# Public Rally On Saturday

A press conference was held recently at the Durham Board of Education. Moderated by the Durham Coalition For Public Education's Co-ordinator, Carol Dempsey, its purpose was to notify all Durham Region residents of the upcoming "Queen's Park Rally to Preserve Public Education" to be held Sat. Nov. 2nd at 1:30 p.m. in front of the Ontario Legislature in Toronto.

The Coalition is an organization whose intent is to urge taxpayers to take action to preserve Ontario's tradition of excellence in public education by opposing Bill 30.

The tone of the press conference was set by Durham Board of Education Chairman, Ruth Lafarga, when she predicted that rising costs to taxpayers and a reduced level of quality in the education system would be a direct result of Bill 30's intention to extend full public funding to Roman Catholic separate schools.

"Bill 30 would put undue financial strain on the

already under-funded public education system and would foster discrimination and prejudice by splitting our communities on religious lines," said Mrs. Lafarga, "and is in direct violation of our Charter of Rights."

Other speakers included Al Drennan representing the Ontario Public School Teachers' Federation, Gloria Woodside, a concerned Oshawa ratepayer and parent of two preschool children, June MacLean, president of the Durham Home and School Association, Bev Tindall of the Ontario Secondary School Teachers' Federation and Stuart McEntyre representing the Presbyterian Church of Canada in Ontario and a member of the steering committee for the Coalition for Public Education.

Residents may call the Toronto rally hotline at 286-1836 (collect calls accepted) or 688-5231 in Durham for more information or assistance with transportation to the rally.

## PICKERING

# POST

## Dickerson Wants Team Spirit

Doug Dickerson is a candidate for Regional Councillor, Ward 2, Pickering.

Doug says "The theme also implies a readiness to form a team spirit on council." "For seven individuals to collectively work together for the future of our town and for the realization of one day looking back on our term of office with pride and being able to say "WE" rather than "I" accomplished some good is what it's all about," he adds.

Mr. Dickerson says that council must form a top flight industrial promotion team and actively seek out business if it wants the local jobs and revenue they create.

"How long can we tolerate the transportation chaos created each day just trying to get to work - and getting worse each year? We must try to move the jobs to the people - not the people to the jobs," Doug adds.

He also wants a breather to allow Pickering's hous-

ing market to catch up to itself. He points out that the school system is unable to stand the strain. Overcrowding is already much in evidence at Vaughan Willard just five years after an extension got built.

"Where is the school promised for Maple Ridge? For Glendale II? Why should our young children have to be bussed anywhere?" Doug asks.

"This problem is certainly not unique to just Ward 2. It's happening across the town. Our hospital (in Ajax) is strained. Our bus system is strained. Our police force is strained," the candidate points out.

Dickerson says the contracting out of garbage collection, over the objections of 6,000 residents, has been an experiment which has failed and must be reversed for the good of the town.

He also wants to bring pressure to bear on the federal postal service. New sub-divisions are being told they will not get home delivery but must still pay \$4 to mail a letter. Dickerson notes and feels that the post office must upgrade its level of service.

On the garbage dump question Doug Dickerson says that many people living within any proximity to the garbage dump find the odours obnoxious.

"And yet our Regional Councillors continue to negotiate with Metro for more land so that we may

### TEEN FIT

Are your Calvins a little too snug? Getting ready to try out for your school team? Looking to get fit? Then join the Teen Fit exercise class! This is a 45 minute session held every Tuesday and Thursday at the Pickering Recreation Complex 5 - 5:45 p.m. It is designed to increase your endurance, strength, and flexibility. It's a way to have fun while shaping up!

Because you are always working at your own pace, this class is suitable for a varsity athlete, a weekend jockette, or just the everyday normal person who does care about keeping themselves in the best possible shape. Mats are not provided, so please bring your own or a thick towel. Proper supportive running aerobic shoes are strongly recommended. Smiles and laughs are built into the class!

Registrations are accepted at the Municipal Office (cheque or VISA accepted at the Pickering Recreation Complex). Cost is \$35 for 15 weeks - 30 classes. Co-ed class.

### NURSERY SCHOOL

The Pickering Ajax Family Y will be running a Junior Y Nursery School and Junior Kindergarten at the Radom St. Complex in Pickering. Nursery School will be held on Tuesdays and Thursdays and Junior Kindergarten on Mondays, Wednesdays and Fridays. Register now for September at the Pickering Ajax Family YMCA offices. Call 839-8011 or 686-1828.

Keith Pymar, a resident of Pickering for 5 years, has declared his candidacy as Public School Trustee for Ward 3.

Keith brings a business background in the field of financial and educational issues which will arise during the next term of office.

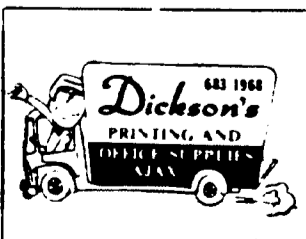

The candidate has concerns for the education of children in the Durham Region. He believes that constructive criticism and communication by the taxpayer, both young and old, will lead to a healthy and better education system.

Too many of us forget that over 50% of each tax dollar spent, is used for the education service.

Married to Gelda, the Pymars have one daughter, Helen, who is a student at Pickering High School.

Keith welcomes your concerns regarding education and can be reached at: 686-2643.

## The Myth Of Politics

The current municipal election campaign is bringing out numerous candidates who say they are for many of the "nice things of life" and still talk about holding the line on taxes.

A number of people are telling candidates for school board that Scarborough can have heritage language classes at public expense without costing local taxpayers a cent! If anyone believes that their early grades' mathematics are faulty. Whether the Ontario government or Metro Toronto School Board pays the bill it costs us all taxes.

We still believe that taxpayers are waiting to vote for candidates who talk about "holding the line" and "lowering taxes". There are only two ways to cut taxes - one is to eliminate or reduce services and the other is to get more revenue. As extra revenue almost always comes to local municipalities via provincial grants (which cost tax dollars for somebody), this is no way to cut taxes.

Running government is a costly affair and economical short cuts usually don't work because of the system. However, we believe municipal candidates should be talking "economy". If we don't start soon on cutting out the "frills" of local government, we will find that our lovely communities will fall apart and in time become human waste lands.

All levels of government should be cost cutting or we will leave a bankrupt system for our grandchildren - and they will refer to us as the "destroyers of a great land".

### QUEEN'S PARK REPORT

by Alvin Curling

Minister of Housing  
M.P.P. Scarborough North

I am delighted to have this opportunity to address the people of Scarborough North through the pages of the Agincourt News. I feel a strong responsibility to the citizens who elected me, and every possible opportunity to inform you of the activities of the Government of Ontario, and of your M.P.P. is a welcome opportunity. It has been a very busy and challenging five months since last spring's provincial election.

As you are aware, the riding of Scarborough North has the largest population of any riding in the Province of Ontario. More than 200,000 people live in our riding - which is bounded on the west by Victoria Park Avenue and the east by the Pickering Town Line; on the north by Steeles Avenue and on the south by Highway 401 - excepting the area west of Kennedy Road which runs south to Lawrence Avenue.

The riding is a microcosm of urban Canada. We have a rich and diverse population, made up of citizens whose ancestors have been in this country for six generations as well as citizens who are first-generation Canadians, drawn from every continent of the globe. This creates a magnificent social fabric, a cultural resource which few communities can duplicate.

Since the election in May, I have spoken to more than fifty community groups - and I have been profoundly impressed by the degree of community involvement that exists in our riding. People contributing their time and effort to make this a better place to live for themselves and their children - there can be no greater resource for any community.

As you are likely aware, my Constituency Office was officially opened in July, and my staff there is answering an average of sixty calls daily. It is a real challenge to serve the people of this riding - but we are determined to do so with full dedication. In later columns, I will be reporting to you on the events at Queen's Park and on my own activities as Minister of Housing.

However, I would like to conclude this column by saying that if there is any assistance my Constituency Office can provide, please do not hesitate to call 297-5040. The office is located at 4002 Sheppard Avenue East (at the corner of Kennedy Road). The staff members presently include Mr. Joe Ewers, Co-Ordinator, and Mrs. Joan Sleep, Administrative Assistant. Both Joe and Joan will be delighted to hear from you.

## Choosing The Right One

Buying your first personal computer sounds like a real party, but when it comes time to drop your large bills on the counter in exchange for the hardware, software and those mysterious mountains of manuals, you may not be so sure.

Jim Butterfield, resident guest expert and co-host on TVO's The Academy of Computers and associate editor of Compute! magazine will show you how to choose the right microcomputer for your needs.

Bring your questions to Albert Campbell District Library, 496 Birchmount Rd. on Tues. Nov. 5 at 7:30 p.m. and ask an expert.

Norm Kelly's mayoralty campaign headquarters opened with great fanfare Sept. 27th as 200 supporters turned out to cheer on their candidate. They were entertained by the Metro Tones Steel Band. Seen with Mr. Kelly in the photo is Scarborough artist Steve Hosten and his painting of Scarborough historical sites. The Kelly campaign is offering a limited edition of this work at \$150 each, as a fund raising effort. Anyone interested in purchasing a print is asked to contact Kelly Campaign Headquarters at 2978 Eglinton Ave. The phone number is 431-9622 and the office is open from 9 to 9 daily.

