Pickering executive committee Monday night after hearing a delegation to make sideline 8 "a normal farm road", decided to defer the matter to public works for a cost estimation.

In a 20 minute delegation, George Wright of Walker and Wright, told members of the committee that his client William Brown wants sideline 8 "a passable farm road".

"We are not asking that the road should meet the standards of the Ministry of Transportation" Wright explained, "it is just that the road is in need of maintenance".

Wright said he travelled the road "with some difficulty by car" before the snow fell.

He said his client is

concerned about farm equipment travelling on the road as it has not been maintained for some time.

Councillor Bruce Searle expressed the opinion that the people who benefit from the road and use it quite a bit "should make an effort to maintain it", since the road is not an open road.

Director of public works, R. J. Hutchinson, said in a report that the non-maintained northerly section of the road is "quite similar to that of many other such road allowances".

He added that the road would require "large expenditures" to provide an acceptable road for normal traffic.

The public works department will probably estimate a cost in January.

Norm Cafik's Ottawa office has announced that on the day following the Municipal elections in Ontario, Norm Cafik asked the Honourable Francis Fox, Solicitor General of Canada, if the Canadian Penitentiary Services would take into account the results of the Dec. 6 referendum held in the Town of Uxbridge.

The Solicitor General informed Mr. Cafik that it is the usual practice of the Canadian Penitentiary Services to take into consideration the result of the vote.

In responding to a question from the opposition, Mr. Fox re-stated the government's policy by saying "it is the intention of the Canadian Penitentiary Service to build new penitentiaries in areas where there is a very strong level of community support and not so into areas where that level of support does not exist."

### Town Briefs

Councillor Don Kitchen and Mrs. M. Mowbray after ceasing to be members of the town Library Board as of Dec. recently announced their intention of continuing on as members. The executive committee approved their re-appointments Monday night. One seat will be left open as Mr. J. G. Spragg announced his intention of leaving the Board. The committee will advertise this open position.

## Why?

Auto insurance was reported a few days ago to be in a position for a reduction due to the lower accident and death rate in 1976.

In fact, the Anti-Inflation Board is reported to be agreeable to the auto insurance industry rebating some of its high profit. The companies earned three times their normal profit in 1976.

However, a renewal of car insurance going on during this month of December shows a 20 per cent increase in rates on a car whose value is declining per year.

Somewhere there must be an answer to this perplexing matter, but a consumer is expecting that his insurance, if not decreasing, should, at least, stand still. A 20 per cent increase is not only unwarranted but smacks of unrealistic assessment of future claims.

If the private insurance industry wants to keep public support, it will have to publicly justify the large increase in rates this year.

## Equal Pay For Equal Work

A discussion paper on equal pay for work of equal value has been released by Bette Stephenson, M.D., Minister of Labour.

"The equal pay for work of equal value concept is extremely complex and its adoption would result in fundamental changes in the basis of wage determination in a free market economy.

"Therefore, the Discussion Paper does not recommend policy on this matter. Rather, it seeks to stimulate public discussion," she said.

The Paper points out that the concept of equal pay for work of equal value is different from equal pay for equal work, now part of the Ministry's Employment Standards Act.

Ontario's equal pay for equal work legislation provides that an employer may not pay a female and a male different rates for "substantially the same work performed in the same establishment, the performance of which requires substantially the same skill, effort and responsibility and which is performed under similar working conditions."

This legislation ensures that two clerks - one male, one female - doing substantially the same job for the same employer and at the same location would receive the same wages.

Equal pay for work of equal value would require that salaries be based, not only on comparisons between jobs where the same or similar work is done, but also between jobs in which the work is dissimilar but at the same value. The concept seeks to rank jobs on the basis of their value, as measured in terms of skill, effort, responsibility and other factors, and to provide equal pay where the measurement process indicates that the jobs are of equal value.

It might be found, for instance, that the work of a male labourer and a female secretary are of equal value on this basis of evaluation and therefore, would be paid equally.

"Ontario has taken a leading role in protecting women's rights in employment," Dr. Stephenson said. "We were the first province to provide equal pay for equal work legislation in 1951 and have taken a leading role in stimulating public debate on the equal pay for work of equal value concept.

"I would encourage any person who is genuinely concerned - with creating a society in which there is equality between the sexes to advise the Ministry of their views on the equal pay for work of equal value concept," the Minister concluded.

## Learn About Computers

About 260 students and some of their teachers from six Ontario high schools visited the University of Waterloo on Wed. Dec. 15/

The students spent the day learning about computers. They attended lectures during the morning and in the afternoon used one of the multi-million dollar computers on the UW campus to find their own solutions to problems. Consultants were available

to assist them. University of Waterloo has been offering these "computer science days" to high school students for more than 12 years. They feel it is important to inform young people about computers since increasingly, society is looking to the computing profession to solve its information-processing problems. Last year 8,500 students from 227 Ontario high schools visited the campus.

Report card season it is, and Joe Clark and the Conservative Party did very well on theirs according to John Laschinger, the National Director of the Progressive Conservative Party of Canada.

Mr. Laschinger was the guest speaker at a meeting last week designed to establish a new York-Scarborough Federal P.C. Association. Due to the recent redistribution of Federal Electoral District boundaries, adding 18 seats across Canada and increasing representation in urban areas, all associations have found it necessary to re-group.

Speaking at the Holiday Inn at Warden Ave. and Hwy. 401 before 40 P.C. supporters, Laschinger delivered the Report Card of the Party, and it sounded encouraging.

He said that the P.C. Party was establishing a "presence" in the House of Commons, "fighting criticism from the critics that the Conservatives don't have the front men to run the country."

"We've been ahead of the Liberals in the Polls for the last nine months," said Laschinger. "I think that's a reflection of increased presence."

Mr. Laschinger suggested that the 1974 election defeat of the Conservative Party was not a reflection of bad policy but rather a result of internal squabbling and the inability to decide upon policy.

Mr. Clark's performance and leadership qualities on the other hand, have held the Conservative Party caucus together through a turbulent 8 months and claims Laschinger, "a united caucus is a prerequisite for running the country."

"Clark has travelled 90,000 miles in 9 months. He's

The new York-Scarborough Federal Progressive Conservative Association held its founding meeting at the Holiday Inn, Warden Ave. and Highway 401.

John Laschinger, the National Director of P.C. Canada, was the guest speaker at the meeting which saw the election of officers and the adoption of a constitution.

talking, he's listening, he's understanding, and he's encouraging people to come in and offer advice. He has made every effort to include everyone in the Party," he said.

"If there is any criticism of Clark, it's that he's absent from Parliament due to his extensive travel. But we're working to remedy that."

