Rouge Hill Home & School Activities

A decorated bicycle and doll carriage parade, fresh apple juice, goldfish pond, home baking, movies, hobbies and a very special antique room were some of the highlights at Rouge Hill School last Saturday, when the Rouge Hill Home and School Association held its Fall Fair.

This year there were many new additions to this once-a-year money raising event.

The bicycle and doll carriage parade started the day off in fine style. There were about 50 entries in this event, and Mrs. Adamson, Mrs. Duncombe and Mr. Newman, who acted as judges, had their work cut out for them to pick winners in three categories.

Chief Parker of the Pickering Twp. Police officially opened the fair at 2 p.m.

The halls and rooms seemed to bulge at the seams in the first two hours. Hot dogs, pop, apple juice and ice cream kept up the strength of the younger set, while parents relaxed in the tea room, where Mrs. Anthony, Mrs. Dyke and Mrs. Fortier, Sr., poured tea.

The antique room had to be seen to be appreciated. Mr. and Mrs. Harrop, Mr. and Mrs. Baumeister certainly are to be congratulated on this magnificent display.

The fascinating exhibit on display in the hobby and craft room made judging a very hard task for Mr. Pogmore.

Although the response to the other contests, home-baking, sewing, vegetable and flower display was not great this year, we hope that it will be a much greater success next year.

We wish to thank the following judges for the excellent job they did: Miss McCrimmon, Mrs. Morley, Mrs. Lotton and Miss Somerville.

The home baking and sewing rooms had a remarkable variety of items for sale, and the opportunity store had an excellent selection for the thrifty shopper.

No fall fair would be complete without apple cider. Mr. Phin kept a constant flow going at the press.

Mrs. Koole was the lucky winner of the doll draw.

We are very pleased with the success of our fair, and thank you all those who helped make it so.

BALL TEAMS HAVE OUTING

A closing outing for the Kiwanis boys baseball teams was held at the Kiwanis Park in Dunbarton on Saturday, Oct. 14. The boys were treated to hot dogs, pop and chocolate bars. Trophies were presented to the Cardinals, who were champions in the smaller boys' league, and to the Orioles, champions of the older league.

Among those attending from Fairport Beach were Glen Williams, Glen Farquhar, Doug Pickard, Tommy and Don Chillman and Barry Evoy.

Retarded Children's Fund-Raising Project Will Start October 23

Final plans for house canvassing for the annual retarded children fund-raising campaign were made this week.

Ajax Mayor William A. Parish, the campaign committee chairman, announced that canvassers will be working in the Ajax-Pickering-Whitby area beginning October 23.

The campaign will also cover such areas as Bay Ridges, Markham and Stouffville.

Mayor Parish told canvassers that emphasis should be made on the point that the Ajax, Pickering and Whitby Association for Retarded Children is not supported by Community Chest funds.

The campaign theme, "A Happy Picture," will feature a number of children attending the Aldon School in Ajax, now serving 27 pupils.

The campaign committee is composed of Mayor Parish, Secretary Mrs. W. J. Norris, Treasurer William Harkness and Publicity Chairman Donald G. Crossley. Canvassers are Mrs. Vic Ames, for Ajax; Mrs. Clarke Richardson, for Pickering Village; Mrs. Henry Westney, for Pickering Twp. East; Mrs. William Beedall, for Pickering Twp. West, and Warren Mowat, for Whitby.

Don Waring Not Ratepayers Official Nominee

It was reported by error to The Pickering News Thursday, Oct. 5, 1961, that proposed candidate for the coming township elections in Pickering, Don Waring, was an official candidate of the Bay Ridges Ratepayers Association.

At the time of Mr. Waring's acceptance to be a candidate was made official, he was the interim chairman of the original group formed to act until November of his year. The constitution states that the organization is non-political and as a body cannot endorse anyone.

This opinion was formed through misunderstanding by many because of the fact Mr. Waring initiated the first ratepayers' formation meeting.