### New Horizons Grants

Reg Stackhouse, M.P. - Scarborough West, says that two New Horizons Grants have been awarded in Scarborough West.

A grant of \$1,538.00 will be made to the Gordonridge Seniors Club of Scarborough to set up an information and printing service for seniors to include information bulletins to be sent to club members.

The Teesdale Happy Hours Club will receive a grant of \$3,584.00 in order to assist in the updating and replacing of some of the Club's equipment to enable the group to have bingos, darts, and assorted table games.

### Coins At Hallowe'en Help Save Millions

Money collected on Hallowe'en night by Canadian school children is helping to spread the life-saving knowledge of one of this decade's most significant medical advances. The United Nations Children's Fund, UNICEF, is saving the lives of millions of children through the distribution of oral Rehydration Sales (ORS). ORS prevents and reverses dehydration caused by diarrhoea, the leading cause of child deaths in the world.

## Ottawa Report

Pauline Browes M.P.

Unemployment is a tragic, debilitating and frustrating experience for any individual regardless of their age. However, when someone over the age of 55 finds him or herself out of work it can be a nightmare beyond belief, says Pauline Browes M.P., Scarborough Centre.

"The figures are truly alarming. Right now in Ontario 33,000 people over the age of 55 are out of work. In Metro Toronto alone, the number of unemployed people over 45 stands at nearly 25,000. Most of these people have families and children to care for," adds Browes.

Browes' concern for the issue prompted her to address a question in the House of Commons to Employment Minister Flora Macdonald. "What provisions in the Canadian Jobs Strategy will directly benefit unemployed people over the age of 50?" Browes inquired. The Minister responded by saying, "The Canadian Jobs Strategy is designed to meet the needs of those who are most in need, particularly older workers. The program will provide older workers with opportunities to take part in the economic growth which is occurring in this country."

"Given the Minister's response, I am confident that the government is making every effort to assist older unemployed people find work and provide for their families," Browes commented.

### This Weeping Willow Ground

weeping willow weep for me,  
your finger teardrops falling,  
reaching groundward, silent kisses,  
nature's heart is calling:  
bending sadly, lithely perfect,  
tiny branches so entwining,  
softly, sweetly, green and vibrant,  
your aromatic carpet lining.

hang your weary, misty tassels, shake  
your feathered dewy head,  
arouse those sleepy, dusty leaflets,  
wake them from their glassy bed;  
wave them freely in the airways,  
show them forth to all the world,  
for your very beauty moves me,  
seeing you serenely furled.

### Personalized Licence Plates

"If you're planning to give personalized licence plates for Christmas gifts, order now," advises Transportation and Communications Minister Ed Fulton. The plates take six weeks to be delivered and cost \$100 a set.

"Last year we processed over 10,000 plates during the Christmas season and had a busy time trying to get them all out on time," said Fulton. "This year, we'd like to avoid the rush and ensure everyone gets their plates on time. So, we're encouraging people to place their orders by the first week in November if they plan to give personalized plates for Christmas presents."

### Recycling Signs

Ward 4 alderman candidate Carole Lidgold believes in re-cycling and is using her signs from her recent unsuccessful provincial campaign - she ran for the Liberals in Scarborough-Ellesmere. The signs after all are only a few months old. She's put a ward 4 sticker over the word Ellesmere. For a few hours over the weekend, the sticker on a sign on Kennedy Rd. came off probably causing some heads to turn as motorists wondered what election they were in.

### Delicate Negotiations

Carole's opponent for the ward 4 seat is incumbent Kurt Christensen. Kurt has a lot of council members angry with him over a press release he put out last week urging Council to oppose at the Ontario Municipal Board Toronto's approval of the CBC headquarters which Scarborough is also trying to get. Seems there have been some delicate negotiations going on over the piece of property the city would like to sell the CBC of which Kurt knew nothing and now council members fear he might have jeopardized the whole deal.

### Name Confusion

Speaking of Kurt, seems the ghost of Barry Christensen is continuing to haunt him even though Barry is not running in this election. Barry, ward 2 alderman, is quitting the municipal scene for a while. He was on council before Kurt and having the same surname has caused him nothing but headaches. Now it's Kurt's turn. Kurt told us he wasn't very pleased when one of his signs was removed from someone's lawn and the homeowner told it was because Christensen wasn't running.

### An Apple A Day

An apple a day may keep the doctor away and the teacher happy but Roy Paluoja hopes the apple will help him get elected. Roy, who is running for public school trustee in ward 14, has a big red apple on the front of his literature and on his buttons. He hopes voters will remember his name because the apple logo makes his literature distinctive among the stack of election material voters will have to sift through before election day.

### News Clippings For Gus

Mayor Gus Harris has a most interesting piece of election literature. While his opponents fill their literature with promises they most likely can't keep, the low keyed and always underestimated-as-an-opponent Gus is letting the newspaper clippings and photos in his huge brochure tell the story of the past three years in Scarborough with him at the helm.

## Disabled Students Raise Over \$100 For United Way

Students in Scarborough's only orthopaedic physical education class met Scarborough Board of Education officials for a game of wheelchair floor hockey at Sir William Osler Vocational School on Thurs. Oct. 17 to raise funds for United Way.

The class is part of a comprehensive secondary program offered at Osler to students 14 to 20 years of age who are severely physically disabled with conditions such as multiple sclerosis, spina bifida and cerebral palsy.

At 1:45 p.m. a second team of senior officials

played against the school's senior basketball team.

The school charged 25 to 50¢ admission to the

games, and fined each of the board teams a \$10 penalty, and raised over \$100 for UW.

## Centenary Hospital's Clinic Day

Family physicians from across Ontario will hear about new diagnostic techniques and medical treatments of common health problems at Centenary Hospital's Clinic

Day on Fri. Nov. 1 at the Ramada Renaissance Hotel.

Included will be lectures on such topics as malignant hyperthermia, the abuse of prescription drugs and arthroscopy update.

Dr. Robert M. Filler, surgeon-in-chief at The Hospital For Sick Children, will deliver the Paul

McGoey Memorial Lecture on the topic "Separating the Siamese Twins". The lecture was named after

the late orthopedic surgeon who was a founding member of Centenary Hospital.

## Films For Seniors

The film series Senior Cinema continues at Taylor Memorial Branch Library, 1440 Kingston Rd., with the following films on Mon. Nov. 4 at 1:30 p.m.

"Highland Regiments", a visual and panoramic impression of all 16 Canadian Highland regiments; and "Tale of Twin Cities", Toronto and Amsterdam, twin cities since 1969, are visited.

Two films will be shown

at Cedarbrae District Library, 545 Markham Rd. on Wed. Nov. 6 at 2 p.m.

The films are "Melina Mercouri's Athens", enjoy a guided tour of Athens by this well-known Greek actress; and "Political Dynamite", a story by W. O. Mitchell about a group of very righteous ladies who clash with the men over the issue of Sunday curling.

## Faubert Seeks

### Re-Election

Controller Frank Faubert, who has served on Scarborough Council for 16 years, has announced his intention of seeking re-election to Board of Control.

In announcing his re-election plans, Mr. Faubert pointed to his solid record of leadership and achievement as the foundation upon which he intends to build his campaign strategy for the Nov. 12th municipal election.

"During the last election campaign, I focussed on a number of issues that required immediate attention and promised to find solutions that would take Scarborough's unique community profile into consideration," he said.

"I kept those promises and I believe the results speak for themselves."

Faubert said future councils will need to handle the changing, growing community and leadership and experience will count.

## Seeks Re-Election

Scarborough Ward 11 Alderman Scott Cavalier has launched his bid for re-election to Scarborough Council.

"Ward 11 has grown rapidly in the past three years. This community will need an experienced representative on Council," Scott said announcing his candidacy.

"There are a number of ongoing issues: I want to ensure these are brought before Council by someone who knows them," he added.

"Transportation, planning, public services and facilities and fair taxation are important to residents of Ward 11. In the past three years, I have worked closely with people in the community to see that their views are heard on these issues," the alderman candidate said.

Cavalier also stressed: "In a ward such as mine, for instance, people are paying two and sometimes three times the property taxes paid by residents of older sections of the City. And, they are paying these taxes for fewer services." "I will be working to bring market value assessment to Scarborough. In this way, residents of my ward and other, newer areas, will see their taxes reduced from their present levels. And, for those taxes, I want to see public services, such as parks, the TTC and recreational and community services improved for Ward 11," he concluded.

### For Alderman Ward 10

Maureen Prinsloo is seeking a further term of office as alderman for Ward 10.

First elected in 1978, Maureen still feels an excitement and enthusiasm for her job. She commented, "the next three years will be one of excitement, but one in which tough decisions will have to be made."

She feels that the decision on Network 2011, the \$200 Million transit proposal to take Metro into the 21st Century will be the major decision in 1986 and says that Scarborough Council must press for the complete extension of the Sheppard subway line to the Town Centre as the first priority.

"On a local level the construction of the District Library north of the 401 must commence as soon as possible," said Maureen.

Agincourt, Bridlewood and Woodside Square neighbourhood libraries serve the community well but they need the resources of a District Library to complement the services, added Maureen Prinsloo.

Alderman Prinsloo has been a resident of Scarborough for 19 years and lives in the Bridlewood community.

## Seeks Separate School Trustee

Pat Marum is seeking election as separate school trustee for Ward 22 (Scarborough Wards 10, 11, 12 and 13).