Touching base with a hot issue, Laschinger maintained that national unity meant more than just keeping Quebec. It meant keeping the Maritimes which would necessitate offering attention to some long neglected issues.

"Our party will go to bat for any sector of the country that is being given a rough time," he said, adding that P.C. support for Bill C19, lending protection to Maritime transportation rights, was evidence of this commitment.

While fielding questions, Mr. Laschinger was asked why Clark had not been overly verbal on the question of a referendum on Quebec's separation and replied by saying that the P.C. Party preferred not to argue the topic of referendum vs no referendum.

"It's like going to a marriage councillor and deciding who should get the house rather than deciding to try to save the marriage," he said. "We have to listen and understand before we make any moves. It's better to keep cooler heads than to make irrational statements."

Bringing the evening's discussion closer to home, Laschinger called for a solid fund raising program, active at all times, and not just the year before elections.

"You need money to find a good calibre of candidate. Candidates don't want to be

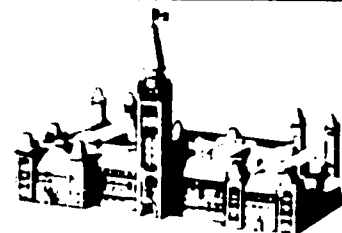

left holding the bag and the bills after an election."

As to the possibilities of an early election, Laschinger suggested the possibility of one before the summer.

But if such is the case, the P.C. Party will have to be

prepared to fight an election on the old boundaries, even while working to form an association based on the new dimensions. The new district boundaries do not take effect until June 12, 1977.

## OTTAWA and Small Business

### Let people pay for people

By KENNETH McDONALD

Everywhere in Canada, the property tax is fair game for greedy tax gatherers.

There is no underlying principle in its application. What justification can there be for charging education costs against the property tax of pensioners and others whose children have children of their own?

Or for taxing farmland, net on what it produces, but on what some bureaucrat decides it would fetch for housing or commercial development? Or for taxing businesses at 150 per cent of assessed market value?

Yet these glaring anomalies, far from being corrected, are being used by provinces as levers for grabbing more taxing power.

Take Ontario, where a full-dress tax reform commission is sitting. It's important, because the eventual findings are likely to be cited by other provinces to justify moves of their own.

One proposal is to cancel all exemptions for churches and charitable organizations because "it is felt that direct assistance through grants is preferable to property tax exemption". Hear the authentic voice of the tax collector!

You work with Crippled Civilians, or Big Brothers, or Boy Scouts. You've put in 10 unpaid hours a week, willingly, for years. So have your neighbors. You've raised

enough money to keep solvent and the hall you use for meetings or collections is exempt from property tax.

Suddenly the province decides you will have to pay 100 per cent tax on market value of the building you use. But if you go cap in hand to the bureaucracy at the provincial capital you may get some of it back. No prizes are offered for guessing what happens to the rest of the money you paid.

New Brunswick has a good idea: Let property tax pay for property and let people pay for people. The property tax would pay for fire, police, water, roads, garbage and sewage; personal taxes (income, capital gains, sales) would pay for education, recreation, welfare and health care.

Then, as it should be, the business tax would be abolished, farms would be taxed on what they produced, and all property owners - business and residential - would pay for the services they received. Social services would be paid for from the general revenue.

In its brief to the Ontario commission, the Canadian Federation of Independent Business strongly recommended adoption of this principle. Let municipalities set their own mill rates on property to cover services to property. And make Ottawa and the provinces pay for social services from general revenue.

## Appreciation

To The Editor,  
Scarborough News

May I express my appreciation of your newspaper's coverage of the recent municipal election. As a political newcomer, it was most helpful to have my platform ideas fairly presented to the public.

It is good to know that you will be giving the local issues your special attention during the next two years to help the public evaluate the performance of their elected officials.

Sincerely,  
Lois James  
(Candidate for Mayor of Scarborough, 1976)

### CANADIANS - MINOR PEE WEE S.H.A. "AA" Nov. 29/76

The Canadians ran into a hot goaltender and although outshooting Wexford 24-9 only won 2-1. Blair Vallance opened the scoring at 10:46 of the first period on a goal set up by Timmy Keon and Henry Konig. Wexford evened the score three minutes later with a power-play goal. Blair Vallance scored his second goal of the night, assisted by Scott Stoddart and Henry Konig. The line of Timmy Keon, John Madigan and Blair Vallance along with defenseman Scott Stoddart and Henry Konig accounted for all the scoring. Final score, Canadians 2 - Wexford 1. Nov. 30/76

The Canadians and Lions met for the third time this season and as in the previous two contests the game ended in a draw. Both teams played good positional hockey, skated hard and when the final

buzzer sounded the score ended 0-0.

The game was fast paced with first one team and then the other breaking out of their own zone on end-to-end rushes. Many "oohs" and "aahs" were heard from the spectators as shots just missed or hit the goal posts. The defencemen Allan King, Henry Konig, Scott Stoddart and Buffy Zanussi played an excellent game, breaking up the Lions offensive plays and clearing loose pucks from in front of their own net. Goalie Gordie Bell came up with the big saves when needed and turned aside seventeen shots to record the team's first shut-out of the season. Dec. 7/76

Continuing their positional and defensive play, the Canadians gained their second shut-out in a row defeating Cedar Hill 3-0. Andy Gay opened the scoring with his first of two goals at 15:20 of the first period with assists going to Blair Vallance and Scott Stoddart. Andy hit again at 3:04 of the last period with an unassisted goal to give Canadians a 2-0 lead. Michael Tschumi finished the scoring at 9:24 with a goal assisted by Blair McCreadie.

Cedar Hill started to "un" at the Canadians after the 3-0 lead but the defence, Allan King, Henry Konig, Scott Stoddart and Buffy Zanussi stood up under the pressure to preserve the win. Mark Adams played a solid game in the Canadian's net to record his first shut-out of the season.

### AGINCOURT LIONS PEEWEE S.H.A. A.A

The Lions team is maintaining its hold on third place in the peewee division.

On Mon. Dec. 6th the boys opposed West Hill in a very close game.

First blood was drawn by the Lions on a goal by Terry Kucera.

West Hill fought back and succeeded in putting in two goals.

In the second period the Lions succeeded in equalizing the score on a solo effort by Richard Normanduke. The Lions continued to press but couldn't get the puck past the West Hill goalie any more.

Outstanding for the Lions team was Paul Adams their exuberant goalie.

## Scarborough Swim Club Holds Splash Party

Scarborough Swim Club's members along with their families and friends were in a festive mood as all engaged in festivities associated with this joyful season on Dec. 12.