A baby daughter was born to Mr. and Mrs. Gerry Belanger of Lublin Avenue on Saturday morning.

Mr. and Mrs. Don Suter, formerly of West Rouge, are now living at Bay Ridges.

Rev. and Mrs. Fulton, Rouge Highlands Dr., and pastor of Grace Presbyterian Church, were in Brussels over the weekend for special anniversary services. Brussels Presbyterian Church was one of Rev. Fulton's first charges in the ministry.

Dunbarton High School Opening Attended By District Dignitaries

The new 17-room Dunbarton High School was officially opened last Friday evening when the building was dedicated by board member Dr. W. A. McKay, minister of Dunbarton United Church.

Tenders are to be called this week for an additional 14-room vocational school under the new plan of the federal government, 75 per cent of the cost to be paid by the government.

Guest speaker, A. H. McKague, assistant superintendent of the Department of Education, stressed the importance of what these new vocational schools will do for the students, who ordinarily would drop out of the general course, but now will be able to go and learn a skill. He said the department is enthusiastic about the new plan because they feel it will provide more people with skills and education.

He said that grade nine is an exploratory year and that teachers should act as guidance counselors.

Board Chairman Harold A. Mitchell chaired the program. Seated on the platform were: B. Jamieson, board member; vice-principal A. W. Munrie, board members Gordon Bray and Geo. Todd, chairman Harold Mitchell, principal V. E. Stetler, Dr. W. A. McKay and D. Wordley, board members, T. D. Thomas, MPP, William Parish, mayor of Ajax, Sherman Scott, reeve of Pickering Twp., Fred Puckrin, of Pickering Twp. Sunday School Association; Elmer Annis of Dunbarton Kiwanis; Orval Hamilton of Dunbarton Legion; Cyril Mor-

lay, reeve of Pickering Village; Hon. Mike Starr, M.P.; Mr. T. O. Fowler, inspector; H. R. McGreggor, Mr. L. E. Shore, D. E. McInnis, Ontario Urban and Rural Trustees' Assoc.; Mrs. T. J. Wheeler, Alex. Russell, A. Templeton of the board; Clarke Richardson, principal of Pickering High School; and A. R. Irwin, business administrator.

Principal V. E. Stetler, in his remarks paid tribute to the board for the fine new school building, especially mentioning chairman Harold A. Mitchell and business administrator, A. R. Irwin.

Mr. Stetler pointed out that industry and commerce demands much more than it did a generation ago and schools must meet the demand. He said teachers and parents had a great responsibility to keep students in school. He said that education is the key to future greatness of our country.

W. C. Murkar On 701 Monday, October 23

Mr. William C. Murkar of The Pickering News will appear as a guest on the TV program 701 on Channel Six on October 23.

Re-Assessment

This matter of re-assessment is a complexed bit of business that we will not undertake to explain here, even if we could.

But it has been drawn to our attention this past week, rather forcibly that some means of explanation should be given to the ratepayers. Many of them are angry, some even crying discrimination. They ask at Brougham, but according to them they still do not understand why such big jumps on one piece of property and not another. We gather this is the main source of annoyance.

One man says his assessment has gone up 500 per cent on a two-acre pie-shaped piece of property, another says his is up 600 per cent, while his next door neighbor with more land and better buildings has not been increased at all. This man claims to be living on a \$3,000-a-year pension but it now classed as a gentleman farmer.

The assessment department uses rules for assessing but even they must acknowledge that people wonder and ask questions when they hear such complaints as the above.

Surely some form of explanation, written in layman's language could be sent out or published so that taxpayers could digest and understand just what is being done as regards re-assessment and why.

It is a public relations job and a big one but we feel it would be well worth the trouble.

