## **06 General**

The City will implement streetlight banner displays in three ways:

1. Staff led initiatives for banner displays on City of Pickering streetlight poles. Staff-led initiatives may include public art displays, beautification, wayfinding, tourism initiatives, support for City initiatives, and commemoration.
2. Community requests for banner displays on the 24 designated streetlights in Pickering's City Centre. This program will be promoted and administered through a biannual community call for submissions and supported by a procedure.

3. Community requests for banner displays in new locations in the City. This program will accept banner display requests that will be reviewed and recommended for approval on a case-by-case basis.

## **07 Locations**

1. Staff-led initiatives for banner displays can be installed in various locations around the City, with preference to pedestrian pathways, and locations with high visibility.
2. The City will provide 24 streetlights in City Centre for Established Community Banner Program displays that can be requested and booked by community groups. The 24 City Centre locations have banner hardware that will be maintained by the City.
3. Individuals and the community can request banner displays in new locations in the City. Only City-owned streetlight poles will be considered for display. New banner locations will be subject to available staff resources for installation and removal. Any additional cost for the purchase of new hardware for streetlight poles may be subject to budget approval by Council in the next fiscal year.