Born near Dublin in Ireland, he moved to Canada in 1973 and since then has lived in Scarborough.

Married, he is the father of three children - Edward, Sara and Jane, two of whom are students at St. Ignatius of Loyola on McCowan Rd.

The candidate has taken a keen interest in the Metropolitan Separate School Board and has attended at many of its meetings.

Pat is committed to reduce spending, review class size policy and insure full funding issue is completed in an acceptable form.

## THE CAPTAIN

When Mario Colangelo, christened the first location of the Port of Beauty in 1964, he launched this business into the sea of beauty with great determination to succeed. Today there are four Ports of Beauty manned by first mates and a crew that are better known and the "Professional Team". Behind every success story is hard work and dedication. Nobody is more dedicated to the beauty profession, than Mario Colangelo.

In an ongoing effort to broaden his knowledge, and to keep abreast of what's new in the field of beauty, "Mario" continues to attend hairstyling conventions, shows, and seminars, whereby he keeps his talented fingers very closely on the pulse of all that's new in the latest hair fashions, and the professional techniques that are used around the world.

These new hair styles and techniques are then taught by "Mario" to his "Professional Team", enabling each and every member to improve their performance and maintain the highest standards in all salons, enabling them to provide their clients with only the best in: Creative Hairstyles, Uniformity in all Treatments, Hair Care and Maintenance, and Product Knowledge.

# Doing What They Do Best

Mario and his Professional Team, are involved in various shows both locally and in the United States. Here are a few pictures from some of them.

Mario is putting on a Hair Cutting and Styling demonstration at the Timothy Eaton Secondary School.

Here we see Mario doing a presentation at the Beautiful You Show, in Toronto.

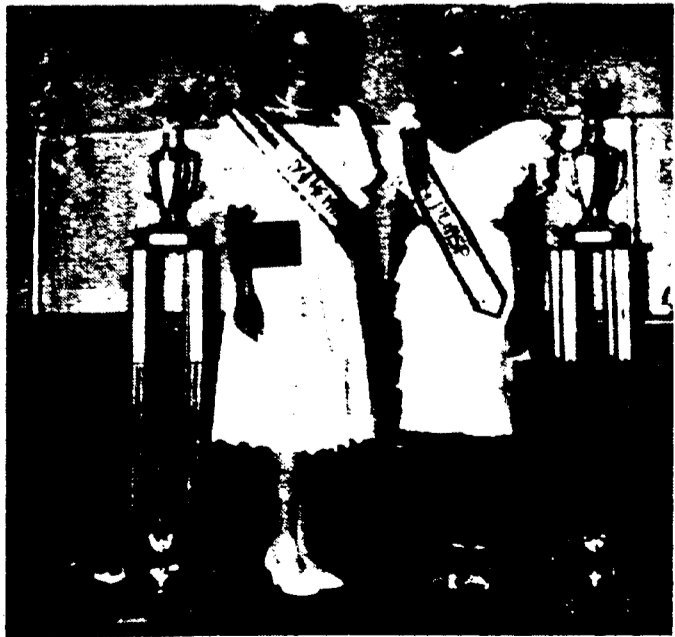

Mario travelled to Pittsburgh and Styling Competition.

This photo was taken at the Women's Show, which was held at Toronto's New Convention Centre. Here Mario is explaining the Computerized Printout of a young ladies Computerized Hair Analysis.

Mario and his Professional Team are often requested to do Platform Work, and Beauty Industry Shows. Here are two pictures from their recent demonstration in New York City.

These are two of the contestants from the Miss Hemisphere pageant, where Mario was one of the Judges.

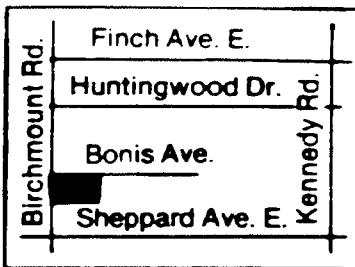

Being community minded the Port of Beauty are sponsors of soccer teams, and here is a photo of one of their teams who were the 1983 North York Epiphany Soccer League Champions.

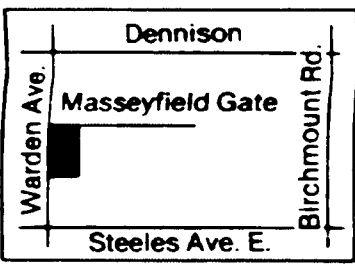

Computerized Hair Analysis, is the most advanced, scientific, method available to analyze your particular hair structure. At the Port of Beauty, they perform this analysis before any major salon services are done, such as: Perms, Tints, etc. The photo on the left shows Mario feeding the necessary information into the computer. The picture above shows Mario explaining the results of the computer printout.

# Understanding Adolescents

Why does your son wear an earring? How come your 13-year old daughter thinks wearing mascara and dressing like Madonna is "viciously awesome"?

If you want the answers to these and the many other questions parents of teens ask every day, you will be interested in this discussion program entitled Understanding

Adolescents.

Brenda Chalmers, a child and family social worker with many years experience dealing with all age groups from kindergarten to high school, will try to explain why teens and pre-teens act the way they do. Mrs. Chalmers will also talk about peer pressure, male and female development

and personal standards.

This program is co-sponsored by the Phyllis Griffiths Neighbourhood Centre and will take place

at Taylor Memorial Branch Library, 1440 Kingston Rd. on consecutive Tuesdays, Nov. 5, 12 and 19 at 7:30 p.m.

## Get Into The Hallowe'en Spirit

This year you can get into the Halloween spirit with the aid of some entertaining readings suitable to this spooky time of year.

Umpteen Writers 'Neath A Halloween Moon is a program featuring the writings, poems, short stories and essays composed and read by a talented group of writers including the Wordsmiths, the Castle Frank Knights and the Scarborough Writer's

Group.

Special guest Dale Loucareas, who has written such books as Starlines & Sunspots and The Female Eunique, will also read from her works. She is a noted poet and is well known for her humorous and outspoken style.

This program will take place at Cedarbrae District Library, 545 Markham Rd. on Wed. Oct. 30 at 7:30 p.m. Feel free to wear a costume!

## Centennial Rouge United Church

by Millie Hull

What do you see? The topic for sermon on Sunday as usual was thought provoking and interesting. Someone can look at a stone and see just that; another might see a beautiful piece of sculpture. A falling apple is just that or may produce a great theory in the world of science. How do you see things?

It is hoped we can find the greater aspects in everyday, commonplace things which may lead us on to better lives not only for ourselves but for those around us.

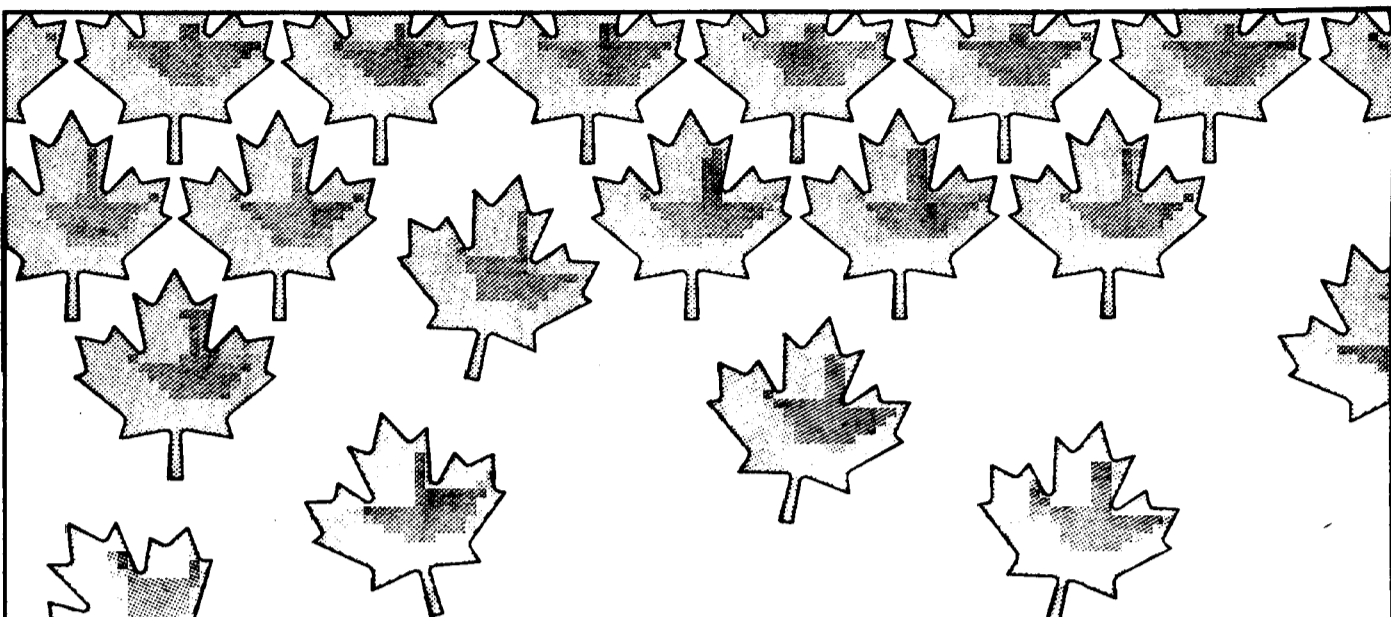

The Pastoral Relations Committee is working to find a replacement for Mr. Butler who leaves us the end of November. This is no easy task but one which has to be done, as well as some very sound thinking on the future of our little church.