Scout 'Apple Day' Saturday, October 21

This year, for the first time, the 18 Scout Troop and Cub Packs comprising the Boy Scout Association "OWASCO" district, are holding Apple Day in the Pickering Twp. areas on Saturday Oct. 21. Participating in this area will be Scouts and Cubs of Ajax, Bay Ridges, Brock, Claremont, Dun-

barton, Fairport Beach, Greenwood, Pickering, Rouge Hills and West Rouge areas.

Contrary to popular belief, these 18 groups do not receive financial assistance from any United Appeal or Red Feather Appeal. They raise the whole of their operating funds by their own efforts. Pickering Twp. people are asked to boost Scouting in their neighborhood—Do a good turn — be generous — buy a Scout Apple on Saturday, October 21.

WEST ROUGE

The first meeting for the fall term of the West Rouge Home and School Association last Tuesday, Oct. 10 was well attended with about one hundred and fifty parents present to meet their children's teachers, see their work and books so far and to listen to one of our most popular speakers, Mr. Alex Munroe, vice-principal of Dunbarton High School.

The Home and School president, Mrs. Grace Smith, opened the meeting by welcoming, as well as thanking so many for coming out and showing an interest in the school. A motion was passed to purchase six dozen cups and saucers for the school from the association's funds. A letter from the secretary of the Parkette Committee, requesting a donation towards the park at East Avenue and Kirkdene Drive, had to be turned down as Home and School funds must only be used for the school.

Mrs. Kay Jolliffe, secretary, gave the report of the last meeting held in June and a list of the executive members. The treasurer's report, by Mrs. Evelyn Yates, was a small balance carried from last year.

Mr. Nick Visser, vice-president, introduced Mr. Munroe, who spoke on how parents may help their child in his school work by taking an interest in their studies and reading in the home. A vote of thanks was made by Mr. Ken Jones. The school principal, Mr. Weaver, gave a brief outline of the school's activities this year and introduced the teachers. The parents then visited their children's rooms and listened to a short talk on the work by the teacher after which coffee and cakes were served in the auditorium by the executive.

The next meeting of the Home and School will be held on Wednesday, Nov. 1 at 8:15 p.m. and will be a panel. Further details next week but we are sure you will enjoy the special program and that what is in store for you.

The West Rouge Guides and Brownies, Scouts and Cubs, are busy preparing for a church parade and service to be held Sunday, Oct. 29. Remember the date and watch next week's paper for further details.

The Brownies and their leaders of West Rouge would like to thank all the parents and the staff of Steinberg's for their kind support in making their bake sale on October 6 such a tremendous success.

Mr. and Mrs. Rudy Hubert and children, Sunnyslope, spent the holiday weekend visiting relatives in Leamington and Windsor.

The West Rouge Ladies' Club met Thursday evening, October 12 with a good turnout of members who all got busy on articles for the bazaar to be held Saturday, Nov. 4 in the Rainbow Room, Island Road. The ladies enjoyed a social half hour over tea and cakes.

Father Officiates At Local Wedding

SHEPHERD-STEYN

bride born in South Africa and a groom born in the Arctic exchanged marriage vows in Pickering before the groom's father, rector of St. George's Anglican Church. Miss Magretha Grove Steyn, daughter of the late Mr. and Mrs. Z. B. Steyn of Ottesdal, Union of South Africa, became the bride of Mr. Edwin Ross Shepherd, son of Dr. and Mrs. H. S. Shepherd, in the ceremony.

As Mr. W. J. Latham gave the bride in marriage, the church was bright with Thanksgiving decorations and autumn leaves. Miss Steyn wore a gown of eggshell brocade styled with three-quarter sleeves and a scoop neckline, the bell skirt touching the floor. A white Spanish comb held her white tulle veil and she carried a white Bible with a yellow-throated orchid and white roses.

Miss Faith Shepherd, sister of the groom, was her only attendant and wore old gold silk faille styled with a dropped waistline and bell skirt. A matching bow headress was in her hair and she carried gold and brown chrysanthemums with gold roses.

