubled young boy's touching friendship with an orca whale named Willy, the star attraction at a local adventure park. After learning of the park's unfortunate plans for Willy, the boy (Jason James Richter) carries out a plan of his own in a race against time to return his friend to his natural habitat.

BILLBOARD

WEDNESDAY, SEPT. 29

SQUARE DANCING: Modern Western Square Dancing lessons are offered Wednesday, 8:15 to 10:30 p.m., beginning Sept. 29 at Glengrove Public School, 1934 Glengrove Rd., Pickering.