The programs included a splash party, water games, raffles, cookies, drinks, ice-cream and to add a little spice, a visit from Santa Claus himself, who good heartedly presented every swimmer with a Christmas stocking full of goodies.

Presentations were made to all the members of Mrs. Dorothy Edmonson's team who topped all six teams by selling a grand total of one hundred-eleven boxes of mixed nuts and chocolate almonds. Team members Debbie Dunn, David Dunn, Susan Edgerton, Theresa Edmonson, Debbie Hawryluk, Donna Hawryluk, Stan MacNeil, Greg MacNeil, Andy Manahan, Tarsten Manahan, Oliver Manahan, Laura Rayney, Arlene Steele and Mark Wray each received the gift

of a T-shirt for their outstanding salesmanship qualities.

Over and above these, each team's top salesman was also a T-shirt recipient. These were Ricky Forster, Debbie Dunn, Carol Klimpel, Laurie Wright, Rene Lavolette and Natalie Greenidge.

Once again little Rene Lavolette topped the list, selling thirty dozen while Debbie Dunn was a close second with 29 doz. Each received a gift of seven pound chocolate bars. In third place was Natalie Greenidge who won an A.M.-F.M. Radio and fourth place, Laurie Wright received a C.N. Tower transistor radio.

The customary presentation of the most improved trophies were conducted by Head Coach, Bruce Gibson. The awards went to Christine Gibson for the 10 and under category, Sandra Page, 11 and 12 years, Carol Klimpel 13 and 14 and Cathie Bass 15 and over

## B. Perry Money Winner At Scarborough Cribbage

After completing the first half of their schedule of cribbage play, Bert Perry of Tuxedo Court was the winner of \$50. Second place, along with \$25 went to Ernie Cavill of Ayre Point Road.

Last year's club champion, Roy Speigleman of Ellington Drive was third, winning \$15. Doug York and Ralph Torney divided the balance of the prize money.

Ed Cotter and Peter Bozak will play a best of five series to send a representative to the M.Nish trophy playoffs which are for the city championships.

A knockout series will be played amongst the other players on the team to pick two players who will enter the Glidden Paint Trophy for the best "Doubles" pair.

All clubs in the league will be sending entries to this tournament which will be held at the new #48 Highlanders Club of Canada on King St. East near Parliament.

Scarborough Cribbage Team finished with nine points, winning 3 Tied 3. The team will start the second half of their schedule on Jan. 5th and the same amount of monies will be up for the taking.

The team could use a couple of new players. If you are interested then contact the team captain, Red Borthwick, 20 Stanland Drive or call him at 266-2341 anytime after 6 p.m.

Any exhibition games would be welcome with senior citizen groups or clubs in the borough. We will bring our boards and pegs.

# Women Are Getting In The Fun Of Attractive Underwear!

Enid shows some of her boutique's styles at the opening of the new Queen St. East store. At left Wendy wears a velour hostess gown by Kayser. Sue (middle) models a pink lace negligee by Van Raalte. Enid, herself, wears an imported embroidered gown by Claire Haddad.

. . . and men are too!

Persephone, Queen of the Underworld, has decreed the opening of a place where citizens of the Beach can obtain the finest undergarments. For the ladies, classical nightgowns and peignoirs, gossamer negligés, super bras and panties; for the gentlemen, fabulous caftans, terry wraps, great fitting "gotchies", colognes, socks and accessories. So drop down to **ENID'S UNDERWORLD** at 2056 Queen St. East for exciting Underworld undergarments.

Sue illustrates how attractive her Kayser rich cream negligee peignoir set can be.

Wendy is provocative with a gold lame "Merry Widow" corset by Darling. The lace and chiffon black coverup is imported from Hollywood, U.S.A.

The two store managers, Joanne and Tracey, model a Claire Haddad emerald green pant suit and a Glydons of Hollywood eyelet negligee in white.

**FRIENDLY PERSUASION:** It doesn't seem right that Pat Boone, the young man who used to appear with Arthur Godfrey while he (Boone) was attending Columbia University is now a grandfather. Actually it's not at all bad being a grandfather - so they tell me - but what really hurts is that he still looks like that young college student.

There he was opening night at the Imperial Room of the Royal York where he is appearing until Saturday singing his heart out and looking almost indecently young for his 42 years. He puts on a good show, one that leaves you with a nice feeling all over: not goody, good or anything like that, just nice.

He has always had a beautiful deep voice but no one ever seemed to notice. Well, that deep voice has now matured into an instrument that is - and I considered the word carefully - superb. And yet, deep and all as it undoubtedly is, it never overpowers and he still has that pleasant light quality that has distinguished him for almost a quarter century now. His act is a varied one, almost as though he is determined to prove that he can in fact sing anything. And

**Pre-Christmas Film Programs For Children**

Scarborough Public Library presents free films for children at many of its branches the week before Christmas. The program is as follows: Fri. Dec. 17 at 4 p.m. at McGregor Park Branch, 2219 Lawrence Ave. E. there will be a variety of films for children of all ages. Sat. Dec. 18 at 10:30 a.m. at Cedarbrae District Branch, 545 Markham Rd.

Concert'. On the same day at 2 p.m. at Taylor Memorial Branch, 1440 Kingston Rd., four more films will be shown again to children of all ages. They will include 'Winter Heat', 'Little Drummer Boy', 'Shoemaker and the Elves', four films for children of all ages will be shown. They are: 'Winter of the Witch', 'Selfish Giant', 'Great Toy Robbery', and 'Band

and 'Simba in Arimba'. For children ages 6 and up 'The Selfish Giant' and 'The Night Before Christmas' will be shown on Sat. Dec. 18 at 2:30 p.m. at Albert Campbell District Branch, 496 Birchmount Rd. A variety of films for children of all ages will be shown on Mon. Dec. 20 and Tues. Dec. 21 at 4 p.m. at Clifcrest Branch, Clifcrest Plaza, Kingston Rd.

'The Littlest Angel', 'Chips Ahoy' and 'The Velveteen Rabbit' will be shown on Mon. Dec. 20 at 7 p.m. for children of all ages at Bridlewood Branch, Bridlewood Mall, Warden Ave. at Finch Ave. On Dec. 21 at the same branch, also at 7 p.m., and also for children of all ages. 'What is Christmas' and 'The Little Mermaid' will be presented.

indeed he can - ballads, country and western, gospel, even the early creations of Ray Noble and Rodgers and Hart. Showman that he is, however, he knows that at least part of the audience has come to hear the old favourites and he does not disappoint. He sings Love Letters In The Sand, April Love, Friendly Persuasion... about the only ones he missed were Tutti Frutti and Twixt Twelve and Twenty. No doubt he includes them in other sets.