Dr. John T. Shepherd of Frobisher Bay, Baffinland, was the groomsmen.

Following a reception in the Parish Hall the couple left for a honeymoon at the family cottage at Eagle Lake. They will live in Toronto until January, when they leave for England.

Co-op Sales Indicate Big Year

The volume of business handled through the Claremont Co-op during the year, ending July 31, 1961, reached an all-time high according to the financial report presented to the 13th annual meeting of shareholders in the Village of Brougham on Thursday night. Net sales totalled \$412,539, an increase of almost \$34,000 over a similar period in 1960. Net savings for the year, before patronage returns, amounted to \$19,339. This is \$4,351 over 1960.

The president, Mr. Allan Elliott, informed the gathering that the sales volume had set a record high and profits were also up accordingly. He pointed out, however, that due to Claremont's proximity to Metro Toronto, local business was becoming less dependent on feed sales and more dependent on sales of hardware and petroleum products. Petroleum purchases have increased from \$66,922 in 1960 to \$89,318 in 1961. A new truck has been purchased to provide improved customer service. Mr. Elliott praised the work of the manager, John McIntyre, and expressed the board's regret at his leaving to take over managerial duties at Alliston. He also commended the other members of the Co-op staff for their efforts.

New Store

Due to the crowded condition of the present Co-op store, a new building will be erected. It is hoped that it will be completed by the end of the current year. The building will serve as a store, warehouse, office and utility rooms. The suggested cost of the structure was not revealed.

"We are in a financial condition that allows us to be progressive," said the manager, Mr. McIntyre. "I am sure that when the store is completed, you will all be proud of it."

Appoint Directors

Mr. Ralph Jones was returned to the Co-op board of directors. Also elected were Messrs. Ralph Faulkner and Edgar Evans. Miss Gladys Disney, a member of the Brougham 4-H Club was awarded the Co-op silver trophy. It was accepted on her behalf by Mr. Cecil Disney. The guest speaker was Mr. Gordon Mather, Co-op manager for western Ontario with his headquarters at Weston. About 40 persons attended the meeting.

Bus. & Professional Women's Clubs To Mark 'Business Women's Week'

The role of women is becoming increasingly important in the overall economy of Canada. To help Canadian women to discharge their growing responsibilities more effectively, the Canadian Federation of Business and Professional Women Clubs have launched several important projects.

Among these is a Canada-wide study of inheritance laws as they affect the status of women. The study is being conducted by the legislative committee of federation. Also projected is a three-part study of the employment conditions committee of their 7,000-member body. First of these, is a survey among members of the federation of the implementation of equal pay legislation and the extent to which pension and retirement benefits are provided. Secondly, the 170 business and professional women's clubs in Canada will undertake "Careers Preview" programs in their communities. These will provide counselling to girls in high school and pre-high school level and assist them with information pertinent to the career they may choose to follow.

It is hoped that the program will encourage young girls to take full advantage of educational opportunities available to them in view of the steadily rising demand for qualified personnel. The third phase of the employment program is continuation of the campaign to eliminate differentials paid men and women under minimum wage laws in provinces where such discrepancies still exist.

Business Women's Week, being nationally observed October 16-22 will draw attention to the contribution Canadian women have made and are making in all fields of endeavor related to Canada's development.

Following is a letter received from Mr. J. G. Diefenbaker, Prime Minister, to the Canadian Federation of Business and Professional Women's Clubs:

In observing Business Women's Week, you are reminding Canadians of the increasingly important role women are taking in the business, professional and public life of this nation. The Canadian Federation of Business and Professional Women's Clubs has helped to create an awareness of the benefits of society through greater scope for women. Indeed, today the number of women employed in Canada is greater than ever before.