In early November the Stewardship program will

take place and this is not solely for financial purposes but we are in need of hard working committee members. Think about it seriously and be ready to make a commitment of talent, time and money when the campaign starts.

Our Bazaar is only two weeks away! Is your knitting finished? Are your handcrafts ready? Have you planned your donations for the bake table? We hope they will all be ready for Sat. Nov. 16th at 10 a.m. Luncheon and/or tea will be available as well and the Christmas Corner always is an attraction.

Dates to remember are United Church Women meeting Tues. Nov. 12th; Seniors Luncheon on Mon. Nov. 18th; Stewardship the week of Nov. 5th and Nov. 24th the date of Mr. Butler's final service with us. Plan to support them all!

## Why Celebrate Heritage Week?

The Ontario Historical Society is sponsoring a workshop on Sat. Nov. 9 at Black Creek Pioneer Village designed to assist individuals, organizations and schools wishing to involve their communities in Heritage Week celebrations during the third week in February.

Topics will include: Heritage Week: What's It All About; Successful

Heritage Week Programs; Tips for Temporary Displays; Preserving our Built Heritage; and Getting Everyone Involved.

The cost is \$15 per person and includes a Heritage Week kit of resource materials. Registration deadline is Nov. 1.

For registration details call The Ontario Historical Society at 226-9011.

## Thrift Villa Now At 3 Locations

Thrift Villa, a unique fundraising venture in cooperation with the Metropolitan Toronto Association for the Mentally Retarded, opened its second store at 703 Queen St.

Autumn leaves, beautiful while on the trees, are treacherous on the ground. Drive with extra care when leaves are making slippery patches on the roadway, asks the Ontario Safety League.

E. at Broadview on Aug. 13.

Riding quickly on the heels of the success of the first store at 303 Augusta and its Queen St. location, Thrift Villa has opened its third store at 921 Eglinton Ave. at Warden.

Visit one of Thrift Villa's three locations, by being a wise shopper you are helping the Association raise much-needed dollars.

## The Arts & Business

## Arts Scarborough's Auction Extravaganza

Bid on anything from a pipe to a pony at Art Scarborough's auction extravaganza at the Ramada Renaissance Hotel, 2035 Kennedy Rd. on Sun. Nov. 3 beginning at 1:30 p.m.

Professional auctioneer Al Nitkin will bring down the gavel on a stunning selection of items; the pipe belonged to Elwy Yost and the Pony is from the Hyundai stables.

Amongst the hot sellers in the art category are prints by Glen Loates, Fred Savard and Michael Dumas, a Nikita Marnier original and a handpainted plate by Paddie Haswell.

The adventure division features behind-the-scenes tours of the Metro Zoo, Ontario Science Centre and the Art Gallery of Ontario.

Several intriguing theatre packages are up for bid including a pair of cameo appearances in Scarborough Music Theatre's production of "Annie".

An autographed T-shirt and photograph of John Major are up for grabs in the specialty section, as are Veronica Tennant's ballet shoes, Andrew Davis' baton, an Andy Donato cartoon and a sign-

ed Maple Leaf hockey stick.

Peter Appleyard will be on hand to set the musical mood and Henry Shannon will be guest M.C.

Tickets, at \$10 for adults and \$5 for children under 12, include entrance to the

auction, musical entertainment, light munchies and a door prize draw.

The cash bar is extra and don't forget cash or cheque book for those fabulous bargain buys. For tickets and information call 755-2209.

## Opens 24th Season

Scarborough Music Theatre's 24th season opens Nov. 8th with the popular family Broadway musical 'Annie' in 12 performances only! Performances are Nov. 8th to 10th, 14th to 17th, 21st to 23rd, with times in the evenings at 8 p.m. and Sunday Matinees on Nov. 10th and 17th at 2 p.m.

Saturday matinees are on

Nov. 23rd only.

'Annie' is directed by Lorraine Green, Musical direction is by Bruce McGregor and Choreography by Karen Ginn.

All seats are \$8.50, students and seniors \$7 on Thursday and Sunday only.

For reservations call 264-2639, 11 a.m. to 10 p.m. daily.

## Wildlife Art Exhibit

Wildlife can be just as rich and varied near the city as in more remote areas, as urban residents can discover at a new exhibit-

iveness of business involvement in the arts.

The seminar will take place on Tues. Nov. 26 from 7 to 10 p.m. at Scarborough Civic Centre, in committee rooms 3 and 4.

The cost is \$10 per person and to obtain a registration form or for more details call Arts Scarborough at 755-2209.

tion and sale of wild life art, "Between the Watersheds", being presented at the Kortright Centre for Conservation until Nov. 24th.

Between the Watersheds displays the works of three Richmond Hill artists, David Fewster, Wayne Simkin and Ken Spearing. The show is the result of their observations in woodlots, wetlands, gravel pits and open fields between the watersheds of the Don and Humber rivers.

Fewster and Spearing are painters, while Simkin is a decoy carver. The three often sketch together, and they have had a previous group exhibition.

Close to 60 works will be on display in the Kortright show. For more details call 661-6600.

## 13th Annual Arts & Crafts Sale

Preceptor Alpha XI and Laureate Alpha Lambda Chapters of Beta Sigma Phi Sorority are presenting their 13th annual arts and crafts show and sale at Woburn Collegiate, 2222 Ellesmere Ave. on Sat. Nov. 16 from 10 a.m. to 4 p.m.

It will feature jewellery, Christmas decorations, china painting, sour dough

sculptures, hand painted silk, floral arrangements, ceramics, weaving, toys, macrame, books, pottery and much more.

All proceeds will go to the Scarborough disabled. Admission is \$1 and includes a draw for a handmade afghan and other handmade prizes. Refreshments will be available.

## New Daycare Centre Opens

A brand new daycare centre officially opens its doors on Fri. Nov. 8th at 2

p.m. The Armenian Centre Daycare at 30 Progress Court is a new modern facility which can accommodate up to 48 children this year.

The centre has modern classrooms and indoor and outdoor playgrounds. Programs are planned in Armenian and English.

Dr. Pergrouhi Sevadjan, a member of the Central Board of Directors of the Armenian General Benevolent Union, Toronto Chapter of a world wide organization, will attend the opening.

Expansion plans are underway for construction of a private elementary school at the site. The school is scheduled to open in September 1986.

## Christmas In The Village Now Available

Christmas in the Village, the popular annual event at Black Creek Pioneer Village, is even more attractive this year with the introduction of new programs for group visits and tours.

Experience the enchantment of an old-fashioned Christmas as it was celebrated in a 19th-Century village. Discover handmade, historical ornaments decorating Christmas trees, 19th-century toys, fresh bread baking in brick ovens, plum pudding, mincemeat and other Yuletide treats.

Groups of 20 or more will have their choice of two programs.

In the Group Visit program, visitors receive the following: an audio/visual presentation prior to entering the village, complimentary hot cider and Christmas cookie and a special guide brochure. Group Visits are \$5.50 per adult, \$3.50 for seniors, students, and children.

The Group Tour program also includes a guided walking tour of decorated homes, instructions for making traditional Christmas tree decorations, and a wagon or sleigh ride around the village. Group Tours are \$6.75 per adult, \$4.50 per seniors, students and children.

Christmas luncheons are available for groups in the Half Way House Dining Room. Sample menu items include soup of the day, turkey tortiere, cranberry sauce, pioneer bread, mincemeat pie, and more.

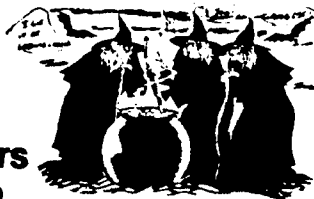

Christmas in the Village is open daily from Nov. 16 to Dec. 22. Interested groups should reserve at least two weeks in advance. For reservations call (416) 661-6600, ext. 209.

## Perfect Glass and Mirror Ltd.

For top-quality glass & mirror at factory prices

4490 Sheppard Ave. E. 292-8889  
(East of Brimley - Just East of Swiss Chateau)

If you are presently in need of glass replacement, or if you're contemplating on buying mirrors, whether it be a single hanging type, sliding mirror doors for your closets, or you want to mirror a whole wall, you should stop in at Perfect Glass and Mirror Ltd.

This business has been established since 1953, and is capably directed by Mr. Joseph S. Isakow, President, and Mr. Mark Spektor, Vice President.

They offer a service in all types of glass replacement, such as: Single Windows, Thermal Windows, Wooden or Aluminum Frame Windows, for Aluminum Doors, cut to any size for any need, like Furniture Tops, For Store Fronts, Office Buildings, or around the home.

When it comes to Mirror, you'll find hundreds of Framed Mirrors on display, or they can provide you with Mirrors for your walls, which makes a room seem twice the size. You can even change your present closet doors to Mirror, enhancing your entrance hall or your bedrooms. As well they offer Mirror Furniture, such as End Tables, Stands, etc.

For the past thirty-two years, Perfect Glass and Mirror Ltd., has been providing the people of our area with the best in service, excellence in quality glass and mirrors, and all at factory prices.