Incredibly, he ends his act with a selection of Christmas Carols. I say "incredibly" because one somehow does not associate the swank Imperial Room with Christmas Carols. And you know what? He gets the audience to join in, not only join in but sing with apparent gusto. Heartwarming is the only word that comes to mind for the experience.

Throughout, he is backed by a trio called the McRarys. I haven't got any bio material so I can't tell you much about them other than to pass on my own observation of them as three superb singers collectively and individually.

The Pat Boone show is not perhaps a great one but it's just right for the jaded appetite that looks for something refreshing at the same time as it is entertaining. Why not give yourself a pre-Christmas treat and go see him. You'll be glad you did. I am.

**OLD FRIEND:** Lionel Blair can now surely be considered a welcome old friend. 1976 is the fourth year in a row that he has brought his British Pantomime to Toronto. This year's delight is Jack and The Beanstalk and though I haven't seen it as of this writing, I will personally warrant that, as in previous years, it is one of the best entertainment values in town. I'm so sure of it that I make this offer. If anyone reading this goes to see Jack And The Beanstalk on my recommendation and doesn't like it, then I will eat their copy of this column on the steps of the Scarborough Civic Centre at the stroke of midnight on New Year's Eve.

I cannot think of any better way to introduce a young person to the joys of live theatre than through the medium of Panto and Lionel Blair's show is one of, if not the very best. There is always music, laughter, dancing, gorgeous sets and costuming, handsome men and beautiful ladies as

well as clowns and buffoons... everything that live theatre and only live theatre can offer. But don't ever think that

you're simply performing a holiday duty of love by taking your children to see it. No indeed! The spectacle on stage is one that even adults can enjoy. Jack And The Beanstalk is at The O'Keefe until this Saturday. If you go, you'll likely see me there with my family. Take a good look because you certainly won't see me at the Civic Centre on New Year's Eve.

**MARITIME MEMORIES:** I promised a few comments about Saint John, New Brunswick upon my return and here they are. The city continues to be a barren wasteland as far as fine dining is concerned. One sees some promise of relief however, with the opening of Paul Grannan's Pier One. This is a restaurant with great ambience and a seafood menu to rival that of Cy's in Moncton. The service is not yet at its best as Pier One is still experiencing some opening difficulties. Once they are smoothed away though, the people of Saint John should finally have a first class restaurant in which to share the new found prosperity they are experiencing because of the federal funds being pumped into the city for major works projects.

**GRINCH NOTE:** There will be no flood lights on the lawn of the Watt domicile this Yuletide. We started out with the floods but some cretins(?) decided they might look better elsewhere and stole them. If I'm lucky maybe they'll be as shocked as I am.

## West Hill SHA Scorlit

(All games at Mid Scarb. & Art Thompson Arena)  
Next weeks games are on Mon. & Wed. against Agincourt Lions and Clairlea.

The week of Dec. 27 - 30 there will be no scheduled games as the SAH will host the J. J. Keay Christmas Tournament. Jack Keay who retires as commissioner of Scarborough Parks & Recreation Department on Dec. 24 has played a major part in the erection of the Borough's sports facilities during his 20 years of service.

Jack was one of the guiding lights in the formation of the S.H.A.

All games in the Dec. 27 - 30 tournament will be played at Mid-Scarborough Recreation Centre and Art Thompson Arena in Pickering. A total of 156 games and 90 teams have been scheduled, including 27 champion games in a double-knockout champion meet champion format. The tournament is open to teams from minor atom to juvenile with 50 percent of the teams from the S.H.A. All teams in the tournament will come from independent associations. Teams expected to participate will be from New York State, Orangeville, Hamilton, London, The Catholic Youth Organization and possibly Winnipeg.

All players from out of town must be billeted with their counter parts in Scarborough.

The S.H.A. also will require that all players wear face shields and exterior mouth guard protection. The S.H.A. will supply those teams from out of town with the equipment.

The S.H.A. has also announced that they will stage another tournament later in the season, replacing the Timmy Tyke Tournament.

In total there will be eleven tournaments hosted by S.H.A. organizations. The Shamrock Albert Campbell along with the Minor Atom & Pee wee hosted by Agincourt Lions, Agincourt Civitans have competition for five, six, and seven year olds & minor pee wee. Three new tournaments are slated from Cedar Hill including atom, midget and juvenile. Clairlea hosts the minor bantam. Agincourt Canadians organized a Bantam tourney with Wexford having the minor midget action.

Dates have not yet been set for the various age levels as yet. Will inform you as soon as possible. (Good luck to all teams).

As there was only three West Hill games last week this weeks Scorlit will be a short one. Once again I open the column to any constructive suggestions or criticism of the column and can be forwarded to Jim Carleton, 90 Grey Abbey Trail, West Hill.

MINOR ATOM  
West Hill (AA) 7 - West Hill (A) 1

The battle of the giants is now history and we now have one giant and one small giant in a meeting at Art Thompson Arena on Thurs. these two powerful teams squared off and the Twice Arena Flyers defeated Johnston

Machinery Sales Cougars 7

1. This was a much closer game than the score indicates with the Cougars hitting the post twice and missed an open net. Make no mistake that the Flyers well deserved the win as they outskated and outhit the Cougars and their positional play is something some other teams should witness. Both goalies for the Cougars played in the game and played rather well with Billy Lane allowing the first four with David Wilson allowing the last three. Ronnie Tugwutt made some great saves for the Flyers. The Cougars drew first blood three minutes into the game when Michael Labadie scored the Cougars lone goal from Paul Knautz. David Clayton tied the score on a power play with a tip in from David Bell and David Myrvold. David Myrvold scored three in a row for an original hat trick for 4 - 1 score to end the first period with assists going to David Bell, Chris Karakasilis, Danny Hammond, and Ian Pike. In the second period it was all Flyers again as they scored three more unanswered goals to skate away from the Cougars. David Clayton with his second goal from Jamie Galbraith, Mark Humphrey from Doug Cherepacha and Len Chapman and finally John Blessman unassisted. This win makes it thirteen in a row. (Any one superstitious) Well done to both teams.

MIDGET  
West Hill 7 - Scarborough Lions AA 1

West Hill defeated the Scarborough Lions 'AA' club 7 - 1 in this game. The West Hill club is in first place in the 'A' division

with the Sabres in the cellar in the 'AA' division. Doug Campbell played a great game in net to keep the score to one goal. Scoring for West Hill seems to be one line of Peter Novis, Paul Cosburn, and Jeff McMann. Peter scoring five goals and one assist, Paul with four assists, Jeff with one goal and one assist. Pierre Forsythe with a single goal and Peter Harper with single assist. The Sabres were not a full team in this encounter.