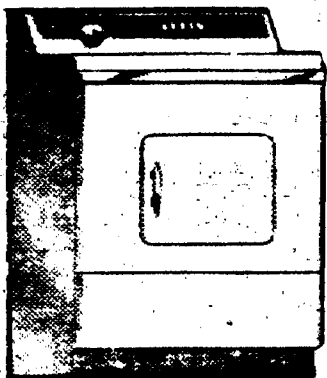

DIAL "M" FOR MURDER

Mrs. Frances Parkhill has very graciously agreed to direct "Dial M for Murder," to enable Mr. Al Anderson to take the leading male role as Tony Wendice. Mrs. Pauline Brown has been cast as Margot Wendice his wife. Other castings are: Don Clarke as Max Halliday, Lorne Brown as Captain Lesgate and Joe Mullen as Inspector Hubbard. Mr. Mullen is making his debut with the Pickering Twp. Little Theatre Group in this play and by all accounts will take off his role as the police inspector, with flying colors.

With all good wishes, not only during Business Women's Week, but throughout the year.

(Signed) J. G. Diefenbaker, Prime Minister

BAY RIDGES

It has been said that politics is the highest form of service an individual can contribute to his community and country. With this in mind one must conclude that the choosing of a candidate is a vitally important undertaking.

The pre-election fever is increasing in Bay Ridges and names of proposed candidates seem to be popping up as frequently as the evergreens on our new lawns.

A political judgment would no doubt be that a situation such as this spells suicide for a small area of some 500 homes if the desire was political voice and minute degree of prestige available if successful in having their man elected.

The most important fact seems to have been overlooked by some and that is the proposed candidate will not only represent Bay Ridges but the entire population of Ward Three which includes our neighbors to the south and east and therefore must be acceptable to the voters in their areas.

With future population growth and subdivision expansion there will no doubt be many problems arising pertaining directly to and affecting only the area presently known as Bay Ridges but this must be adjudged reasonably and fairly if the time arises when such a problem exists in the world itself.

Resulting from the many inquiries and the wide interest in the forming of a rod and gun club in the district memberships will be accepted for the following groups covering Ward Three:

Junior club for boys and girls, ages 11 to 15; junior club for boys and girls, ages 16 to 19; senior club for men and women; senior club for men only.

The senior club for men only will be for those trained in the use of guns and are willing to handle and train others in both firearms and rods.

All interested parties may inquire further into this project by calling Jim Hayes at 839-2865 in Bay Ridges.

One more activity has been started by the recreation group. This time it's hockey. A group of residents headed up by George Alsop have undertaken this task to help keep the boys busy during the winter.

To Have Team
In OMHA Playoff

Pickering Twp. will ice an all-star midget hockey team this winter. The players, 16 years and under as of Aug. 1, will be selected from the entire municipality. Their home games will be played in the Whitby Arena and a try-out practice will be arranged very shortly. The club will comprise about 16 boys.

The Pickering Twp. Recreation Committee has agreed to lead financial support to the program. The matter was discussed at considerable length at a regular monthly meeting in Brougham on Wednesday night of last week. A letter was read from Mr. Donald Hopkins, coach of the Frenchman's Bay club of last season. The request for funds was sup-

Recreation Committee To Honor
Pickering Twp. Softball Champions

The Pickering Twp. Recreation Committee will honor its five championship softball teams at a post-season party next month. The

tentative date has been set for November 4. The individual winners were: Sr. Girls, Greenwood; Jr. Girls, Brougham; Midget Boys, Brougham; Bantam, Frenchman's Bay; Peewee, Claremont. The guests will include about 75 boys and girls. The Brougham Women's Institute will cater to the visitors. The champions will be provided with crests and the official presentation of all trophies will be made.

The recreation committee agreed to support the scheme to the extent of \$250 for ice time in addition to referee's fees; OMHA affiliation fees, hockey sticks and pucks. During the season of 1960-61, Frenchman's Bay bantams advanced to the Ontario finals before losing out to Peterboro. It is believed that the midget entry will include a number of these lads although all positions are open.