THE

## Wine-Shack INC.

The do-it-yourself headquarters of Metro East

897 O'Connor Dr. 757-6267  
(North of St. Clair - On the West Side)

The process of making wine or beer might be considered by most to be difficult, but with the advancement of both the method and supplies today, it's possible for everyone to make their own.

The Wine Shack Inc., has been providing the people of our community with all the necessary supplies, ingredients, and the know-how to make their own wine and beer since they first opened in July 1984.

This shop is very successfully owned and operated by Phylliss Lantorno, and David Long.

The art of making good wine and beer is not just confined to the Wineries and Breweries, but can also be accomplished in your own home. In fact, after you have gained experience with both technique and recipes, you will then be able to achieve a level of knowledge that will enable you to produce a finished product to suit your own particular good taste.

Here at The Wine Shack, you'll find everything you need, such as: primary and secondary fermenter containers, fermentation locks, hydrometers, siphon hoses and extenders, metabisulphate to control fermentation, as well as bottles, corks, and re-usable caps for beer. They also carry: malt extracts, sugar, yeast, corn syrup, grape concentrates, liqueur concentrates, etc.

## CARMELO'S PIZZERIA

For the best in Quality & Fast Service

4223 Sheppard Ave. E. 291-7851  
(at Midland - On the Southeast Corner)

Trying to find a good pizza is more than just opening the yellow pages... closing your eyes, and picking one out at random.

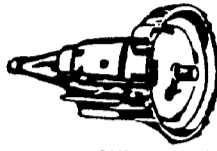

Unfortunately, the truly great pizza places are few and far between. There are a lot of cost conscious operators, who are only interested in profit, and the results are - Crust that look and taste like cooked cardboard; Sauce that is equal to ketchup; Cheese that's similar to plastic; and the extras you ordered are so sparse you have to really look to find them.

There are some pizza places that take a great deal of pride in their products, and Carmelo's Pizzeria should be the proudest of them all. This restaurant has been serving our community since November 1983, and is very successfully owned and operated by Mr. Carmelo Galluzzo.

Here they start off with their own fresh dough to make a Crust of a difference, a Sauce that is tasty and tangy, and a quality Cheese to enhance the flavour... now you can add your choice of Pepperoni, Mushrooms, Peppers, etc., to suit your own particular tastes. Now that's a Pizza that would even make the Italians proud.

As well as Pizza, they also feature: Ravioli, Spaghetti, Canneloni, Panzerotti, and "Daily Specials". They are fully licensed for your complete enjoyment.

So whether you eat in, or take-it-out, you'll find that here at Carmelo's Pizzeria, they put a "Little Pride and a Lot of Taste" in the oven with everything they make. You can save 50% on Pick-Up orders of either their Large or Party Size Pizza.

## Car-Man-Service Centre Inc.

Where satisfied customers refer their friends

1110 Birchmount Rd., Units 11 & 12 759-3019  
(Between Eglinton & Lawrence)

When your transmission goes, you're not going anywhere. Your transmission is only a coupling between the engine and differential, and its sole purpose is to transmit engine torque to the driving wheels.

This shop has been catering to the service needs of the motorists of Metro East, since 1973 and is owned and operated by Mr. Carmine Barone, who has 32 years of experience in automotive servicing.

Whether your vehicle has Front-Wheel Drive, Rear-Wheel Drive, 4-Wheel Drive, with an Automatic or Standard Transmission, these specialists can Repair, Replace, or Re-Build it, and they back their work with a 1-year unlimited mileage guarantee.

As well as Transmissions, they can also provide a complete service in: Drive Shafts, Rear Ends, Steering Pumps and Boxes, Power Brake Boosters, Air Pumps, Tune-Ups, Brake Service, Cooling Systems, Oil Changes and Lubrications, and Safety Inspections.

The simplest way to prolong transmission life, is to have regular check-ups, here at Car-Man Service Centre Inc., and when it's necessary, they will change the fluid, clean and or replace the filter and screen, and adjust the bands and linkage to save excessive wear, which will save you money in the long run.

Stop in soon and have your car checked out by these experts.

## EAST END AUTO COLLISION

"Your complete auto refinishing centre"

43 Hollinger Rd. 752-4040  
(South of Eglinton - Running West off Burnhamthorpe Road)

Without a doubt, East End Auto Collision has established a reputation as one of the foremost auto collision centres in Metro. What makes it even more impressive, is the fact that they have gained this recognition in just four short years.

This firm was founded in 1981, with the highest principles in business, and is very capably managed by Mr. Howard Laurence, who is an "Old Country Craftsman", with over a quarter of a century of experience in this field.

When you bring your vehicle into East End Auto Collision, they will go over it bumper to bumper and estimate it thoroughly, so that you're left with no surprises. Then you can have these automotive refinishing experts give your vehicle a new lease on life, with many more years of good looks and appearance.

Along with free estimates, here at East End Auto Collision, they have the most sophisticated Uni-Body and Frame Straightening Equipment, which enables them to re-check and measure using a Laser Beam. They do Migg Welding, and have the latest in painting facilities with their "Downdraft" Spray Booth, which is virtually Dust-Free. When you combine this, with their European 2-Stage method of painting, and a Baked-On finish, you end up with that new-car look.

## TWILIGHT SATELLITE ENTERPRISES

Offers a whole world of television viewing

1187 Kennedy Rd. 752-5762  
(Between Ellesmere & Lawrence)

When we first started watching television years ago, we could only watch the stations in our area which could be picked up by our antenna. Then came the introduction of cable T.V., which offered a better range of viewing, along with pay television. With both cable and pay television you never stop paying, and the monthly rates will only continue to increase.

The problem with most people is the fact that they don't realize that they now have a choice. How often have you or your friends gone to the local tavern or restaurant, just to watch some event on television via satellite. You too can watch these same events and more at home through the services of Twilight Satellite Enterprises. This firm opened in January 1984, and is capably directed by Michael and Colleen Aprile.

Just stop in at their showroom and see for yourself what a Satellite dish is capable of adding to your television enjoyment. You'll find that a Satellite dish is not only affordable, but will provide you with the greatest show on earth. If you love Movies, over 500 are aired each month, along with Sporting Events, Special Interest Programs, Childrens programs, News, Music, and the list goes on.

You can make arrangements for a "Sight Test" at your home, and enjoy the best in television entertainment, without making monthly payments the rest of your life.

## Classic Fireplaces & Accessories

Where real value & savings are available

302 Kingston Rd. (at Alton Rd.) 839-9100

Now that fall is here, we can only look forward to colder weather. Already, we are experiencing very cool weather in the evenings, and many have already put their furnaces in operation to take the chill out of their homes.

Here at Classic Fireplaces & Accessories, they offer a complete line of: Fireplaces, Fireplace Inserts, Energy Saving Glass Doors, Wood Burning Stoves, Chimneys, along with Fireplace Tools and Accessories.

This firm was originally established in the fall of 1961, by Mr. Craig Willoughby, who operated with a mobile showroom up until he opened his new showroom on Kingston Road, in August of this year.

You'll find on display here the most efficient Fireplaces and Wood Stoves, that are on the market today. "Craig" will be only too happy to look after you, whether you want the full-service treatment, whereby they will sell you your choice of Fireplace, Insert, or Stove, and they will look after all the work involved in the installation, or if you're a handyman and want to save money, they will explain exactly what's involved and you can decide if you want them to do some of it or none of it. Here they offer the do-it-yourselfer, everything including expert advice.

Now is the time to invest in a fireplace or wood-burning stove, and save on your heating bills, as well as conserving energy. Stop in at Classic Fireplaces & Accessories, where every sale ends with a warm feeling of satisfaction.

## O'Donnell Insurance Brokers Inc.

"Very popular by choice"

4597 Kingston Rd., Suite 211 284-9403  
(East of Burnhamthorpe)

Without the protection of insurance, when a tragedy occurs involving ourselves or our loved ones, or even if it's only damage to our property, the shock of the unexpected situation can be burden enough, without the addition of the financial crisis which can also be suffered.

The comfort of knowing that you are adequately protected when faced with such a misfortune, can certainly be reassuring to us all, it is only then that we appreciate the value of the services that we receive from our insurance representative. This has been the case, time and time again for the people who are insured through O'Donnell Insurance Brokers Inc.

This firm has been established since 1980, and is capably directed by Mr. John O'Donnell, Mr. Roy Cooper, and Mr. Pat McGonigle, who have a wealth of experience. You will find that these gentlemen have chosen their vocation very well, and they have always shown a true dedication to their clients that is unsurpassed.

They offer a full range of insurance services, including: Fire, Accident, Public Liability, Home and Tenants Package, Auto, Marine, Recreational Vehicles, and Business Insurance. For your convenience they are open till 9 p.m. in the evenings on Tuesdays and Thursdays, and on Saturdays from 9 a.m. till noon.

If you feel that you're not getting the kind of service that we have outlined here, or if you think you're paying too much for your present coverage, then contact this firm today.

## Parkway Honda

Where people deal with confidence

1681 Eglinton Ave. E. 752-6666  
(Just East of the Don Valley Parkway)

If you're presently thinking of buying a new car, there are many important factors in finding the right dealer from which to make your purchase. Most people are looking for: Product Quality and Fuel Economy, you want a choice of Models, of course the Price, and last but not least, you want "Service" after the sale.