West Hill 5 - Canadians 'AA' 2

West Hill again downed a team in the 'AA' Division for the second time this week with the Canadians who are in third place in a four team division. Again Peter Novis led the way with a hat trick with Paul Cosburn with a goal and two assists. John Goldring with a single goal. Single assists going to Layne Dietsch, Jeff McMann and Greg Ross.

Big guns of the week were Peter Novis with eight goals and one assist for nine points, Paul Cosburn

with one goal and six assists for seven points. Again Doug Campbell played well in net. The Canadians were under strength as they had no reserve power. (Well done boys).

MINOR MIDGET  
Grimsby 6 - West Hill 2

On Sat. Dec. 11 West Hill played a club from Grimsby at Art Thompson Arena in an exhibition game which was won by Grimsby. This was a much closer game than the score would indicate with both teams going full out. Scoring for West Hill were new comer to the defense Blake Templeton and Ron Hamilton. The West Hill boys will be going to Grimsby sometime in March for the return match.

"WHERE PRICE AND SERVICE MAKE THE DIFFERENCE"

Everyone wants to reduce new home costs.

Here's a new report that suggests how it can be done.

Ontario's present urban development standards are among the highest in the world. However, the standards set by our municipalities vary considerably, a fact which in some instances adds greatly to the cost of new housing.

Your Ontario Government believes that realistic development standards throughout the province would lead to continued high quality new housing, but at a lower cost. This case is strongly presented in a new report, "Urban Development Standards: A Demonstration of the Potential for Reducing Costs," issued by the Ontario Ministry of Housing. The report points out how more realistic standards could significantly reduce home mortgage payments, and indicates that adoption of such standards would in some areas lead to more economical use of land, energy savings, reduced

pressure on agricultural land, and greater feasibility for public transit.

If you would like a leaflet summarizing the main features of the suggested new standards, write to:

Sales & Service

Enjoying An Excellent Reputation

367 King St. W. 579-1077

The FILTER QUEEN has been rated as one of Canada's finest air purifiers and health units on the market. Although there are many types of vacuums offered to the public, the FILTER QUEEN is not just another vacuum cleaner, but an air purification system as well. You owe it to yourself, your home and furnishings, and your family, to arrange for a Home Preview. This can be arranged by calling 579-1077.

Remember, you are under no obligation to buy, no high pressure sales. They do not run down any competitive machine or make comparisons, they simply make a demonstration of what the machine can do for you. You are the Judge, you will see for yourself the many benefits of having this quality built unit in your home. Their unit does the job of a vacuum cleaner in a quarter of the time, as well as actually cleaning the air that you breathe, which is probably the reason that most of the hospitals and health institutions prefer their units to any others. So don't buy today's machine tomorrow - buy tomorrow's machine today - buy FILTER QUEEN.

Your distributor in Oshawa is JOHN PEREIRA. He is held in high esteem by the many people who have had the pleasure of doing business with him. We regard it an extreme pleasure and service to our readers in highly recommending this firm to you.

## Pickering Hockey

### O.H.M.A. DIVISION

Our Bay Sports sponsored Novice team had a 3-2 win over Stouffville. Scoring were Paul Davis, Kevin Dupont and Greg McCarthy ably assisted by Jimmy Cooke and John Miller.

Our Purple Dust Minor Atoms also had a 3-2 win over Markham, with Steve Hynes getting all three goals. Assists to Scott Spratt, Kevin Thornton, Jeff Ellis and Robbie Heyward. Purple Dust also played Whitby this week and won 4-0. Steve Hynes getting two goals with singles going to Robbie Heyward and Darren Bond. Assists to Robbie Heyward 2, Kevin Thornton 1, Derek Shortt, Jeff Ellis and Greg Beer.

Now for our Big M Atoms, an exhibition game between Uxbridge which ended in a 4-4 tie. A real cliff hanger down to the last second. Brad Sundberg scored twice with Brian Giroux and Tom Reid picking up a single. Assists to Stuart Carson with 2 and Andy Plummer with 1.

On Wednesday December 8th, 1976, a date I am sure our Big M team will remember for a long time they played Whitby and for the first time in three years they won with a score of 4-3. Getting the goals were Brian Bauldry with 2, and Tom Reid with 2. Assists to Brian Giroux, Kirk Cameron, Paul Cook, Tom Reid and John Bayes.

Moving on to our Atom Second Tier, Fulco Auto Wreckers lost to Markham 3-0. Better luck next time.

Pickering Part Time Firefighters, our Major Peeewe team were in New York recently for a tournament. In the first game they had a 5-0 win over Niagara, Albert Assopardi getting a goal and an assist. Other goals to Jeff Collins and Mark Hengst. Other assists to Kent Guest, Mike King, Martin Houston had the shut out.

In the second game in New York our Firefighters came up with another win beating Owen Sound 5-4. Jeff Collins had a hat trick with Ivan Ross with a goal and an assist and Albert Assopardi with the single. Assists to Brian Hurcom with 2, Kent Guest, Mike King and Craig Fulton with 1 apiece.

In the Championship Game the Firefighters lost to Boston 3-0 but they were only beaten by good goaltending. Three of our P.H.A. boys were chosen to play on an "ALL STAR" team which incidentally was coached by our own Hugh Fulton.

On December 2nd, the Firefighters played Whitby and were beaten 5-4. Scoring were Kent Guest 2, Albert Assopardi and Jeff Collins with 1 each. Assists to Todd Morgan, Rolf Schuh, Ivan Ross and Craig Fulton. The tide turned on December 4th when the Firefighters had a very good win over Bowmanville, the score being 6-1. Albert Assopardi picked up 2 goals, as did Jody Spurrell, with Craig Fulton getting a goal and an assist and Kent Guest getting a goal. Assists, Ian McRae 2, John Beach 1, Brian Hurcom 1, Mike King 2, Jeff Collins 1, Rolf Schuh 1 and Mark Hengst 1. Special mention to Keith Kippin who stopped 3 out of 24 shots.

Royal Home Improvements, the Peeewe Second Tier team played three games this week, the first and exhibition game between Uxbridge they came up with a 7-1 win. Derek Wheeler had a hat trick with singles going to Kim Monk, Tommy Weir, Jimmy Finlay and Neil Brindle, assists to Jimmy Monk, Tommy Weir, Simon Costar and M. Sakeris.