Parkway Honda meets this criteria and more. This firm has been serving the new and used car needs of our community since September 1977, under the guidance of Mr. Richard McGraw, President, and Mr. Harry Brailsford, Vice President and General Manager.

From the Receptionist in the showroom, on through to the mechanic who services your car, they all value you as a customer, and it's through their efforts that this firm has established a reputation for placing customer satisfaction first.

Now is the time to stop in and "Catch the Excitement" at Parkway Honda. They have the 1986 line-up of great new Honda's on display. From the Civic to the Prelude and up to the all "New Accord" which features luxury at its finest. All of these 1986 models are not only beautiful to look at but are backed by their unbelievable FREE 5 Year Warranty, which is second to none, and covers a lot more than the Power Train and Rust Perforation.

You'll find it all here at Parkway Honda, New Cars, Used Cars, Leasing, Parts, Service, and Bodywork. Just remember, at Parkway Honda, they not only want your business... but they'll do a lot more to keep it.

## 10 Steps to Beautiful Carpets

1. Choose practical, long-wearing fibers like nylon or acrylics when you're purchasing new carpeting.
2. Avoid light-coloured carpeting if you have a houseful of children or a pet or two. Textured, patterned rugs are a better choice.
3. Vacuum carpets regularly. Three to five times per week is ideal, but once a week will keep your carpets in good condition.
4. Protect carpeting in high-traffic areas, like hallways, with small area rugs or mats.
5. Repair damaged carpet professionally. Patches can be applied to carpet tears very effectively, but let a professional do it.
6. Treat stains immediately. Keep an emergency survival kit handy to attack spills or accidents as soon as they happen. Stain removal success depends on quick action.
7. Use spot shampoos or cleaners for periodic touch-ups. Easy-Off stain lifter, found on the Easy-Off Carpet Care Centre at your supermarket is ideal, or, rent an Easy-Off rug shampooer also at your supermarket.
8. Test any cleaning solutions before you use them on your carpet. Try them out on the carpeting in closets or in an inconspicuous corner, to make sure colours won't run.
9. Deep-clean your carpets once a year. When a build-up of dirt is allowed to continue, it acts like sandpaper and wears away the fibers at the base of your carpet. This will cause permanent damage and shorten the carpet's life. Eventually, the carpet fibers will simply break.
10. Use only reliable

carpet-cleaning firms. Check out their reputations carefully. Firms which depend on telephone solicitation are often unprofessional. Their staff may be untrained and their prices are inflated. They may offer impressive discounts over the phone ("three rooms for \$49.95", etc.) but the bottom-line cost is usually far higher once they tack on all the hidden extras. And if your carpets are damaged in their cleaning efforts, insurance policies can't be counted on to cover the cost of replacement or repair.

### Protect carpet

Your carpeting is a major investment. Protect it by trusting it to professionals only. Or consider the popular and effective do-it-yourself approach. Easy-Off's professional equipment can be rented at your local supermarket. Easy-Off steam cleaning equipment is economical and has superior penetrating action.

Its exclusive Vibra-Sonic cleaning bar spreads carpet fibers gently and extracts both surface and ground-in dirt. The equipment is uncomplicated and light enough to lift up and down stairs easily.

For a fraction of the price that professionals charge, you can get professional results. Thousands of Canadians have concluded that it's the common-sense way to maintain their carpets.

# Sports Report

By Glenn Sutherland

**MAPLE LEAF U18'S CANADIAN CHAMPS**  
 Pat Cubelis scored seven of Maple Leaf's eleven goals as the team took the Canadian championship by defeating teams from Atlantic Canada, British Columbia, and Quebec in three tightly contested matches. The championships were held in Sydney, Nova Scotia from Oct. 10-14.  
 Cubelis scored all four goals as his squad, under coach Keith Pandovski, easily defeated the St. Lawrence Soccer Club of Newfoundland, (representing the Atlantic provinces) by a score of 4-1.  
 Saturday gave the team the day off and allowed Pandovski to scout the game between the John Deere Bombers of British Columbia and St. Lawrence of Newfoundland.  
 It seemed to work as Maple Leaf came out the next day and hammered the Bombers by a score of 5-2 as Mike Mamme scored three times while Pat Cubelis added to his totals by collecting the other two.  
 The win over British Columbia put them into the final where they met Montreal Concordia, coming out on top by a score of 2-1.  
 Nazmin Remani scored on a penalty shot at the ten minute mark to give Maple Leaf a 1-0 lead only to see it disappear just before half time.  
 The team pressed hard in the half and as a result they were able to score the winning goal before the 90 minute mark.  
 Maple Leaf was awarded a direct free kick in the area of the 18 yard line. Concordia defenders formed a wall and expected Remani to blast away but lo and behold, he ran over top of the ball in order to allow Cubelis to have the shot instead. He made no mistake as he blasted a hot one into the right hand corner for his unprecedented seventh goal in a mere three games.  
 Cubelis may have been able to attain more goals but tournament rules allowed Maple Leaf to only play the three games (two preliminaries and the championship), thus missing out on possible matches against the Regina Concordia Juniors and the representatives from the Lunenburg County Soccer Club of Nova Scotia.  
 Congratulations to Maple Leaf for bringing home another Canadian championship to Scarborough.  
**MAPLE LEAF WIN NSL CHAMPIONSHIP**  
 Mike Mamme scored three times as the Canadian champions Maple Leaf Under 18's defeated the North York Cosmos on Sunday afternoon to claim the N.S.L. Regular Season Championship.  
 Maple Leaf and North York reached this game by both winning their respective conference championships. This is not to be confused with the league playoffs or league cup.  
 Pat Cubelis, Bill Domaszeti, and Mark Goodfellow all scored single markers while Maple Leaf's only regular goalkeeper Wayne Bimobil was steady all afternoon except for the one North York goal.  
 Maple Leaf was in complete control of the game as they were ahead at half time by the commanding score of 6-0.  
 The team will play one last regular season game as they take on York Blizzard at Etobicoke's Centennial Stadium on Sunday in the N.S.L. Cup Final. Game time is 9. For those of you who can make the game, come out and

support this team as they play their final game at the minor soccer level and possibly last one under Keith Pandovski.  
**JESSWEIN NAMED MVP**  
 Goalkeeper Tony Jesswein was recently honoured by the St. Andrew Under 18 soccer team (National Soccer League) as its most valuable player.  
 Even though the team finished with a dismal 3-11-2 record for last place in the U18 division, they did reach the quarter-finals of the prestigious Robbie tournament and lost in the final of an Ottawa Labour Day Tournament to Woodbridge in overtime by a score of 1-0.  
 Through all of that, Tony Jesswein was always there, stopping shot after shot to the best of his ability.  
 The team also presented five other awards as Mike Souliere, Wim DeGroot, Ian Andrews, Howie Grossinger, and Barry Russell were honoured by coach Ed Andrews and manager Moishe Grossinger.  
 Souliere was chosen as the most improved player while DeGroot was selected as the one to have shown the most effort and desire. Andrews, Grossinger, and Russell were honoured for being original members of this squad, which ended its minor soccer life at the end of this past season.  
**RAIDERS BACK ON TRACK**  
 The Wexford Raiders junior "B" hockey club, having gone 0-1-3 since their last victory, finally got back into the win column as they hammered the Kingston Voyageurs 9-3 on Sunday evening at Scarborough Arena.  
 Earlier in the week, Wexford had tied St. Michael's 3-3 on goals and then fell at Bramalea 5-1 as Jim Bird scored the only Raider marker.  
 However, Sunday night was a different story as Chris Lovisek and Bruce Beaton each scored twice to pace the Raiders to their most lopsided of three victories.  
 Other goal scorers on Sunday night included Jim Yonge, Len Dufour, Doug Singleton, Mike Yaworski, and Andy Rivers.  
 Beaton, Dufour, Rivers, and Yaworski were able to add one assist each to their goals while Garth Fraser, John McClean, and Mike King having just come from the Belleville Jr. A. Bulls were able to collect two assists each.  
 Lovisek's first goal and Beaton's second came on the power play. Kingston's first goal (first period) and their third goal (third period) came on the power play.  
 Minor notes included Wexford's 46-30 advantage in shots on net while Kingston only took nine minors as opposed to Wexford's twelve.  
 As well, in the penalty column, there were no fights at all in a game that for the most part, was played in a very clean manner with very few altercations.  
 Wexford's record now stands at 3-4-4 for fourth place in the Fullan (Western) Division of the Metro League, one point behind Henry Carr and five points in front of fifth place Mississauga Torspo. However, Wexford has played eleven games as opposed to Henry Carr (7) and Mississauga (8).  
 The Raiders will get two opportunities to improve on their record and overall clean play in the next seven days.  
 They travel to St. Michael's Arena on Saturday.

## Guildwood Peewees Win Canadian Championship

No Scarborough team has won the Peewee (14 year olds) National Soccer Championship since 1977. So when the Guildwood '71's flew into Vancouver to represent Ontario over the Thanksgiving weekend, they were not considered the favourite.

Placed in a group with Saskatchewan and B.C., Guildwood entered their first game against Saskatchewan, having watched B.C. defeat Saskatchewan 9 to 0. Scoring more than 9 goals became the team's objective so that they would hold a goal advantage entering into the next day's game against B.C. In a fast game Guildwood overpowered Saskatchewan with an 11 to 0 win.