In the second game against which was a league game against Markham Royal had a 4-2 win. Scoring were Scott Ramsay, Simon Costar, Derek Wheeler and Tommy Weir who also had an assist along with Mark Sakeris and Mike Gannon.

For the third time this week, Royal again won this time a league game against Stouffville. The score was 3-2. Jimmy Monk picked up 2 and Patrick Browne had a single. Patrick Browne also had 2 assists with David Morrison and Scott Ramsay with one assist each.

Inter-late Automotive, our Minor Bantam team had a 6-4 win over Bowmanville. Goals by Kitchener, McDonald, with 2 each, Graham and Kimopolous. Assists to Kitchener, Dimopolous with 2, Kerr, Wright, Devine, Bischof and Graham.

Sheridan Mall, Major Midgets had a 3-1 win over Lindsay. Chris Littlemore scored 3. Assists to R. Franklin with 2 and K. McNally with 1.

On November 30th, Sheridan lost to Ajax 5-4 with G. Caron getting 2, K. McNally with 1 and C. Littlemore with 1. Assists to M. Conway 2, D. Smith 2, D. Leriche 1, C. Littlemore 1, and K. McNally 1.

Our Sheridan Mall, Major Midgets will be playing a game against a team from Sweden on December 30th, watch for more information.

Although out of order, Cardinal Corrugated Containers, Major Bantams lost to Bowmanville 6-4. Scoring for Cardinal were Kyle Shore with 2, Gary Langille, G. Bendle with 1 each. Assists to Joe Vernoy, Greg McIsaac and Mike Costello.

On December 9th, Cardinal had a good win over Cobourg the score 8-2. Gary Langille had 2, Kyle Shore, Joe Vernoy, Kenny VanTinen, Pat McGuire and Brian Holley with 1. Assists to Mike Costello, Kyle Shore, Joe Vernoy, Brian Holley with 2, Pat McGuire, Dave Fretz, M. Camins with 3, and Greg McIsaac.

## Bay Ridges News

by Ruth King

### SENIOR CITIZENS DINNER A SUCCESS

The Bay Ridges Kinsmen have done it again! The Senior Citizens Annual Christmas Dinner was held on Sun. Dec. 12 at Sheridan Mall. More than three hundred of the Town of Pickering's most respected and fun loving citizens enjoyed a dinner of turkey, ham and many salads.

The head table guests were Rev. and Mrs. Banting of St. Martin's Anglican Church, Kinsmen President Bill Chapman and his wife Susan, Deputy Governor Glen and Barbara Alton, Kinette President Dale Harrison and her husband Norm, and Deputy Mayor Jack Anderson and his wife.

The highlight of the evening was the Christmas Bonnet Parade. There were 24 entries. The ladies of the local Senior Citizen Clubs obviously put a lot of thought, time and effort into their creations. After much deliberation the panel of judges declared Mrs. Kathy Gundy, Vice-President of the South Pickering Club the first place winner. Second place went to Mrs. Violet Luke, President of the Rouge Hills Club. Congratulations ladies!

Santa Claus paid a visit. He received an enthusiastic welcome from all the guests. Santa and his helpers gave chocolate Christmas novelties to all in attendance.

Kim Dick Richards was the master of ceremonies and D.J. for the fun and fellowship that followed. The dinner guests were entertained by the Bay Ridges Kin Kidettes Majorette Corps, Ajax Scottish Dancers, Ballroom Dancers, and a sing-a-long led by the Pearly King and Queen.

Many thanks to K-Mart, Dominion Stores, Dominion Bakeries, Miracle Food Mart, and Harwood Secondary School for their donations. A special thanks to Regional

## Pickering High School News

by Margaret Robertson

It is the week before exams, and all through the school students are moaning and groaning, trying to get out of writing. Let us not speak of exams but of news.

Music Night was held on Dec. 8th. It was a big success.

The Christmas Assembly was on December 10th. Admission cost was either twenty-five cents or a can of food.

Jade House presents its annual Penny Chain. Bring in your pennies. Every twenty cents gets a point for your House.

Orange House also presents its annual Dominion Grocery Food tapes. Bring in the tapes, and they will be exchanged for money which will go to the Ajax-Pickering Hospital.

The Formal is already being planned. This year's Formal is being held at the Sheridan Centre (formerly the Four Seasons Sheridan) on Valentine's Day. Tickets cost \$25 per couple.

Councillor Alex Robertson for giving the Kinsmen and Kinettes much appreciated assistance.

### EAST SHORE COMMUNITY CENTRE

The official opening of the East Shore Community Centre took place last Saturday. The many people who attended this momentous event were very impressed with the new facilities now available to them. I know the people who have worked so hard to make this centre a reality were gratified at the huge turn out and the obvious enthusiasm of the citizens.

Mr. Ralph Bradley, the president of E.S.C.A. began the proceedings with opening remarks. Mr. Dave Bass, Director of Recreation and Transportation was the master of ceremonies. Deputy Mayor Jack Anderson had the honour of cutting the red ribbon. After a short address from Area Councillor Don Kitchen, and Regional Councillor Alex Robertson, the passing of the key ceremony took place.

Mr. Bill Beddall, the architect of this fine building, passed the key to Deputy Mayor Jack Anderson who passed the key to Noel Marshall, the Town Clerk. Mr. Marshall then passed the key to Mr. Dave Bass, who in turn gave it to Ralph Bradley, the President of E.S.C.A.

While enjoying refreshments, everyone was able to visit the displays of many local community organizations, some of which will be using the facilities of the new centre. Representatives from the following organizations were present: Softball, P.H.A., Community Care, Keep-Fit, Volleyball, St. John's Ambulance, Soccer, Ajax-Pickering Social Planning Council, Sandy Beach Tennis Club, 4th Bay Ridges, Ringette, South Pickering Senior Citizens, Town of Pickering Recreation and Transportation Department and Block Parents.

This fine community centre is a dream finally come true. The success of this centre depends a great deal on public support and participation. The E.S.C.A. members need help. They need you to serve on the executive and to help out when needed. Don't let them down.

If you wish to enquire about available bookings, please phone Mrs. J. Smart, 839-2433.

### VISIT KEN WILLIAMS

Ken Williams, a resident of Rosebank Nursing Home, will be selling key chains and Christmas decorations on Fri. evening, Dec. 17, and all day Sat., Dec. 18 in the Sheridan Mall, across from St. Clair Paint and Paper. This enthusiastic young gentleman designed the key chains and decorations himself. He also received help in making them from some of the other residents of Rosebank. All the money Ken makes will be donated to the Community Care Programme.

### GIBSON HOUSE AND JACK IN THE BEANSTALK

Last week, five primary classrooms from Sir John A. Macdonald School went on a trip they will never forget. The first stop was Gibson House, a pioneer home in North Toronto. The children had a conducted tour through the house and saw Christmas preparations typical of those in pioneer Ontario one hundred years ago.

After lunch the children attended a special matinee performance of Jack and the Beanstalk, done in traditional English Pantomime. The costumes, music, settings and actors were superb. The children were encouraged to hiss the villain, warn Jack when he was in trouble and join in the singing. I'm sure all the children from Sir John A. who attended this fine performance will never forget Jack and the Beanstalk. As far as they are concerned, English Pantomime is here to stay.

### INDOOR SOCCER - 1977

The Bay Ridges Soccer Club will be holding a registration night for indoor soccer on Tues. Jan. 4, 1977 at East Shore Community Centre from 7-9 p.m. The registration fee is only \$2 per person. The indoor soccer will be every Tuesday night starting Jan. 11 at the same location. All boys between the ages of 6-14 are encouraged to join. What an excellent way to improve your soccer skills and be in top shape for the 1977 season. For further information please call Len Visconti, 839-4124 or Cecil Bond, 839-2043.

## West Hill Sweep

Led by Mike Jung with 5 goals, plus 2 each from his linemates Bernie Doyle and Danny O'Callaghan West Hill's Shamrock Burger Minor Peewee Selects swept a 3 game series in Hartford, Conn. on Nov. 27 and 28. Saturday morning the host Glastonbury Hockey Club A Peewee team was the opposition in a tight 4 - 3 struggle as Brad Fentie provided West Hill with superb goaltending. Saturday afternoon the neighbouring Withersfield Hockey Club B Peewee team fell 9 - 1 to West Hill. Goal scorers included Barry Clayton, Paul Keller, Scott Cardle, Steve Fessenden and Richy Saunders. Wayne Einhorn just missed getting his shut-out. Sunday morning Glastonbury iced a very strong Select team, backed up by the A team goaltender and West Hill had to come on from behind for a 4 - 2 victory. The well balanced West Hill team also included Kevin Des Roches, Terry Cutts, David Humphrey, David Attwell, Allan Reynolds, Steve

Harlow, Don Harris and Tom Russell. The trip was a wonderful experience for the boys and many new friendships were begun.

## Rink Rat Report

**MINOR ATOM "AA"**  
 The big match-up of the season was played last Thursday when the two West Hill Minor teams (AA Twice Arena Flyers and A-Cougars) played each other. Both teams lead their own division and have compiled impressive statistics. The Cougars scored early in the first period and played aggressively throughout the contest. The better skating and shooting of the Flyers was soon in evidence and they pulled away to an easy 7-1 victory. David Myrvold led the Flyers with a true "hat trick" (3 goals in succession) followed by David Clayton with two goals and singletons going to Mark Humphrey and John Blessman. Assists were gained by Danny Hammond (2), David Bell (2), Chris Karakasilis, Ian Pike, Jamie Galbraith, Doug Cherepacha, Len Chapman and David Nyrvold. After the Cougars scored their early goal, Ronnie Tugnutt played a steady game in net to blank the opposition for the rest of the game. The West Hill Flyers are now unbeaten after thirteen league games and have scored 79 goals while allowing only 19 goals. They have defeated three of the better teams from the older age division in the Atom "A" league.

On Saturday the Flyers swamped an Atom House League Selection team from Agincourt by a score of 13-2.

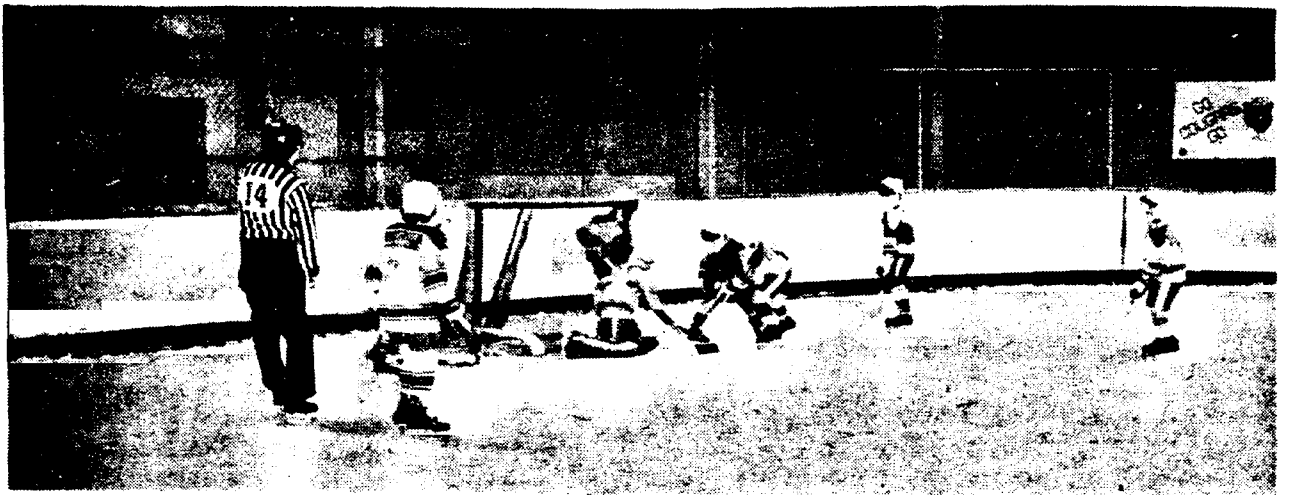

**ATOM AA**  
 Hardy Insurance Beavers were indeed the "busy beavers" this week, playing three games, of which two were important victories.

In the week's first game the Beavers blanked Clairlea 3-0 in an excellent all around performance. Scoring for Hardy Insurance were Jeff Brownlea, Willie Bingham and Rodney Boswell. On Jeff's goal Richard Marsh was the playmaker while Paul Haney and Jamie Gordon set up Willie for his goal and Rodney's final goal was with an assist from Mark Goldie.

In the following game, against Agincourt Canadiens, the Beavers romped to an easy 7-1 triumph while outshooting them 21-10. Goals came in pairs in this game as Rodney Boswell, Willie Bingham and Jimmy Martin each scored twice with the single goal scored by Paul Haney. Paul set up two goals as well for a creditable night, other assists went to Grant Mustard, Wayne Millson, Jeff Brownlea, Darryl McLellan, Willie Bingham, Jamie Gordon, of these Darryl collected three.