Guildwood was very apprehensive as they faced host club B.C. on Sunday. It was overcast and raining, making playing conditions unfavourable, and there was a large contingent of fans to cheer on the home team.

Both teams came out playing hard, moving the ball quickly from end to end. Peter Moore struck first for Guildwood, and then again, before B.C. got one back to end the half at 2

to 1. In the second half, a blistering drive by Mark Smallwood from the eighteen yard line sent Guildwood ahead by 2. Outstanding goal tending by Mark Cinerari combined with a strong supporting defence from Shawn Long, Derrek Couch, Paul Watson, and Ian Standard kept the B.C. forwards at bay, and in the last minutes of the game, Mark Smallwood converted his second goal, for a 4 to 1 Guildwood win, and advancing the team to the final.

Thanksgiving day saw Guildwood going into the final against Nova Scotia, who had defeated Alberta and Quebec to qualify. Under ideal conditions the Guildwood team went up quickly on two goals by sweeper Ian Standard, the first on a towering drive from mid field, and the second on a corner kick.

With mid fielders George Petrov and Colin Campbell controlling the tempo of the game, the Guildwood squad constantly pressed the opposition, counting a marker from Mark Smallwood, and then Peter Firebrace, with only one

response from Nova Scotia, to give Guildwood a 4 to 1 victory, and the Canadian Championship.

Representing Guildwood were players: Mark Cinerari, Paul Watson, Shawn Long, Colin Campbell, Ian Standard, Peter Moore, Louie Sopov, Mark Smallwood, Derek Couch, Peter Firebrace, George Petrov, Robert Milakovic and Pat Williams; coach Pat Haddad, manager Dave Stone, and trainer Dave Watson.

Coach Pat Haddad was very pleased with the performance of his team, starting the season with a win in Florida in January, and concluding with the Canadian Championship. He says he will be taking a short break before starting training for next year. All players born in 1971 are welcome to come out for training sessions, and are

encouraged to try out for the team.

day night to face the Buzzers and then play at home to the King City Dukes on Sunday evening at Scarboro Arena. Game times are 7 and 7:15 respectively.

There have also been a number of player changes at Wexford in the last seven days and the team also has three players on the injury list.

Centre Andrew Cummings was sent to Pickering Panthers in a deal for forward Dirk McNaughton, (who was once in the Wexford minor organization).

As well, Steve Zolper was released to the King City Dukes while the team obtained Mike King, who decided that he no longer wanted to play in Belleville. John McClean was brought up from the juveniles to play Sunday night.

Players on the injury list are Randy Stevens, Len Chapman, and Cliff Herbert.

# Bill Watt's Worlds

**CLUB SCENE:**

The title of this recurring effort of ours is intended to reflect a commitment to our readers to bring all worlds of entertainment to their notice.

An aside to a well intentioned reader/writer: the

column is titled Watt's Worlds not Watt's Scarborough or any of the other seven communities served by this journal, though we do review offerings from all eight of them. Read the column more often Sir. Anyway, our pursuit of the

leisure arts means that we frequently attend presentations that, at first blush, might not appear to be our cup of tea. (We do mix our clichéd metaphors don't we.)

So it was that we found ourself at the Imperial Room for the opening of Andy Gibb ; that's right, Andy Gibb, youngest of the four performing Gibb brothers. And, guess what, we thoroughly enjoyed his show notwithstanding that it presents much that we do not usually enjoy.

For one thing, no tux for this young man. He struts - and kicks and wiggles and grinds - his stuff in white running shoes, skin tight red leather Gurka pants, black spandex undershirt and white, sequinned soft jacket. The ensemble looks rather like a German flag at the Folies Bergere.

For another, his voice - with assistance from Fender, Rhodes or what ever - is rather like that of a porpoise in heat.

Yet, his apparent joy in what he is doing, his dazzling smile, his rapport with the audience, his stated admiration for his older brothers, his sheer showmanship are all such that he completely

wins over the audience. All of it.

We suppose he is so winning because although his act is good and he knows it, he doesn't try to elevate it into art as do so many of his confreres who scowl and shout and generally look and sound like that same porpoise despairing of ever finding release. He offers that old fashioned commodity called entertainment served up with generous portions of humour. He's an entertainer and a bloody good one.

His selection of songs is a good one and well orchestrated. His unabashed admiration of his older brothers is manifest in his tribute to them which includes How Deep Is Your Love?, To Love Somebody and Words. Our favourite of the evening was I Just Want To Be Your Everything sung with great feeling but not so much that one feels like an eavesdropper on another's private feelings.

Andy Gibb is at the Imperial Room until next Saturday and we recommend a visit if you can get reservations that is.

Set to follow him was Miss Peggy Lee but she is having medical difficulties and the engagement has had to be postponed. In her place will be Rob McConnell and the Boss Brass for its first engagement in the room after years of refusing overtures to appear there.

Brush off your dancing shoes for this one!

**WORDS AND MUSIC:**

The things we receive in the mail!

Just recently we received a copy of The I Love Lucy Book (Doubleday). Just about everything one could wish to know about the show is in this volume including resumes of every episode. Well illustrated and written it's a great browser and just might be the gift you've been seeking for an office friend at Christmas.

In the same mail there was an L.P. titled The Lucy Show . . . Undone T.L.S. is the name of a Rock group for heaven's sake!

Its founders are Mark Mandola and Rob Vandeven both of Calgary but now living in the U.K. The group's name, says Bandola, was chosen "over a few beers. We knew it sounded pretty funny but after we stopped laughing we also thought it sounded good. For one thing, you have no idea what to expect from a band with a name like that and that's a blessing." Amen we say.

Anyway, Undone is on the A. & M. label and if it's not yet in the stores it should be soon.

Incidentally, we wonder if our Scarborough reader/writer realizes that A. & M., as well as the producers of many others albums reviewed in this column, is located in Scarborough and adds much to the local economy.

Mahvelous! Billy Crystal (A. & M.) is a bit of a disappointment. This young comedian, whom we first encountered years ago on the original Saturday Night Live and later on Soap, is a funny, funny man. That's what disappoints in this album; the fact that he apparently has failed to realize just how funny are his insights by themselves and elected for filth.

We've never thought of ourself as prudish; we enjoy bawdy humour, we believe, as much as anyone but we draw the line at filthy language and some of

the language on the album can't really be called anything else except filthy. Pity.

One confesses discomfort over Soldiers Under Command/Stryper (Passport). This is another heavy metal offering but the songs are spiritually directed. This is gospel heavy metal and we quite frankly, don't know what to make of it. We suggest you make your own determination of the musical values here including the selection The Rock That Makes Me Roll.

And, as of this writing, Stryper are scheduled to appear on Nov. 3rd at the Concert Hall.

Nov. 7th through the 10th will see the third annual New Media Festival at the CN Tower. It will showcase the innovators, artists and technologists who work and create in the areas of new media/video software and digital technology.

It's an opportunity for an exchange of ideas and techniques as well as a chance for the likes of yours truly to catch up on the new music creation processes. As well, Tour Of The Universe will be incorporated as an integral part of the Festival. Sounds exciting and fun.

The King's Singers will be in concert this Sunday afternoon at Roy Thomson Hall. We have an advance notice of the proposed program and note that The Weather Forecast is not included. We have an idea though, that it might be offered as an encore. It alone could be worth the price of admission.

**ON STAGE:**

The current offering at the Royal Alex is Two Into One by Ray Cooney with Daniel Massey and Alfred Marks. Mr. Cooney is the gentleman who has written Run For Your Wife, Not Now Darling and the recent Why Not Stay For Breakfast.

Need we say more? We think not but we will when we offer our full review.

Not content to rest on its laurels, Cinesphere is scheduled to schedue another 70mm film festival in December. And, that's welcome news!

**FOR THE CHILDREN:**

The Rugrats Rock On (A. & M.) is another of those delightful albums that feature well known children's songs in a soft rock setting supposedly by little children.

Actually some of the songs are original and they are every bit as enjoyable as the more traditional one. Wait till you hear Everybody Needs A Treat. Our favourite is The Grand Old Duke of York however.

You know, there just might be something to this Rock business after all. Come On In/Eric Nagler (Elephant Records) is probably one of the best children's albums we've ever heard.

Mr. Nagler is a fine musician with an excellent concept of what appeals to children without ever pandering to an undeveloped appreciation of musical values. Take for instance his version of Happy Birthday. These are new lyrics set to the melody of the Merry Widow Waltz.

And then there's Button Up Your Overcoat, the old DeSilva, Brown, Henderson tune and Be Kind To Your Parents from Fanny.

Well, by now you should have the idea. Eric Nagler is presenting adults songs in a kid's setting and kid's songs in an adult setting. And, it all works.

Though this is a children's album, we have this idea that some of the cuts would be well received on regular radio programming.

**FAST EXIT:**

If the gentleman reader/writer from Scarborough should be reading this allow us to say that we'd be delighted to join him for dinner at the Old Scott House. Heck, we'll even spring for a bottle of wine.

Members of the public who are interested in the Scarborough Board of Education's vocational programs are invited to attend the public meetings noted above.

The Scarborough Board has recommended that Maplewood and Tabor Park Vocational Schools be reviewed this year according to the Scarborough Secondary School Closure Policy because of declining enrolment.