Last game of the week was a heartbreaker with the Beavers losing a squeaker 2-1 to the Agincourt Lions. Jeff Brownlea scored the lone goal for Beavers, assisted by Grant Mustard and Rodney Boswell. In goal for Hardy Insurance in this game was David Waldock who was called upon to make many outstanding saves throughout the game.

**MINOR BANTAM**  
 Pizza Nova, with two wins this week, moved into a first place tie with Cedar Hill, climaxing a long climb. In the week's first game, Pizza Nova defeated Agincourt Canadiens 5-3 with Steven Goldsmith playing steady goal. Scoring for Pizza Nova went like this: Darcy Gallagher from Glen Bissett, Bart Cramarossa unassisted, Colin

The Twice Arena Flyers and the Johnston Machinery Sales Cougars of West Hill Hockey Association, thrash it out at Art Thompson Arena in Pickering. The Flyers defeated the Cougars 7-1. (Photo - Valerie Roddsmith)

McAuley also unassisted, Mark McErlean from Mark Walsh and Scott Bowers and finally another unassisted goal, this time by Tony Long.

Second game, Pizza Nova 3, Clairlea 1, with Paul Pinsent tending admirable goal for the West Hill team. Tony Long picked up where he left off in the preceding game as Tony bagged the first Pizza Nova goal although on this one he needed help from Colin McAuley and Bart Cramarossa. Second goal went to Stephen Yarrow from Scott Bowers and Darcy Gallagher with the final goal scored by Darcy himself assisted by Jeff Wilson.

That, regrettably is all we have for team reports this week.

**OVERTIME**  
 In the week's big match-up between Twice Arena Flyers and Johnson Machinery Cougars - a good report of which you see above, by Mr. Myrvold - two players, Dirk McNaughton and David Trombley played fine hockey in contributing strongly to their clubs win, yet neither appears in the games scoring statistics - so boys this is just a little reminder that everyone, fans and coaches and especially your own teammates, know two good players when they see them.

Scott Bowers, whose name you may have noticed in Pizza Nova's weekly scoring, was called up from the "A" club to fill in for injuries. Scott fitted in extremely well and his contribution was appreciated.

This coming week-end sees West Hill participating in the first leg of the Rochester exchange as Johnson

This coming week-end sees West Hill participating in the first leg of the Rochester exchange as Johnson Machinery Hardy Insurance and Minor PeeWee "A" clubs travel to Rochester for two games each while Maco Construction, Pizza Nova and Federal Pioneer entertain their Rochester counterparts for two games. While on the subject of entertaining, Lee Franck, as well as managing her team is arranging for the hospitality hour for the visitors while Paul looks after the tournament - Looks like a busy week-end in the Franck household.

The S.H.A. Christmas Tournament will see nine West Hill clubs participating with a total of some 59 teams in total taking part, eleven of which will be out of towners. See you next week

## Dolphins Splash Party

Everyone was in high spirits at the annual splash party held by the Scarborough Dolphin Swim

Club at West Hill Collegiate Pool on Sun. Dec. 12.

Relay races were held and family and friends joined in the fun, including the traditional antic of throwing the coaches and managers in the pool fully clothed.

Refreshments were served in the cafeteria and a mother of one of the swimmers made an attractive and delicious "dolphin cake" for the event.

The club is looking forward to another great year in '77.

**RITSON AUTO BODY**

A Highly Respected Name Serving The Region  
83 Ritson S. Rear) 728-1573

RITSON AUTO BODY is a notable example of substantial growth and steady progress by providing consistent quality workmanship at reasonable prices. They are distinctive leaders who have won the confidence and respect of insurance adjusters and the motoring public throughout Durham Region. Very few businesses can point to a record of satisfied customers that has been compiled by RITSON AUTO BODY which opened in 1965. It is successfully guided by GEORGE DRAGOMOTZ who is assisted by TONY MAZZOTTA and GERRY SAVOIE, who can take honest pride in the many jobs this shop has completed. The personnel at this firm are professionals who fully understand body and fender work, are expert painters, capable of matching the new paint with the original. So whether your job is a small crease or a roll-over, we know you will be entirely satisfied with their work. And, please remember that most insurance companies now permit you to choose the body shop you like best to repair your car, so choose RITSON AUTO BODY to do all your COLLISION work.

**Dunbarton High School News**  
by Cindy Mason  
A tragic happening occurred when Peggy Heinzler, a former third year Dunbarton High School student, died due to injuries incurred by a car accident on Tues. Dec 7. Peggy was a passenger in the car which her mother was driving, when it was hit from the broadside. Peggy suffered a crushed pelvis and multiple head injuries. She was rushed to the hospital and survived for twenty-four hours in a coma before she died early Thursday evening. Some of Peggy's friends are planning to collect money from her classmates, which will be used to erect a memorial, in Peggy's name, in the high school. Dunbarton has many clubs, but the most active of these is the Outward Bound Club. This is the club's fourth year in the school, and at this time it has evolved into one of the school's best-equipped and most popular clubs. The club members have worked for their equipment through activities such as 'car washes' and 'snow shovelling'. The club has access to its own canoes, snow-shoes, cross-country skiing and camping equipment. The club has used the Kiwanis Club van to take two or three day, chaperoned skiing or backpacking excursions to wilderness areas such as Algonquin Park, Tobermory, and Killarney. The club members work very hard but they also receive a great deal of enjoyment through belonging to this extremely active club. On the sports scene: Dunbarton's basketball teams continue to dribble their way to victory. The Midget boy's basketball team defeated Anderson Collegiate in Whitby 50-49. Special mention should be made of Bob Hunt, Tom Allen, and Sean McClare. On Tues. Dec. 7, the senior boy's basketball team began their season on a winning note and they defeated O'Neil Collegiate 88-51. Due to injuries, five of the basketball players were on the court for almost the entire game. The top scorers were: Bruce Briard 21 pts. (including 9 of 11 foul shots); Dave Bayliss 15 pts.; Jeff Dobbin 18 pts.; Bill Leonhardt 16 pts.; Roland Mueller 14 pts. On Thurs. Dec. 9, the senior boy's basketball team was defeated by Henry Street 80-64. Special mention should be made of Roland Mueller, who scored 22 points, and Jeff Dobbin, who scored 13 points. The junior team also lost to Henry Street, as did the midget basketball team. The junior girl's basketball team competed in a tournament at Donovan Collegiate, placing first in the semi-finals, but they were defeated in the finals. In the basketball season they placed 5th out of 16 schools and deserve to be congratulated on a fine showing. Donna Ronan was the highest scorer and Kim Frost and Debbie Toring have been named as outstanding players. In girls intramural floor hockey, team 2 beat team 4 by a score of 8-4. Tara MacKay was top scorer for