The purpose of these meetings is to present the Scarborough Secondary School Closure Review Report, 1985-86, clarify the review process, and to answer any questions members of the community might have.

Copies of the report are available at all Scarborough public high schools.

The meetings are being organized by the Board's Planning and Operations Department (296-7550).

# Boys' & Girls' Club Has Exciting Fall Program

Many varied and interesting programs to suit all ages and interests are offered this season at East Scarborough Boys' and

Girls' Club.

For juniors, ages 7 to 9 years, there are house leagues for such sports as girls volleyball, boys

cosmo hockey and coed soccer.

As well the club offers a program of drama, needle art, self esteem (see a better me!), cultural

discovery (find out how people from other cultures live), video movies and tournaments in bumper pool, uno, checkers, table soccer and more.

The program also includes special activities once a week and special events each month such as a Halloween Party in October.

The list is just as lengthy for intermediates, boys and girls between 10 and 12 years of age.

Besides indoor soccer, boys cosmo hockey, girls basketball, woodworking and sewing classes, movies are show every Friday evening.

Intermediates also enjoy special weekly and monthly events.

The seniors program, for boys and girls 13 to 17 years of age, includes tournaments in euchre, lawn darts, single pool and crazy "8", movies every Thursday evening, ceramics, and lifeskills programs such as cooking, babysitting first aid course, and special presentations by the Ministry of Colleges and Universities and other agencies.

As well seniors enjoy house league sports in girls basketball, girls volleyball, boys ball hockey and more.

An interesting Youth Leadership program is held every Monday evening from 7 to 8 p.m. for boys and girls 7 to 12 years of age to teach leadership skills.

For information on any of these programs and to register call the club at 281-0262, or drop in and look around at the lovely new facility at 100 Galloway Rd., West Hill.

## Celebrate 50th Anniversary

To celebrate the 50th wedding anniversary of James and Evelyn Rock their children held a lovely Open House at the home of their eldest son Jim and his wife Joanne, on Sat. Oct. 19 from 1:30 to 4:30 p.m.

About 85 friends and relatives attended including the couple's six children with their spouses and their 14 grandchildren. One grandson flew in from Edmonton for the party and many friends came from out-of-town.

Following the open house all the relatives and a few

close friends went on the Guild Inn for dinner.

"It was a beautiful day and I still haven't got over it," a happy Mrs. Rock told the News. "We are a close and happy family and it was a lovely party."

Mr. and Mrs. Rock were married in Church of the Comforters in East York on Oct. 16, 1935. They lived in

East York for a few years before moving to Scarborough in 1942.

The couple keeps busy visiting their family and they also do some travelling.

"We are not in perfect health but we never let that stop us from keeping busy," Mrs. Rock said.

## Peter Newman At Library

The public is invited to meet author Peter C. Newman at Port Union

Branch Library, 5450 Lawrence Ave. E. at Charlottetown Blvd., on Mon. Nov. 4th at 8 p.m.

Acclaimed as a master of contemporary Canadian history, Peter C. Newman has turned his attention to our past in his recent book *Company of Adventurers* which recounts the story of the Hudson's Bay Company.

Mr. Newman will narrate a slide show on his research into the fascinating history of the company which as played such an important role in shaping our country.

Following the presentation, Mr. Newman will be happy to autograph copies of his book and meet the public in person.

## MTAMR Offers Unique Program

The Metropolitan Toronto Association for the Mentally Retarded offers an innovative program for children - Individualized Residential Care (IRC). The program was established as a residential alternative, as close to natural family living as possible, for children who are mentally retarded and who, for various reasons, are not able to live with their natural families.

Children who are placed in associate family homes, make great gains when they have the opportunity to be involved with other children in the neighbourhood. One such child can be seen in this photo with members of his associate family and friends.

Individuals interested in becoming associate parents attend an orientation evening which is followed up by a series of personal interviews and training sessions.

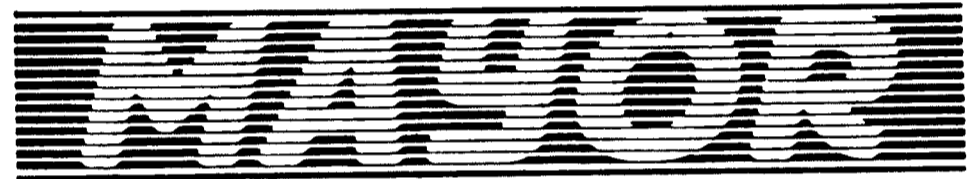

A home teaching consultant is assigned to each associate family before the child is placed in order to provide day to day, front line training related to the specific program needs of the child.

In return for the care and training they provide, associate parents receive a salary, excellent benefits and an expense budget. They also receive up to ten hours a week of part-time help, 21 days a year of paid holidays and bi-weekly supervision and training sessions. As well MTAMR staff are on 24 hour call.

Anyone interested in finding out more about the IRC program should contact Pam Terry at 752-5306.

## Community Representatives Sought By School Board

The Scarborough Board of Education invites applications from two members of the community-at-large to sit on its Communications Steering Committee.

These two representatives will act as community advisors on the committee, which has the overall responsibility for the Board's internal and external communications program.

The Board's program includes the publication of a community newsletter, numerous brochures and pamphlets, as well as a number of community outreach projects. These include public meetings and special events that foster good relationships between schools and their communities.

The term of the appointment will be three years. Residents of Scarborough interested in this voluntary position should submit a brief resumé by November 19, 1985 to:

**PROMISES ARE COMMITMENTS: OR ARE THEY?**

After Premier David Peterson recessed the Legislature for the summer on July 12th, he went on at length about what his government had achieved in two short weeks.

Let's take a look at the overall picture of promises made by the Liberals during the election, and/or in the accord signed by Liberal David Peterson and NDP Leader Bob Rae. The "unholy" alliance.

Rent review guidelines were decreased from six percent to four percent, and were to have covered all residential buildings in the province regardless of building age or rental level. But the government is now waffling on putting an end to the \$750-a-month exemption from rent review as well as the exemption for post-1976 buildings. Prudent indecision I think, but the issue is when is a commitment a commitment?

Equal pay legislation for both the private and public sectors was promised. This apparent high priority item has already been shunted around by the government; and its status questionable at best.

Dentcare for children and the elderly was another Liberal campaign promise. But according to the Premier it will have to wait. So will the abolition of OHIP premiums, and funding for day-care facilities.

Extra-billing by doctors was to be banned. Premier Peterson initially said it would be done through negotiation with members of the medical profession. When the OMA indicated that it was not willing to negotiate, the premier said he would enact legislation to end the practice. He now says hearings will take place to determine how the public feels on the matter, and what measures should be taken.

A first-contract law was to be included in Ontario labour legislation. This is a very important piece of legislation to Bob Rae and members of the New Democratic Party. But quite recently Rae indicated that the Liberal's suggestion of a qualifier clause being contained in the legislation may render it useless.

Then there is the promise of an "accountable government" and one "without walls" made by David Peterson when he was sworn in as Premier of Ontario.

Since that time letters of invitation have gone out to select special interest groups suggesting that, for a given sum, they can rent the ear of the Premier or members of his Cabinet. This certainly shoots holes in the promise of an open government accessible to all. Well at least it's all that can afford it.

Early in September, 120 political aides spent a weekend at a luxury resort in Collingwood learning different aspects of the political process. The \$30,000 bill was charged to YOU the taxpayers. It should have come out of Liberal coffers which have been receiving funds from the "rent-an-ear program".

To make matters worse, the six page memo to participants was sent from the Premier's office and marked "confidential". The matter only came to light through the diligence of a newspaper reporter. Again, I question the Premier's sincerity in having promised a government "without walls".

David Peterson and his Cabinet made promises to the people of Ontario during the election campaign, in signing the accord with the New Democrats and again on the day they were sworn into power. Since that time they have indicated they expect to break more than they keep. The realism and responsibilities of government sure changes the "value" of promises.

DO ONTARIANS NOT DESERVE BETTER?

**Environmental Law Course**

A two evening mini course entitled "Environmental Protection Law" will be presented by Paul Emond, Associate Professor, Osgoode Hall Law School.

The course is designed for people in general and environmental groups in particular who are interested in knowing more about Ontario's environmental protection laws.

The lecture gives practical advice on when and how best to use a lawyer in an environmental case. It also looks at how individuals can participate more effectively in environmental protection.

It will cover such topics as the new Spills Act and the Environmental Protection Act; PCB hearings, toxic waste disposal and sanitary landfill; how to prepare and present your case before the Environmental Assessment Board; find out when your neighbours activities constitute a nuisance and much more.

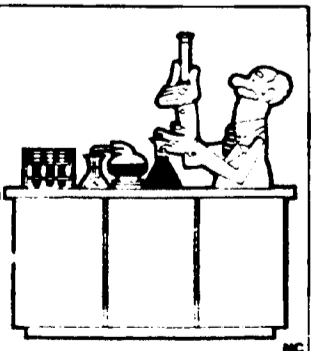

This lecture is given over two Wednesday evenings, Nov. 13 and 20, at Osgoode Hall Law School, York Campus, 4700 Keele St., North York. The times are 7 to 10 p.m. and the fee is \$30.

For more information and a detailed brochure call Mrs. Minoli at 667-2504.
